With a passion, burden, and commitment to address and meet the blatant need for authentic leadership and management training, Robert continues to teach and mentor Christian leaders and leaders in the making around the world. Three of his objectives are: 1. Provide this resource material in many languages. 2. Make this resource tool widely available to Christian workers, missions ministries, and the Church. 3. Assist in meeting the crying need for a new, strong, youthful, motivated, energetic, and visionary authentic managerial leadership characterized by godly principles and learned managerial skills. I trust that it is getting into the hands of a large number of leaders and managers in our Christian community who can certainly use the guidance and direction you supply. I was most pleased to note the number of times you quoted me and my writings in the manual. I'm complemented. I was pleased to note that it is being translated into other languages for leaders in other cultures. I trust that God will continue to use you and this type of training material to His glory for many years to come. Dr. Ted W. Engstrom, President Emeritus, World Vision.
