Job Hunters Sourcebook A Thomson Gale:

Job Hunters Sourcebook 6 Gale Group, 2004-07 Job Hunter's Sourcebook pulls together all the research and resources needed for a successful job hunt into one central place. Included in this edition are 13,867 entries. Entries may appear in multiple sections. Part One profiles 216 high interest professional and vocational occupations from accountant and aircraft mechanic to sports official and stockbroker. A Master List of Profiled Professions lists alternate popular synonymous and related job titles and links them to the jobs profiled providing quick access to information sources on specific occupations by all their variant names. Entries contain complete contact information and are arranged by type of resource. Part Two serves as a clearinghouse in organizing the wide ranging information available to today's job seeker. It features such topics as resume resources, alternative ways to work and opportunities for a diverse work force. Sources of Essential Job Hunting Information addresses 32 employment topics such as resume writing, interviewing skills, employment issues for disabled workers, working from home and electronic job search information. Each category features a multitude of sources including reference works, online and database services, software programs and more. Entries contain complete contact information.
