Eternalism Dale

Armon Eaton, 2020-07-24 John A Widtsoe said The Gospel may be said to be The philosophy of Eternalism The Gospel is immersed in the ocean of eternity Neal A Maxwell said Eternalism is defined as that view of man and the universe which not only acknowledges but exults in the existence of a Heavenly Father Eternalism focuses on the individual and on those processes in which the individual is taught correct principles and then is given optimum opportunity to govern himself For those who believe we are all going to be around forever it is both natural and wise to concern ourselves with such questions and also with such principles which are also going to be around forever These quotes involving the word Eternalism indicate a deep philosophical foundation underlying everything about the restored gospel of Jesus Christ This book describes some of the philosophical foundations of what Latter day Saints call the Restoration In the broadest sense philosophy is concerned with mankind s relationship to existence whereas theology is concerned with mankind s relationship to God Both philosophy and theology are important to Latter Day Saints because one s view of God is greatly influenced by one s view of reality Eternalism then in the broadest sense is Latter day Saint theology explained within a philosophically sound structure

Principles of Hope Peter Nielsen, 2013-04-24

Peter has published his private and personal thoughts about Gods grace and love to his own soul It is often said that dynamite comes in small packages This little book fulfills that adage It will prove to be a living explosion of relevant and practical strength and encouragement from the Source of all wisdom Jesus Christ as it flows into your soul and spirit You will touch Gods heart of love as you read Peters first hand responses to Gods Loving instructions and promptings during his early morning quiet times with the Lord His deeply personal and practical commitment to and his undeniable love for God will challenge you to walk the walk with him When you know the story of Gods love in his life you will understand more fully why Peter often says his greatest desire is to finish his race strong for the sake of Christ His passionate prayer is to live to see thousands of people like you and me experience the healing hope and wholeness of spirit soul and body that he received through being committed to Christ

Guirguis-Younger, 2018-04-10 Inappropriate touch cases have sparked public outcry and made headlines but a discussion on the importance and ethics of positive caring appropriate touch in the helping professions such as teaching nursing and counselling is long overdue Touch may well be one of the least understood or talked about subjects in the helping professions A discussion on the importance and ethics of positive caring and appropriate touch in professions such as teaching nursing and counselling is long overdue Touch in the Helping Professions delivers just that weaving together scholarly evidence research and clinical practice from a wide range of perspectives encompassing philosophy theology psychology and anthropology to challenge assumptions about the role of touch in the helping professions The contributors to the volume focus not only on the overarching roles of gender age culture and life experience but go beyond to encompass canine assisted therapy touch deprivation sacred objects as well as key ethical considerations The prevailing lack of dialogue due to fear of contravening ethical boundaries has stood in the way of an open and responsible discussion on the use of touch in therapy Touch in the Helping Professions is a welcome and much needed contribution to the field a window onto a fundamental need Published in English **Stand** Marian Jordan Ellis, 2017-08-01 Your Darkest Moment Isn't Your Destiny In a frightening world it's tempting to question the promises of God Yet one word rings out in Scripture as a call to God's people stand From Moses at the Red Sea to Jesus with His disciples stand is the call to believe God and hold fast to His promises In Stand Marian Jordan Ellis explores what it looks like to be faithful in a crumbling world She addresses questions like these How do Christian leaders share God's good news in a culture that wants to silence their voices How do parents hold on to hope when their children are more in love with the world than with Jesus How do Christians battle the voices of shame and insecurity Stand looks at the stories of real people from Scripture and from today who chose to stand firm and win life Jesus promises that the evil of this present world is not our future reality Stand offers inspiration and practical tools to stand in your faith your convictions and your trust in a God who never fails **The Divine Virtues: 14 Values to Live By** Richard

The Budapest School of Psychoanalysis Arnold WM Rachman,2016-06-10 The Budapest School of Psychoanalysis brings together a collection of expertly written pieces on the influence of the Budapest Ferenczi conception of analytic theory and practice on the evolution of psychoanalysis It touches on major figures S ndor Ferenczi and Michael Balint whilst concurrently considering topics such as Ferenczi s clinical diary the study of trauma the Confusion of Tongues paradigm and Balint s perspective on supervision Further to this the book highlights Jacques Lacan s teaching of Ferenczi which brings a fresh perspective to a relatively unknown connection between them The book highlights that the Hungarian analysts influenced by Ferenczi through their pioneering work developed a psychoanalytic paradigm which became an alternative to the Freudian tradition That this paradigm has become recognised and admired in its own right underlines the need to clearly outline as this book does the historical context and the output of those who are writing and working in the tradition of the Budapest School The contributions to this volume demonstrate the widespread and enduring influence of the Budapest School on contemporary psychoanalysis The contributors are amongst the foremost in Budapest School scholarship and the insights they offer are at once profound as well as insightful This book is an important read for those practitioners and students of psychoanalysis who wish for an insight into the early and developing years of the Budapest School of Psychoanalysis and its impact on contemporary clinical practice

Believing History Richard Lyman Bushman,2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book s ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book s fascination with records translation and history Yet

Believing History also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world Believing History offers many surprises Believers will learn that Joseph Smith is more than an icon and non believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman s arguments he provides us with a provocative and open look at a believing historian studying his own faith
