Martin, 2011-04-18 The proven strategies rational investors require for success in an irrational market When the dot com and real estate bubbles of the 1990s and 2000s burst few were spared the financial fallout So how did an investment advisory firm located in Elkhart Indiana one of the cities hit hardest by the economic downturns not only survive but also thrive during the highly contagious speculative pandemics By remaining rational In *A Decade of Delusions From Speculative Contagion to the Great Recession* Frank Martin founder of Elkhart Indiana's Martin Capital Management offers a riveting and real time insider's look at the two bubbles and reflects on how investors can remain rational even when markets are anything but Outlines strategies the average investor can use to wade through the endless news information and investment advice that bombards them Describes the epidemic of market speculation that gradually infects feverish investors Details how investors can spare themselves the emotional devastation and accompanying paralysis resulting from shocking financial losses Investors are still reeling from the instability in the market *A Decade of Delusions From Speculative Contagion to the Great Recession* provides the information investors need to achieve safety liquidity and yield

The 1950s William H. Young, 2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more

funniest comedy teams of all time Four of their 13 films are on the American Film Institute s list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor Let's Talk Turkey Rosemarie Ostler,2009-09-25 Respected linguist Ostler demystifies more than 150 colorful homegrown figures of speech She traces each saying from its first known appearance in print to its place in modern English uncovering a host of cultural and historical tidbits along the way

Holliday,2016-05-03 A vivid and engaging exploration of California s debt to the ancient world Discussing the influence of the classics on America is nothing new indeed classical antiquity could be considered second only to Christianity as a force in modeling America s national identity What has never been explored until now is how from the beginning Californians in particular chose to visually and culturally craft their new world using the rhetoric of classical antiquity Through a lively exploration of material culture literature and architecture American Arcadia offers a tour through California s development as a Mediterranean haven from the late nineteenth century to the present In

its earliest days California was touted as the last opportunity for alienated Yankees to establish the refined gentleman farmer culture envisioned by Jefferson and build new cities free of the filth and corruption of those they left back East Through architecture and landscape design Californians fashioned an Arcadian setting evocative of ancient Greece and Rome Later as Arcadia gave way to urban sprawl entire city plans were drafted to conjure classical antiquity self styled villas dotted the hills and utopian communities began to shape the state s social atmosphere Art historian Peter J Holliday traces the classical influence primarily through the evidence of material culture yet the book emphasizes the stories and people famous and forgotten behind the works such as Florence Yoch the renowned landscape designer and set designer for *Gone with the Wind* and Sister Aimee Semple McPherson the most publicized Christian evangelist of her day whose sermons filled the Pantheon like Angelus Temple Telling stories from the creation of the famed aqueducts that turned the semi arid landscape to a cornucopia of almonds alfalfa and oranges to the birth of the body sculpting movement American Arcadia offers readers a new way of seeing our past and ourselves

Guns N' Roses' Use Your Illusion I and II Eric Weisbard, 2007-01-01 It was the season of the blockbuster Between August 12 and November 26 1991 a whole slew of acts released albums that were supposed to sell millions of copies in the run up to Christmas Metallica Michael Jackson Pearl Jam Nirvana Garth Brooks MC Hammer and U2 all were competing for the attention of the record buying public at the same time But perhaps the most attention seeking act of all was Guns N Roses Their albums *Use Your Illusion 1* and *2* released on the same day were both 75 minute sprawlers with practically the same cover design an act of colossal arrogance On one level it worked The albums claimed the top two chart positions and ultimately sold 7 million copies each in the US alone On another level it was a disaster This was an album that Axl Rose has been unable to follow up in fifteen years It signaled the end of Guns N Roses of heavy metal on the Sunset Strip and the entire 1980s model of blockbuster pop rock promotion *Use Your Illusion* marked the end of rock as mass culture In this book Eric Weisbard shows how the album has matured into a work whose baroque excesses now have something to teach us about pop and the platforms it raises and lowers about a man who suddenly found himself praised to the firmament for every character trait that had hitherto marked him as an irredeemable loser
