Urban Encounters Helen Liggett, 2003 American intellectuals tend to envision the modern city as a dystopia their perception of urban life influenced by negative stereotypes and fictional depictions in popular culture the author challenges this fatalism by approaching the city as a vibrant lived space Combining a sophisticated critique of the urban with striking street level images the author reclaims the human experience of the city The Faithful Witness Randy Martinez, Rebecca Bigler, 2011-05-12 God's revelation to man has always been through His Son Jesus Christ Apostolic Christianity is built on the revelation of Jesus and is centralized around His life death resurrection ascension pre existence session His return and His kingdom In Him are all the treasures of wisdom and knowledge and in Him the mystery of the will of God has been made known to us On the road to Emmaus Jesus took the disciples on a journey through the law the psalms and the prophets interpreting for them everything concerning Himself Upon journeying through the Scriptures the disciples proclaimed Did not our hearts burn within us while He talked with us on the road when He opened the Scriptures Encountering the beauty of Jesus Christ causes the human heart to come alive to love and releases the grace to walk as He walked This study guide takes you on the same journey through the Scriptures from Genesis to Revelation beholding everything concerning Jesus Christ Power and Place Gregory Stevenson, 2012-08-06 Archaeological epigraphic numismatic and historical research is used to illuminate the meaning and function of temples in both Jewish and Greco Roman cultures This evidence is then brought into a dialogue with a literary analysis of how the temple functions as a symbol in Revelation *Bearing Witness in Acts and Today* Troy M. Troftgruben, 2025-05-16 Many people have mixed reactions to conventional ideas of evangelism And yet in Scripture Jesus invites his followers to engage in faithful witness in the world In a society as complicated as ours where people have had many positive and negative experiences with Christianity what does constructive and faithful witness look like This book reengages the call of Jesus in Acts to bear witness faithfully The book explores how witness takes shape in Acts why that matters and what that might mean for today Each chapter focuses on Scripture passages from Acts examples of the early church engaged in witness and reflections on faithful witness today Nearly all Scripture passages appear in the Revised Common Lectionary for worship making them more familiar Each

chapter concludes with discussion questions resources and suggestions These resources allow readers to engage in Scripture and reflection as individuals and as communities about faithful witness today Bearing Witness in Acts and Today invites readers into deeper engagement with the story of Acts the faithful witness of early church communities and the call of Jesus for today **Exposition of the Book of Revelation, in a Series of Lectures** Edward Irving, 1831 **The New**

Testament Church John P. Harrison, James D. Dvorak, 2012-05-01 Christian communities today face enormous challenges in the new contexts and teachings that try to redefine what churches should be Christians look to the New Testament for a pattern for the church but the New Testament does not present a totally uniform picture of the structure leadership and sacraments practiced by first century congregations There was a unity of the Christian communities centered on the teaching that Jesus is the Christ whom God has raised from the dead and has enthroned as Lord yet not every assembly did exactly the same thing and saw themselves in exactly the same way Rather in the New Testament we find a collage of rich theological insights into what it means to be the church When leaders of today see this diversity they can look for New Testament ecclesiologies that are most relevant to the social and cultural context in which their community lives This volume of essays written with the latest scholarship highlights the uniqueness of individual ecclesiologies of the various New Testament documents and their core unifying themes **Union with the Resurrected Christ** G. K. Beale, 2023-04-25 Southwestern

Journal of Theology 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus s resurrection and ascension In this follow up to his monumental A New Testament Biblical Theology G K Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension Beale explains that Christ s resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology Revelation and the Two Witnesses Rob

Dalrymple, 2011-06-10 The account of the two witnesses in Revelation 11 has been the subject of much intrigue over the years Popular theologians have attempted to identify them with two individuals perhaps Moses and Elijah In Revelation and the Two Witnesses Rob Dalrymple offers a thorough exegesis of Revelation 11 and concludes that the account of the two witnesses is the primary account in Revelation that depicts the people of God Who are they What is their commission What was John s message to seven churches and to us Whoever they are we know this they have a commission they will suffer for it and in the end they are resurrected **The Revelation of Jesus Christ** Jennifer McGaw Phelps, Matthew

Peters,2005 The Mandate of the Church in the Apocalypse of John fills a gap in the scholarly literature on the Apocalypse of John by offering a comprehensive discussion of what the Church is called upon to be and do It delineates various tasks and functions of the Church showing how they relate to one another and also how they are all unified under the mandate to provide faithful witness to Jesus With its strong emphasis on the ethical concerns of the Apocalypse this book challenges the view that John's Apocalypse is sub-Christian in its ethics **REVELATION 52 Devotions** Steven J. Ottolini, PhD,2024-07-30 Cover When modern Christians are asked Do you read the book of Revelation many will shrug their shoulders admitting It's too difficult to read It is too scary to read or I can't understand it The book of Revelation is part of the canon of Scripture and should be read by all students of the Bible It is a book of hope and encouragement and the reader is to receive a blessing through it This book of devotions from the book of Revelation will lead you to heights of worship to God's Lamb Jesus Christ The commentary in each devotion will open your eyes to see the wonders of God's purpose in the world through His beloved Son This book will inspire you to say with the angels and the multitude of the redeemed Hallelujah For the Lord our God the Almighty reigns Rev 19:6b The Testimony of a Faithful Witness to the Truth; Sermons ... By Charles Phelpes. [With the Text.]** ,1678 *The Faithfulness of Jesus the Messiah* Walter D. Zorn,2020-10-26 Strange how one little word the Greek word pistis can make a profound difference in understanding the Bible Pistis is usually translated faith but in different contexts of the New Testament the word can have several other meanings such as faithfulness

trustworthiness solemn promise or oath proof or pledge conviction and doctrine of the Christian faith This book will challenge the reader's understanding of Paul's expression *pistis Christou* faith faithfulness of Christ and the use of the *pistis* word group verb noun and adjective throughout the New Testament Given the Old Testament background to this word one will learn how the apostle Paul utilized an obscure phrase from the prophet Habakkuk to refer to a coming Messiah who in turn lived in faithfulness to the Father's will to die on a cross for the sins of the world This book will reveal how the gospel is emphasized throughout the New Testament in terms of the faithfulness of Jesus the Messiah New and fresh interpretations of various texts will challenge the traditional understandings of such texts When a person comprehends *pistis* as God's faithfulness and the Messiah's faithfulness the only human response is *pistis* itself meaning faithfulness as described in Hebrews 11 God is faithful and Jesus is faithful Will he find us faithful

A Better Understanding (Vol. 2) G. Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in another's hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others
