**The Party** Elizabeth Day,2017-08-15 A taut psychological tale of obsession and betrayal set over the course of a dinner party Day s shrewd eye and authorial tone provide a gleeful edgy wit a smart irresistible romp New York Times Book Review Ben who hails from old money and Martin who grew up poor but is slowly carving out a successful career as an art critic have been inseparable since childhood Ben s wife Serena likes to jokingly refer to Martin as Ben s dutiful Little Shadow

Lucy is a devoted wife to Martin even as she knows she'll always be second best to his sacred friendship. When Ben throws a lavish 40th birthday party at his new palatial country home, Martin and Lucy attend, mixing with the very upper echelons of London society. But why the next morning is Martin in a police station being interviewed about the events of last night? Why is Lucy being forced to answer questions about his husband and his past? What exactly happened at the party? And what has bound these two very different men together for so many years? A cleverly built tour of intrigue, *The Party* reads like a novelistic board game of Clue, taking us through the various half-truths and lies its characters weave as the past and present collide in a way that its protagonists could never have anticipated. *The Party and Other Stories* Антон Чехов, 2021-03-16

Skoda is an extraordinarily keen observer with great intellectual curiosity and verbal dexterity. The end result is beautiful prose which intertwines deeply personal experiences with detailed historical, geographic, and cultural information. In closing, Skoda rewards the reader with A Code of Behavior and A Declaration of Rights designed for universal application. To refer to this book only as a personal memoir is to minimize the daring scope of its content; yet it is Skoda's personality and personal life experiences that enhance every page. *The Party, and Other Stories* Anton Pavlovich Chekhov, 1917 *The Party* Terror A Woman's Kingdom A Problem The Kiss Anna on the Neck The Teacher of Literature Not Wanted Typhus A Misfortune A Trifle from Life      **The American Odd Fellow**, 1871
