

JOHNSON AND BOSWELL

The Transit of Caledonia

Pat Rogers

The background of the cover is a detailed illustration in a classical style. It depicts a rugged, rocky coastline with a large, dark cave opening in the center. A small boat with several figures is on the water in the foreground, and another boat is visible inside the cave. The sky is filled with dramatic, swirling clouds. The overall tone is somber and historical.

Johnson And Boswell The Transit Of Caledonia:

Johnson and Boswell Pat Rogers,1995 **Johnson and Boswell** John B. Radner,2012-01-01 In this book John Radner examines the fluctuating close and complex friendship enjoyed by Samuel Johnson and James Boswell from the day they met in 1763 to the day when Boswell published his monumental *Life of Johnson* Drawing on everything Johnson and Boswell wrote to and about the other this book charts the psychological currents that flowed between them as they scripted and directed their time together questioned and advised confided and held back It explores the key longings and shifting tensions that distinguished this from each man s other long term friendships while it tracks in detail how Johnson and Boswell brought each other to life challenged and confirmed each other and used their deepening friendship to define and assess themselves It tells a story that reaches through its specificity into the dynamics of most sustained friendships with their breaks and reconnections their silences and fresh intimacies their continuities and transformations A History of the Modern Fact Mary Poovey,2009-11-30 How did the fact become modernity s most favored unit of knowledge How did description come to seem separable from theory in the precursors of economics and the social sciences Mary Poovey explores these questions in *A History of the Modern Fact* ranging across an astonishing array of texts and ideas from the publication of the first British manual on double entry bookkeeping in 1588 to the institutionalization of statistics in the 1830s She shows how the production of systematic knowledge from descriptions of observed particulars influenced government how numerical representation became the privileged vehicle for generating useful facts and how belief whether figured as credit credibility or credulity remained essential to the production of knowledge Illuminating the epistemological conditions that have made modern social and economic knowledge possible *A History of the Modern Fact* provides important contributions to the history of political thought economics science and philosophy as well as to literary and cultural criticism Samuel Johnson, the Ossian Fraud, and the Celtic Revival in Great Britain and Ireland Thomas M. Curley,2009-04-16 James Macpherson s famous hoax publishing his own poems as the writings of the ancient Scots bard Ossian in the 1760s remains fascinating to scholars as the most successful literary fraud in history This study presents the fullest investigation of his deception to date by looking at the controversy from the point of view of Samuel Johnson Johnson s dispute with Macpherson was an argument with wide implications not only for literature but for the emerging national identities of the British nations during the Celtic revival Thomas M Curley offers a wealth of genuinely new information detailing as never before Johnson s involvement in the Ossian controversy his insistence on truth telling and his interaction with others in the debate The appendix reproduces a rare pamphlet against Ossian written with the assistance of Johnson himself This book will be an important addition to knowledge about both the Ossian controversy and Samuel Johnson *The Interpretation of Samuel Johnson* J. Clark,H. Erskine-Hill,2012-06-12 A major academic controversy has raged in recent years over the analysis of the political and religious commitments of Samuel Johnson the most commanding of the commanding heights of eighteenth century English

Life of Johnson James Boswell, 1998 This complete and unabridged edition is the only complete critical edition in paperback Samuel Johnson was a poet essayist dramatist and pioneering lexicographer but his continuing reputation depends less on his literary output than on the fortunate accident of finding an ideal biographer in James Boswell As Johnson's constant and admiring companion Boswell was able to record not only the outward events of his life but also the humour wit and sturdy common sense of his conversation His brilliant portrait of a major literary figure of the eighteenth century enriched by historical and social detail remains a monument to the art of biography Dryden, Pope, Johnson, Malone

Claude Rawson, 2014-03-27 Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally In this volume leading scholars assess the contribution of Alexander Pope John Dryden Samuel Johnson and Edmond Malone to the afterlife and reception of Shakespeare and his plays Each substantial contribution assesses the double impact of Shakespeare on the figure covered and of the figure on the understanding interpretation and appreciation of Shakespeare provide a sketch of their subject's intellectual and professional biography and an account of the wider cultural context including comparison with other figures or works within the same field *The Politics of Samuel Johnson* J. English Travel Narratives in the Eighteenth Century Jean Viviers, 2017-03-02 The eighteenth century commonly described as the age of the novel is also the golden age of travel narratives In this English edition of *Le R cit de voyage en Angleterre au XVIIIe si cle* the genre of the travel narrative receives a treatment based on its development in close relationship with fiction The book provides a survey of famous travel narratives James Boswell's journal of a tour to Corsica and account of his trip to Scotland with Samuel Johnson Laurence Sterne's enigmatic *Sentimental Journey* Tobias Smollett's *Travels through France and Italy* Negotiating between inventory and invention these texts invite a reconsideration of conventional generic distinctions They open up a literary space in which the full significance of the real and fictional journey motif can be explored

