## **Josephs Charge:**

Joseph Merrell M. Peters,2018-02-27 The story of Joseph shows us what hope looks like in this world Seventeen year old Joseph s life is shattered when he is betrayed by his nearest and dearest This betrayal tears apart Jacob s family Repeatedly family members misperceive situations and make wrong choices Yet through it all God is present The Lord majestically described in the opening verses of the Bible as the creator of the world shows in the concluding chapters of Genesis his loving concern for the vulnerable Joseph and the family that betrayed him God is in charge and he cares Through God s presence what appears to be a hopeless situation is transformed to a new situation where all are given what is necessary to live abundantly Although the radical nature of God s lovingkindness is not completely understood or acknowledged God continues to move forward with his plan Using concepts from the common law the author shows the organizational structure of this remarkable story and sets out the writer s argument concerning God s relationship with humanity Understanding the story of Joseph the reader gets pointed in the right direction for further exploration of Holy Scripture **Genesis** Joan E. Cook,2016-12-01 In the ongoing debate over the when and how our universe began Genesis chooses to answer the theological question Who set in motion the beginning of the heavens and the earth Once that question is answered by vivid and memorable stories the focus moves to ancestral stories that identify the roots and early branches of the Jewish family tree This same tree grows in Christian settings as the matriarchs and patriarchs of Genesis appear over and again in New Testament writings Given the growing interest in family genealogies in this commentary Joan Cook leads us to appreciate and delight in our ancient and awesome spiritual heritage as well We should not be surprised however to discover that our earliest spiritual kith and kin were guilty of deceit marital infidelity jealousy and murder But readers will learn that the God who created the heavens and the earth is also a forgiving and protective God the God of ancient time of our time of all time Joan E Cook SC teaches Scripture at Georgetown University in Washington DC She is author of Hannah s Desire God s Design Sheffield Academic Press 1999 and Hear O Heavens and Listen O Earth An Introduction to the Prophets Liturgical Press 2006 which won a first place Catholic Press Association award in 2007 Cook has also written numerous articles on biblical women and biblical prayer Also available with Little Rock Scripture Study The Children's Bible Charles Foster Kent Henry A. Sherman,2016-08-24 The Children s Bible provides in simple English a translation of selections from both the Old and the New Testament These selections have been made as a result of more than twenty five years of observation and study The text is that of the Bible itself but in the language of the child so that it may easily be read to the younger children and by those who are older It is not in words of one syllable for while the child is reading the Bible he should gradually learn the meaning of new words and idioms The Bible contains the foundations on which the religious life of the child must be built The immortal stories and songs of the Old and New Testaments are his richest inheritance from the past To give him this heritage in language and form that he can understand and enjoy is the duty and privilege of his parents and teachers It is

hoped that The Children's Bible will meet the need and the demand which parents and educators alike have long felt and often expressed for a simple translation of selections from the Bible most suited to the needs and the interests of the child. It is also believed that after the child has learned to appreciate and love these stories and songs he will be eager and able to read the Bible as a whole with genuine interest and understanding.

The Joseph Calling Os Hillman, 2017-05-16 What is your God-sized assignment? God has an assignment for you, a God-sized destiny for you to fulfill. How can you know what it is and what is the process to walk in that calling? The Joseph Calling presents six unique stages that many people pass through to fulfill their destiny. Such was the case for Joseph in the Bible; he was a dreamer with a calling. After being the favored son, his brothers betrayed him, which led to a thirteen-year journey of hardship, humble circumstances, accusations, and pain. But God used Joseph's adversities to fulfill a larger story: to be a spiritual and physical provider for others. Josephs today are men and women, old and young, who are set apart by God for his divine purposes. In The Joseph Calling, Os Hillman will help you embrace God's activity in your life, navigate through adversity, discover your calling, fulfill God's purpose for your life, and live an intentional and purpose-filled life.

Genesis Abraham Kuruvilla, 2014-02-17 Genesis: A Theological Commentary for Preachers engages hermeneutics for preaching, employing theological exegesis that enables the preacher to utilize all the narrative units of the book to craft effective sermons. This commentary unpacks the crucial link between Scripture and application: the theology of each preaching text, i.e., what the author is doing with what he is saying. Genesis is thus divided into thirty-five narrative units, and the theological focus of each is delineated. The overall theological trajectory (theme) of the book—divine blessing, creating for blessing (Gen 1:11), moving towards blessing (Gen 12:24), experiencing the blessing (Gen 25:36), and being a blessing (Gen 37:50)—is thus progressively developed. The specificity of these theological ideas for their respective texts makes possible a sequential homiletical movement through each pericope of the book, enabling the expositor to discover valid application for sermons. While the primary goal of the commentary is to take the preacher from text to theology, it also provides two sermon outlines for each of the thirty-five units of Genesis. The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Genesis, with an emphasis on application.

*Trusting God's Timing* Steven Stoffelsen, 2017-01-17 Many times Christians excitedly receive a promise or vision from God. From that moment forward, they want to tell the whole world what God is going to do in and through them. It's so exciting to have a promise from God. The Bible says, "Where there is no vision, the people perish" (Proverbs 29:18). But when God gives us a promise or vision, it takes time to see it fulfilled. Rarely is the vision for tomorrow or even the next year. It's for a certain time set by God. He shows it to you early, but He still wants to prepare you for the journey ahead. Many Christians get discouraged during this process and walk away from God. But so many people in the Bible, like Abraham, Joseph, and David, had to go through years of preparation before they saw their visions fulfilled. They waited a long time, probably longer than

most of us Be encouraged and don't let a thing called time destroy you before you even start God is for you and what He's promised He will bring to pass

**Temptations and Trials Faced by Bible Legends** Michael Kotch,2018-09-21 We all face temptations and trials in our lives and how we deal with these times can be defining moments in our lives So how do we choose the right thing instead of the easiest thing or the most pleasurable thing The best way for Christians to successfully respond to temptations and trials in their lives is to start with the Bible Temptations and Trials Faced by Bible Legends looks at temptations and trials that major characters of the Bible faced and author and psychologist Michael Kotch shows how these Bible legends tended to fall into one of three categories when faced with a major trial or temptation either they turned to God for guidance and did whatever God wanted them to do or they did not follow God with one group repenting for their disobedience and the other group simply continuing in the wrong direction In the end we can learn how doing what is right in God s eyes can be much different than doing what is right in our own and that the best outcomes follow from consulting with God God promises that we will never be tempted beyond our abilities and he will always provide us with a way out of our temptations and trials And for Christians when we read the Bible daily use it to create a plan of action and always do what is right according to God we can be confident in God s leadership as we develop a character in the image of Christ
