Hostage Of The Heart:

The Hostage Heart Cynthia Harrod-Eagles, 2017-11-01 Emotionally hurt in the past a job in a large country house seems to be Emma's best option for staying single and safe. When Emma Ruskin becomes governess to 10-year-old Poppy Ackroyd, the haughty Ackroyd family all treat her with contempt, particularly Gavin, the effortlessly superior eldest son. Yet Emma realises that Gavin alone genuinely cares for Poppy, and their unexpected rapport flatters and alarms her, surely he is out of her league. But then disaster strikes when Emma and Poppy are snatched by kidnappers. Imprisoned and terrified, Emma knows they will be killed if the ransom isn't paid unless Gavin can get to them first. First published as *Dangerous Love* and originally under a pseudonym, this is a new edition with a new introduction from the author. *Hostage of the Heart* Linda Acaster, 1986

Hostage at the Table George Kohlrieser, 2011-01-06 George Kohlrieser, an international leadership professor, consultant, and veteran hostage negotiator, explains that it is only by openly facing conflict that we can truly progress through the most difficult business challenges. In this provocative book, he reveals how the proven techniques and psychological insights used in hostage negotiation can be applied successfully to any personal or business relationship. Step by step, he outlines the seven key factors that anyone can use to remove the blocks that stand in the way of resolving tough problems and shows how business leaders in particular can develop and access the skills they need to create trust and a positive mind set in their companies. ***Aim for the Heart* Al Tompkins, 2017-01-12** Al Tompkins teaches students about broadcast journalism using a disarmingly simple truth: if you aim for the heart with the copy you write and the sound and video you capture, you will compel your viewers to keep watching. With humor, honesty, and directness, award-winning journalist and author Al Tompkins bottles his years of experience and insight in a new Third Edition that offers students the fundamentals they need to master journalism in today's constantly evolving media environment with practical know-how they can immediately put to use in their careers. *Aim for the Heart* is as close as you can get to spending a week in one of Tompkins's training sessions that he has delivered in newsrooms around the world from which students learn how to build compelling characters who connect with the audience, write inviting leads, get memorable soundbites, see how to light, crop, frame, and edit compelling videos, learn how to leverage social media to engage audiences, gain critical thinking skills that move your story from telling the what to telling the why.

***Stories from the Heart* Marti Tamm Loring, 1997** Perhaps because the symptoms of emotional abuse are less visible to the untrained eye than those of physical abuse, society has traditionally focused its attention on the latter. While both forms of abuse are devastating, it is widely believed that emotional abuse is the more destructive. In *Stories from the Heart*, Marti Loring seeks to illustrate this belief by presenting case studies of emotional abuse victims. Through intervention and support, these victims have progressed from a life of utter despair and the overwhelming burden of victimhood to one where they are equipped with the ability to survive. Intervention, therapy, counseling, and advocacy are all methods highlighted in this volume to capture the range of innovative procedures and

community resources that are available for those in need Particular emphasis is placed on the reconnection process a strategy integral to progressing from victim to survivor of emotional abuse