Philosophy, Ethics and a Common Humanity Christopher Cordner, 2012-04-27 The work of Raimond Gaita in books such as *Good and Evil* *An Absolute Conception* *A Common Humanity* and *The Philosopher's Dog* has made an outstanding and controversial contribution to philosophy and to the wider culture In this superb collection an international team of contributors explore issues across the wide range of Gaita's thought including the nature of good and evil philosophy and biography the unthinkable Plato and ancient philosophy Wittgenstein the religious dimensions of Gaita's work aspects of the Holocaust and aboriginal reconciliation in Australia

Scandal Nation Kathryn Temple, 2018-05-31

Kathryn Temple argues that eighteenth century Grub Street scandals involving print piracy forgery and copyright violation played a crucial role in the formation of British identity Britain's expanding print culture demanded new ways of thinking about business and art In this environment print scandals functioned as sites where national identity could be contested even as it was being formed Temple draws upon cases involving Samuel Richardson Samuel Johnson Catharine Macaulay and Mary Prince The public uproar around these controversies crossed class gender and regional boundaries reaching the Celtic periphery and the colonies Both print and spectacle both high and low these scandals raised important points of law but also drew on images of criminality and sexuality made familiar in the theater satirical prints broadsides even in wax museums Like print culture itself the scandal of print disputes constituted the nation and resistance to its formation Print transgression destabilized both the print industry and efforts to form national identity Temple concludes that these scandals represent print's escape from Britain's strenuous efforts to enlist it in the service of nation *Samuel Johnson and the Culture of Property*

Kevin Hart, 1999-09-28 Kevin Hart traces the vast literary legacy and reputation of Samuel Johnson Through detailed analyses of the biographers critics and epigones who carefully crafted and preserved Johnson's life for posterity Hart explores the emergence of what came to be called The Age of Johnson Hart shows how late seventeenth and early eighteenth century Britain experienced the emergence and consolidation of a rich and diverse culture of property In dedicating himself to Johnson's death Hart argues James Boswell turned his friend into a monument a piece of public property Through subtle analyses of copyright forgery and heritage in eighteenth century life this study traces the emergence of competing forms of cultural property a Hanoverian politics of property engages a Jacobite politics of land Kevin Hart places Samuel Johnson within this rich cultural context demonstrating how Johnson came to occupy a place at the heart of the English literary canon

Stepping Westward Nigel Leask, 2020-02-27 Stepping Westward is the first book dedicated to the literature of the Scottish Highland tour of 1720-1830 a major cultural phenomenon that attracted writers and artists like Pennant Johnson and Boswell William and Dorothy Wordsworth Coleridge Scott Hogg Keats Daniell and Turner as well as numerous less celebrated travellers and tourists Addressing more than a century's worth of literary and visual representations of the Highlands the book casts new light on how the tour developed a modern literature of place acting as a catalyst for thinking about improvement landscape and the shaping of British Scottish and Gaelic identities It pays attention to the relationship between travellers and the native Gaels whose world was plunged into crisis by rapid and forced social change At the book's core lie the best selling tours of Pennant and Dr Johnson associated with attempts to improve the intractable Gaidhealtachd in the wake of Culloden Alongside the Ossian craze and Gilpin's picturesque their books stimulated a wave of home tours from the 1770s through the romantic period including writing by women like Sarah Murray and Dorothy Wordsworth The incidence of published Highland Tours many lavishly illustrated peaked around 1800 but as the genre reached exhaustion the romantic Highlands were reinvented in Scott's poems and novels coinciding with steam boats and mass tourism but also rack

renting sheep clearance and emigration *Print Technology in Scotland and America, 1740-1800* Louis Kirk McAuley, 2013-11-07 In *Print Technology in Scotland and America* Louis Kirk McAuley investigates the mediation of popular political culture in Scotland and America from the transatlantic religious revivals known as the Great Awakening to the US presidential election of 1800. By focusing on Scotland and America and in particular the tension between unity and fragmentation that characterizes eighteenth century Scottish and American literature and culture, *Print Technology* aims to increase our understanding of how tensions within these corresponding political and cultural arenas altered the meaning of print as an instrument of empire and nation building. McAuley reveals how seemingly disparate events including journalism and literary forgery were instrumental and innovative deployments of print not as a liberation technology as Habermas's analysis of print's structural transformation of the public sphere suggests but as a mediator of political tensions.

