Johnnie Sahib

**Harry Blamires**

## Johnnie Sahib:

**Johnnie Sahib** Paul Scott,1979      **Paul Scott** P. Swinden,1980-10-30      **Shades of Empire in Colonial and Post-Colonial Literatures** ,2021-11-01 The scope of the articles in *Shades of Empire in Colonial and Post Colonial Literatures* which are arranged in a broad sweep from East to West with four short papers nestled in the middle on the theme of colonialism and motherhood is extensive and varied But in one way or another they all reflect the growing importance of literatures and cultures that might once have been regarded as marginal During the colonial period the literature of the centre took possession of the margin as well as of the imagination of the margin But only recently has the question been raised as to why traditional English literary history has paid so little attention to colonial literature Now post colonial literatures are writing themselves back into the centre and what used to be the margins of the English language world have now set themselves up as rival centres An interesting question to arise from this is whether in the process the former colonial or colonizing literature has now itself turned into a post colonial literature What this book affirms is the importance and interest of a wide variety of literatures sharing a language but reflecting a rich and provocative diversity of histories experiences and attitudes to the shared world which still also divides us      *Paul Scott* V.R. Badiger,1994 This Is A Critical Study On Paul Scott S Novels It Explores In Depth The Novelist S Private Art Of Writing The Novel As An Image Symbol Or An Extended Metaphor As Well As The Intricate Textural Relationship Between His Art Of Fiction And Vision Of Life      **The Routledge History of Literature in English** Ronald Carter,John McRae,1997 This new guide to the main developments in the history of British and Irish literature uniquely charts the main features of literary language development highlights key language topics and spans over 1 000 years of literary history This new guide to the main developments in the history of British and Irish Literature uniquely charts some of the main features of literary language development and highlights key language topics Clearly structured and highly readable it spans over a thousand years of literary history from AD 600 to the present day It emphasizes the growth of literary writing its traditions conventions and changing characters but also includes literature from the margins both geographical and culturally Key features of the textbook include an up to date guide to the major periods of literature in English in Britain and Ireland extensive coverage of post 1945 literature language notes spanning AD 600 to the present extensive quotations from poetry prose and drama a timeline of the important historical and political events a special text design to enhance its usefulness a foreword by novelist Malcolm Bradbury *The Routledge History of Literature in English* will interest students and teachers of literature and language worldwide      **The Jewel in the Crown** Paul Scott,2022-12-22 The first novel in the epic quartet about the last days of British rule in India as much a story of romantic love as it is of crime an artful triumph *The New Yorker* *The Jewel in the Crown* is the first of Paul Scott s renowned historical novels that limn the Anglo Indian world with its lovers friends family servants soldiers businessmen murderers and suicides all involved in one another s fate *The New York Times* It opens in 1942 as the British fear both

