**The Best of Star Wars Insider Volume 9: The Original Trilogy** Jonathan Wilkins,2019-05-21 Star Wars The Original Trilogy celebrates Episodes IV VI of the Star Wars saga A New Hope The Empire Strikes Back and Return of the Jedi This collection includes classic interviews with Mark Hamill Carrie Fisher Anthony Daniels Billy Dee Williams and profiles of actors Sir Alex Guinness and Harrison Ford Also included are in depth examinations of key scenes essential trivia and rarely seen images from the creation of the epic space fantasy that changed cinema forever

**eGods** William Sims Bainbridge,2013-04-01 What is the relationship between religion and multi player online roleplaying games Are such games simply a secular distraction from traditional religious practices or do they in fact offer a different route to the sacred In eGods a leading scholar in the study of virtual gameworlds takes an in depth look at the fantasy religions of 41 games and arrives at some surprising conclusions William Sims Bainbridge investigates all aspects of the gameworlds religious dimensions the focus on sacred spaces the prevalence of magic the fostering of a tribal morality by both religion and rules programmed into the game the rise of cults and belief systems within the gameworlds and how this relates to cults in the real world the predominance of polytheism and of course how gameworld religions depict death As avatars are multiple and immortal death is merely a minor setback in most games Nevertheless much of the action in some gameworlds centers on the issue of mortality and the problematic nature of resurrection Examining EverQuest II Lord of the Rings Online Rift World of Warcraft Star Wars The Old Republic and many others Bainbridge contends that gameworlds offer a new perspective on the human quest one that combines the arts simulates many aspects of real life and provides meaningful narratives about achieving goals by overcoming obstacles Indeed Bainbridge suggests that such games take us back to those ancient nights around the fire when shadows flickered and it was easy to imagine the monsters conjured by the storyteller lurking in the forest Arguing that gameworlds reintroduce a curvilinear model of early religion where today as in ancient times faith is inseparable from fantasy eGods shows how the newest secular technology returns us to the very origins of religion so that we might arrive where we started and know the place for the first time

Media Franchising

Derek Johnson,2013-03-22 Johnson astutely reveals that franchises are not Borg like assimilation machines but rather complicated ecosystems within which creative workers strive to create compelling shared worlds This finely researched breakthrough book is a must read for anyone seeking a sophisticated understanding of the contemporary media industry Heather Hendershot author of What s Fair on the Air Cold War Right Wing Broadcasting and the Public Interest While immediately recognizable throughout the U S and many other countries media mainstays like X Men Star Trek and Transformers achieved such familiarity through constant reincarnation In each case the initial success of a single product led to a long term embrace of media franchising a dynamic process in which media workers from different industrial positions shared in and reproduced familiar culture across television film comics games and merchandising In Media Franchising Derek Johnson examines the corporate culture behind these production practices as well as the collaborative and creative efforts involved in conceiving sustaining and sharing intellectual properties in media work worlds Challenging connotations of homogeneity Johnson shows how the cultural and industrial logic of franchising has encouraged media industries to reimagine creativity as an opportunity for exchange among producers licensees and even consumers Drawing on case studies and interviews with media producers he reveals the meaningful identities cultural hierarchies and struggles for distinction that accompany collaboration within these production networks Media Franchising provides a nuanced portrait of the collaborative cultural production embedded in both the media industries and our own daily lives