1650-1850 Kevin L. Cope, 2019-04-01 With issue twenty four of 1650 1850 this annual enters its second quarter century with a new publisher a new look a new editorial board and a new commitment to intellectual and artistic exploration. As the diversely inventive essays in this first issue from the Bucknell University Press demonstrate the energy and open mindedness that made 1650 1850 a success continue to intensify. This first Bucknell issue includes a special feature that explores the use of sacred space in what was once incautiously called the age of reason. A suite of book reviews renews the 1650 1850 legacy of full length and unbridled evaluation of the best in contemporary Enlightenment scholarship. These lively and informative reviews celebrate the many years that book review editor Baerbel Czennia has served 1650 1850 and also make for an able handoff to Samara Anne Cahill of Nanyang Technological University who will edit the book review section beginning with our next volume. Most important of all this issue serves as an invitation to scholars to offer their most creative and thoughtful work for consideration for publication in 1650 1850. About the annual journal 1650 1850 1650 1850 publishes essays and reviews from and about a wide range of academic disciplines literature both in English and other languages philosophy art history history religion and science. Interdisciplinary in scope and approach 1650 1850 emphasizes aesthetic manifestations and applications of ideas and encourages studies that move between the arts and the sciences between the hard and the humane disciplines. The editors encourage proposals for special features that bring together five to seven essays on focused themes within its historical range from the Interregnum to the end of the first generation of Romantic writers. While also being open to more specialized or particular studies that match up with the general themes and goals of the journal 1650 1850 is in the first instance a journal about the artful presentation of ideas that welcomes good writing from its contributors. First published in 1994 1650 1850 is currently in its 24th volume. ISSN 1065 3112. Published by Bucknell University Press. Distributed worldwide by Rutgers University Press. *The Oxford Edition of the Works of Robert Burns* Robert Burns, 2014 The first volume in Oxford's new edition of *The Collected Works of Robert Burns* this volume brings together Burns' prose works for the first time. **Enlightenment Travel and British Identities** Mary-Ann Constantine, Nigel Leask, 2017-04-15

Weaving together science history antiquarianism and art this stimulating collection of essays amply demonstrates Thomas Pennant's centrality to a broad range of British Enlightenment debates and discourses especially those relating to Britain's so called Celtic Fringe At the same time it underscores the epistemological importance of travel and travel writing in the late eighteenth century Carl Thompson Senior Lecturer in English St Mary's University UK **A Political Biography of**

Samuel Johnson Nicholas Hudson,2015-10-06 Johnson rose from obscure origins to become a major literary figure of the eighteenth century Through a detailed survey of his major works and political journalism Hudson constructs a complex picture of Johnson as a moralist forced to accept the realistic nature of politics during an era of revolutionary transition

The 'Jewish Question' in German Literature, 1749-1939 Ritchie Robertson,2001-10-18 The Jewish Question in German Literature 1749 1939 is an erudite and searching literary study of the uneasy position of the Jews in Germany and Austria from the first pleas for Jewish emancipation during the Enlightenment to the eve of the Holocaust Trying to avoid hindsight and drawing on a wide range of literary texts Ritchie Robertson offers a close examination of attempts to construct a Jewish identity suitable for an increasingly secular world He examines both literary portrayals of Jews by Gentile writers whether antisemitic friendly or ambivalent and efforts to reinvent Jewish identities by the Jews themselves in response to antisemitism culminating in Zionism No other study by a single author deals with German Jewish relations so comprehensively and over such a long period of literary history Robertson's new work will prove stimulating for anyone interested in the modern Jewish experience as well as for scholars and students of German fiction prose and political culture

Scotland's Pariah Patrick O'Flaherty,2015-01-15 Scotland's Pariah is the first book to examine the remarkable life of John Pinkerton antiquarian poet forger cartographer historian serial adulterer bigamist and religious skeptic A pugnacious and persistent man of letters who knew and was admired by literary masters such as Edward Gibbon Horace Walpole and William Godwin Pinkerton's life was full of personal and professional misadventures Patrick O'Flaherty's biography presents an engrossing account of Pinkerton's life and works from his early years in Scotland to his Parisian exile covering his major editorial antiquarian and geographic works Examining Pinkerton's involvement in the London literary scene his conflicted relationship with the rise of Celtic nationalism and his response to early literary romanticism Scotland's Pariah is a shrewd and compassionate evaluation of an astonishing literary life