Japanese invasion and Indian demands for independence On the night after the Indian Congress Party votes to support Gandhi riots break out and an ambitious police sergeant arrests a young Indian for the alleged rape of the woman they both love What has always astonished me about The Raj Quartet is its sense of sophisticated and total control of its gigantic scenario and highly varied characters The politics are handled with an expertise that intrigues and never bores and are always seen in terms of individuals New Republic Paul Scott's vision is both precise and painterly The New York Times Book Review Few people have written about India quite as seductively or as intelligently with a sense of loss but also a sense of responsibility and fallibility Kirkus Reviews starred review      **Staying On** Paul Scott, 2013-02-11 The Booker Prize winner One of the top 10 books about the British in India the book is a joy and makes an elegiac farewell to the Raj Ferdinand Mount The Guardian In this sequel to The Raj Quartet Colonel Tusker and Lucy Smalley stay on in the hills of Pankot after Indian independence deprives them of their colonial status Finally fed up with accommodating her husband Lucy claims a degree of independence herself Eloquent and hilarious she and Tusker act out class tensions among the British of the Raj and give voice to the loneliness rage and stubborn affection in their marriage Staying On won the Booker Prize in 1977 and was made into a motion picture starring Trevor Howard and Celia Johnson in 1979 Staying On far transcends the events of its central action The work should help win for Scott the reputation he deserves as one of the best novelists to emerge from Britain's silver age Robert Towers Newsweek Scott's vision is both precise and painterly Like an engraver cross hatching in the illusion of fullness he selects nuances that will make his characters take on depth and poignancy Jean G Zorn The New York Times Book Review A graceful comic coda to the earlier song of India No one writing knows or can evoke an Anglo Indian setting better than Scott Paul Gray Time Staying On provides a sort of postscript to Scott's deservedly acclaimed The Raj Quartet It is on any showing a creditable achievement Malcolm Muggeridge The New York Times Book Review      The Atlantic Companion to Literature in English Ed. Mohit K. Ray, 2007-09 Intended To Serve The Academic Needs Of The Students Of English Literature The Companion Is An Ultimate Literary Reference Source Providing An Up To Date Comprehensive And Authoritative Biographies Of Novelists Poets Playwrights Essayists Journalists And Critics Ranging From Literary Giants Of The Past To Contemporary Writers Like Peter Burnes 1931 2004 Anthony Powell 1905 2000 Patrick O Brian 1914 2000 Iris Murdoch 1919 1999 Grace Nicholas 1950 And Douglas Adams 1952 2001 Over The Last Few Decades English Literary Canon Has Become Relatively More Extensive And Diverse In Recognition Of The Significance Of The New Literatures In English Special Emphasis Has Been Given On The Writers Of These Literatures In Addition The Indian Writers Writing In English Have Been Given A Prominent Place In The Book Thereby Making It Particularly Useful For The Students Of Indian English Literature The Companion Is Unique Of Its Kind As It Gives A Broad Outline Of The Story And Not Merely A Brief Account Of The Plot Structure Of A Literary Work So As To Enable The Students To Have A Fairly Good Idea Of The Story Likewise Before Getting Down To The Writings Of An Author The Companion Provides An Invaluable And Authoritative

Biographical Note Believing That An Author S Biography Facilitates Proper Understanding Of His Her Contributions On Account Of Its Clear And Reliable Plot Summaries And Descriptive Entries Of Major Works And Literary Journals And Authentic Biographical Details The Companion Is A Work Of Permanent Value It Is Undoubtedly An Indispensable And Path Breaking Handy Reference Guide For All Those Interested In Literatures In English Produced In The United Kingdom The United States Canada Australia Africa The Caribbean India And Other Countries *The Raj Quartet, Volume 1* Paul Scott,1998-05-22 In August of 1942 a young Englishwoman is raped in an Indian garden and her fate and that of an elderly English school teacher entwine The Chinese Love Pavilion Paul Scott,2013-08-14 Paul Scott is most famous for his much beloved tetralogy The Raj Quartet an epic that chronicles the end of the British rule in India with a cast of vividly and memorably drawn characters Inspired by Scott s own time spent in India and Malaya during World War II this two powerful novel provides valuable insight into how foreign lands changed the British who worked and fought in them hated and loved them The Chinese Love Pavilion follows a young British clerk Tom Brent who must track down a former friend now suspected of murder in Malaya Tom faces great danger both from the mysterious Malayan jungles and the political tensions between British officers but the novel is perhaps most memorable for the strange beautiful romance between Tom and a protean Eurasian beauty whom he meets in the eponymous Chinese Love Pavilion **A Division of Spoils** Paul Scott,2012-10-25 The conclusion of the majestic quartet about the waning days of the British empire in India a commanding achievement Kirkus Reviews starred review After exploiting India s divisions for years the British are departing in such haste that no one is prepared for the Hindu Muslim riots of 1947 The twilight of the raj turns bloody Against the backdrop of the violent partition of India and Pakistan A Division of the Spoils illuminates one last bittersweet romance revealing the divided loyalties of the British as they flee retreat from or cling to India These novels are a spectacular explosion of history set off within the lives of a dozen or so Britons and Indians on the edges of vast change If you want to know where the political world we now live in began Paul Scott s novels are a place to start The New York Times Book Review A rich novel of manners Politics cultism police and military interrogation all moving toward inevitable murder and violence are integral parts of a carefully crafted complex novel Library Journal The Day of the Scorpion Paul Scott,2011-08-05 Second in the epic quartet capturing life at the end of British rule in India an achievement of unusual dimensions and power The Observer UK In The Day of the Scorpion Scott draws us deeper in to his epic of India at the close of World War II With force and subtlety he recreates both private ambition and perversity and the politics of an entire subcontinent at a turning point in history As the scorpion encircled by a ring of fire will sting itself to death so does the British raj hasten its own destruction when threatened by the flames of Indian independence Brutal repression and imprisonment of India s leaders cannot still the cry for home rule And during the chaos the English Laytons withdraw from a world they no longer know to seek solace in denial drink and madness Praise for The Day of the Scorpion Classical and complex in structure with a mystery at its center P Albert Duhamel

