Nystrom,2011-09-06 When a youth pastor is preparing a lesson it s sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond

a cursory look at the text *A Youth Worker's Commentary on John* is the first in a new series of commentaries developed with youth workers in mind. An in-depth yet readable approach to the gospel of John, this first volume includes commentary, word studies, personal and historical stories, and discussion questions that will help get students thinking and talking. The gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament. This commentary has the entire NIV biblical text printed alongside a rich, deep look into the meaning of this gospel. Youth workers will find this to be an invaluable aid for message and lesson preparation. They'll get a solid understanding of the gospel of John, including its historical context, rationale, and meaning, to see how to apply what they uncover to the needs and issues the teens in their group are dealing with.

*James Bruce Bickel, Stan Jantz, 2008* The Bible is filled with intensely practical writings, none more so than James' letter to the Jewish Christians scattered throughout the Mediterranean countries. Bestselling authors Bruce Bickel and Stan Jantz show that like Proverbs in the Old Testament, the New Testament book of James is bursting with no-nonsense help for believers wanting to grow in their everyday lives, including perceiving God's will even in difficult situations, maintaining a proper perspective on wealth and poverty, demonstrating true wisdom in speech and actions, living in a secular society as a spiritual person, practicing confession, and receiving prayers for healing. Readers will find easy-to-read explanations of each passage, helpful chapter summaries, and penetrating questions to stimulate individual study or group discussion.

*About This Series* This user-friendly series combines commentary and practical applications for individuals or for a lively small group or Bible study.

*Just Follow Jesus* Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus? Among the twelve disciples were two sets of brothers: Peter and Andrew, James and John, and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, "Follow me." Just as his call changed their lives, it can change your life, too.

Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth, Jesus Christ.

**The End Times in Chronological Order** Ron Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come

Forgotten Women of the Holy Bible Gerald Crispin,2019-08-08 The Bible has been written by sixty six male prophets kings pharaohs and New Testament authors The Bible has been written by men for men and about menlike Noah Abraham Isaac Jacob David Jesus and His Apostles Consequently the Bible is rather male oriented and one can see this in Apostle Paul who says women must not teach to be self controlled and pure to be busy at home to be kind and to be subject to their husbands so that no one will malign the word of God Titus 2 5 NIV Forgotten Women of the Holy Bible illuminates several outstanding women in Holy Scripture The author s timeless effort reveals meticulous research and fresh insights into thirty six important women who have been disregarded minimized and even forgotten in Holy Scripture Some of these remarkable women are Priscilla Tabitha Phoebe Joana Lydia Prophetess Miriam Judge Deborah Queen Esther Prophetess Anna and a female apostle named Junia who was in prison with Paul This treasure of chronicles on special women also includes Mother Mary her sister wife of Clopas and Mary Magdalene who stood at the cross with Jesus while the apostles were in hiding After the crucifixion Mary Magdalene and the other Mary bring spices to anoint the body of Jesus When the tomb is found empty these two women run to tell the apostles and the Risen Lord suddenly appears to them on the road The entire event is recorded in Matthew 28 1-10 NIV where the Risen Lord appears to at least two women perhaps more than two Suddenly Jesus met them Greetings he said They came to him clasped his feet and worshiped him Then Jesus said to them Do not be afraid Go and tell my brothers to go to Galilee there they will see me This Holy Scripture is one of many found in the Bible which have been ignored disregarded or totally lost to memory This Bible Study would benefit Christian pastors teachers lay students men and women alike

*Does God Send Sickness?* Troy J. Edwards,2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for
