Joseph Foveaux Anne-Maree Whitaker, 2000 This biography uncovers the role of Joseph Foveaux describing the worlds in which he moved the milieu of parliamentary politics and patronage in London and the colonies of Norfolk Island and New South Wales where he was lieutenant governor [The Governors of New South Wales 1788-2010](#) David Clune, 2009 This book contains biographical accounts of all 37 Governors of New South Wales from Arthur Phillip in 1788 to Marie Bashir Highlights of the book include John Hunter's amazing sea voyages the erratic career of the devious and foul tempered William Bligh the highly public clashes of Sir Hercules Robinson nicknamed the Crisis maker with Governments and Parliament the Boy's Own Naval career of the swashbuckling Sir Harry Rawson the extraordinary double life of Lord Beauchamp and the dramatic events surrounding Sir Philip Game's dismissal of Jack Lang Leading historians such as Brian Fletcher JM Bennett Geoffrey Bolton Graham Freudenberg Anne Twomey Chris Cunneen Ian Hancock Evan Williams and Rodney Cavalier tell of both extraordinary lives and the political and constitutional crises many had to face **Dreamers and Schemers** Frank Bongiorno, 2022-11-01 A landmark book the first full political history of Australia In this compelling and comprehensive work renowned historian Frank Bongiorno presents a social and cultural history of Australia's political life from pre settlement Indigenous systems to the present day Depicting a wonderful parade of dreamers and schemers Bongiorno surveys moments of political renewal and sheds fresh light on our democratic life From local pubs and meeting halls to the parliament and cabinet from pamphleteers and stump orators to party agents and operatives this enthralling account looks at the political insiders in the halls of power as well as the agitators and outsiders who sought to shape the nation from the margins A work of political history like no other Dreamers and Schemers will transform the way you look at Australian politics With acuity and grace Bongiorno divines the soul of the nation All told with a cheeky eye for detail and nose for skullduggery by a historian in full archival narrative and rhetorical flight A landmark work Clare Wright Bongiorno is one of our premier historians and this is his masterwork An original take on our politics and people written with an open mind and warm Australian heart George Megalogenis Penetrating and vividly written this a political history that broadens our understanding of politics one that offers genuinely fresh insights and resists tidy generalisations From First Nations politics to the democracy sausage Dreamers and Schemers never disappoints It will stand as one of the most essential works in Australian history for decades to come Mark McKenna Shortlisted for the Australian History Prize in the NSW Premier's History Awards **Jeremy Bentham and Australia** Tim Causer, Margot Finn, Philip Schofield, 2022-04-28 Jeremy Bentham and Australia is a collection of scholarship inspired by Bentham's writings on Australia These writings are available for the first time in authoritative form in Panopticon versus New South Wales and other writings on Australia a volume in The Collected Works of Jeremy Bentham published by UCL Press In the present collection a distinguished group of authors reflect on Bentham's Australian writings making original contributions to existing debates and setting agendas for future ones In the

first part of the collection the works are placed in their historical contexts while the second part provides a critical assessment of the historical accuracy and plausibility of Bentham's arguments against transportation from the British Isles In the third part attention turns to Bentham's claim that New South Wales had been illegally founded and to the imperial and colonial constitutional ramifications of that claim Here authors also discuss Bentham's work of 1831 in which he supports the establishment of a free colony on the southern coast of Australia In the final part authors shed light on the history of Bentham's panopticon penitentiary scheme his views on the punishment and reform of criminals and what role if any religion had to play in that regard and discuss apparently panopticon inspired institutions built in the Australian colonies This collection will appeal to readers interested in Bentham's life and thought the history of transportation from the British Isles and of British penal policy more generally colonial and imperial history Indigenous history legal and constitutional history and religious history

Highland Furies Victoria Schofield,2012-04-26 As the oldest of the Highland Regiments The Black Watch has an enviable roster of Battle Honours and a mystique born of repeated service on behalf of King Queen and country On the strength of her acclaimed biography of Field Marshal Earl Wavell the regimental trustees commissioned Victoria Schofield to write this the first volume of her magisterial history of the The Black Watch and have fully cooperated with her as she traces the story of the Regiment from its early 18th century beginnings through to the eve of the South African War at the end of the 19th century Originating as companies of highland men raised to keep a watch over the Highlands of Scotland they were formed into a regiment in 1739 Its soldiers would go on to fight with extraordinary bravery and lan in almost every major engagement fought by the British Army during this period from the American War of Independence the Peninsular Wars Waterloo the Crimea Indian Mutiny to Egypt and the Sudan Drawing on diaries letters and memoirs Victoria Schofield skilfully weaves the multiple strands of this story into an epic narrative of a valiant body of officers and men over one and a half centuries In her sure hands the story of The Black Watch is no arid recitation of campaigns dates and battle honours but is instead a rich and compelling record of the soldier s experience under fire and on campaign It is also a celebration of the deeds of a regiment that has played a unique role in British history and a vivid insight into the lives of the many remarkable figures who have marched and fought so proudly under its Colours