New York Times Book Review A rich elaborately terraced novel Scott's view of the crippling illusionary quests of men and nations his ability to recreate a culture and a time continue to mark him as a novelist of importance Kirkus Reviews An even richer tapestry of Indian and British character than its predecessor with greater wealth and variety of incident A ramifying and exciting but beautifully constructed novel London Sunday Times UK Outstanding Mr Scott is a writer who has thoroughly mastered his material and who can work through a maze of fascinating detail without for a moment losing sight of distant and considerable objectives Times Literary Supplement UK

Paul Scott Jacqueline P. Banerjee, 1999 This study researches Paul Scott's engagement with post modernism and humanity's capacity for moral integrity and love even in the face of extraordinary challenges

*Six Days in Marapore* Paul Scott, 2014-12-08 In this swiftly paced and lyrical novel about British expatriates at the time of Indian independence Paul Scott grapples with the themes of race possession and history that dominate all four novels of his masterpiece The Raj Quartet especially The Jewel in the Crown As always Scott fills his book with vivid characters the seductive bigoted war widow the sophisticated wily Hindu politician and the athletic young American who only gradually begins to understand the legacy of pain and hatred veiling the woman he has come to rescue Set against the backdrop of a nation in violent transition a climate of exhilaration and shifting loyalties Six Days in Marapore unfolds amidst the possibility of reconciliation freedom and healing Scott's brief characterizations are as important to Six Days in Marapore as the basic plot This is not primarily a novel of India but rather more of frightened foreigners living there at the end of their era New York Times Intense abrasive the many conflicts and telltale stigmata of Hindu and Moslem white and off white give this its uncertain temper and certain suspense Kirkus Reviews

**A Guide to Twentieth Century Literature in English** Harry Blamires, 2021-06-23 First published in 1983 A Guide to Twentieth Century Literature in English is a detailed and comprehensive guide containing over 500 entries on individual writers from countries including Africa Australia Canada the Caribbean India Ireland New Zealand Pakistan Sri Lanka and the UK The book contains substantial articles relating to major novelists poets and dramatists of the age as well as a wealth of information on the work of lesser known writers and the part they have played in cultural history It focuses in detail on the character and quality of the literature itself highlighting what is distinctive in the work of the writers being discussed and providing key biographical and contextual details A Guide to Twentieth Century Literature in English is ideal for those with an interest in the twentieth century literary scene and the history of literature more broadly

Black and White Bryan Peppin, 2012-09-10 Bryan was born into an Anglo Indian family in 1952 His schooling was completed in 1968 exclusively in Anglo Indian schools which up to that point in time at least were identifiably Anglo Indian Growing up with an us them attitude the issue was not a real problem until early research work in the field of British Fiction on India brought to Bryan's notice the unchanging negative profiling of the Anglo Indian in books on the theme Full fledged research on the Anglo Indian identity which culminated in a PhD from the University of Madras in 2010 threw up the picture of a minimal human species that combined the worst traits

of East and West Since Kipling's refrain was so blindly accepted in the nineteenth century and most of the twentieth century writers both Indian and Western blatantly vilified the Anglo Indian in life as in fiction This book is an attempt to set down an accurate record by examining some of the latest and not so new books on the exclusive subject It also calls to account the horrendous and often unforgivable errors made by some writers and many critics Today more than ever before Anglo Indians are completely at home in India as well as in other parts of the English speaking world It is hoped that in time a clearer more humane picture of the real Anglo Indian will emerge as it must when understanding erases the dark images of the past

*The Towers of Silence* Paul Scott, 2010-05-25 Third in the epic quartet about the end of the Raj Scott throws us into India wretched and beautiful His contribution to literature is permanent The New York Times Book Review India 1943 In a regimental hill station the ladies of Pankot struggle to preserve the genteel facade of British society amid the debris of a vanishing empire and World War II A retired missionary Barbara Batchelor bears witness to the connections between many human dramas the love between Daphne Manner and Hari Kumar the desperate grief an old teacher feels for an India she cannot rescue and the cruelty of Captain Ronald Merrick Susan Layton's future husband This is the third novel in the Raj Quartet a series of historical novels that limn the Anglo Indian world with its lovers friends family servants soldiers businessmen murderers and suicides all involved in one another's fate The New York Times Scott has the trick of being sympathetic without ever losing his clear-sightedness Times Literary Supplement

*The Oxford Companion to English Literature* Dinah Birch, 2009-09-24 The Oxford Companion to English Literature has long been established as the leading reference resource for students teachers scholars and general readers of English literature It provides unrivalled coverage of all aspects of English literature from writers their works and the historical and cultural context in which they wrote to critics literary theory and allusions For the seventh edition the Companion has been thoroughly revised and updated to meet the needs and concerns of today's students and general readers Over 1 000 new entries have been added ranging from new writers Chimamanda Ngozi Adichie Patrick Marber David Mitchell Arundhati Roy to increased coverage of writers and literary movements from around the world Coverage of American literature has been substantially increased with new entries on writers such as Cormac McCarthy and Amy Tan and on movements and publications Contextual and historical coverage has also been expanded with new entries on European history and culture post colonial literature as well as writers and literary movements from around the world that have influenced English literature The Companion has always been a quick and dependable source of reference for students and the new edition confirms its pre eminent role as the go to resource of first choice All entries have been reviewed and details of new works biographies and criticism have been brought right up to date So also has coverage of the themes approaches and concepts encountered by students today from terms to articles on literary theory and theorists There is increased coverage of writers from around the world as well as from Ireland Scotland and Wales and of contextual topics including film and television music and art Cross referencing has been thoroughly

updated with stronger linking from writers to thematic and conceptual entries Meanwhile coverage of popular genres such as children s literature science fiction biography reportage crime fiction fantasy or travel literature has been increased substantially with new entries on writers from Philip Pullman to Anne Frank and from Anais Nin to Douglas Adams The seventh edition of this classic Companion now under the editorship of Dinah Birch assisted by a team of 28 distinguished associate editors and over 150 contributors ensures that it retains its status as the most authoritative informative and accessible guide to literature available

**British Fiction and the Cold War** A. Hammond, 2013-09-19 This book offers a unique analysis of the wide ranging responses of British novelists to the East West conflict Hammond analyses the treatment of such geopolitical currents as communism nuclearism clandestinity decolonisation and US superpowerdom and explores the literary forms which writers developed to capture the complexities of the age

**The Oxford Companion to Twentieth-century Literature in English** Jenny Stringer, 1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors
