Jock Stein:

The Management Michael Grant, Rob Robertson, 2011-09-01 an outstanding piece of work utterly compelling Scotland on Sunday Why has Scotland produced so many of the best football managers in the world Based on exclusive interviews with the men themselves their players or close friends and family Michael Grant and Rob Robertson delve into the very heart of Scottish life society and football to reveal the huge contribution that managers such as Sir Alex Ferguson Sir Matt Busby Bill Shankly Jock Stein Jim McLean Kenny Dalglish Walter Smith and a host of others have made to the world game This original brilliantly realised and critically acclaimed study profiles the character and methods of each of the great Scottish managers analysing their strengths and weaknesses and examines their impact on both club and international football It is a deeply researched and compelling story which presents new material on many of the greats particularly Busby and Stein and highlights the enormous Old Firm contributions of among others Willie Maley Bill Struth and Graeme Souness

Jock Stein Archie Macpherson, 2005 Archie Macpherson's bestselling biography reappraises Jock Stein's career and looks closely at the personality of the man whose shrewdness and cunning stamped him eventually with greatness In examining the strengths and the weaknesses of this major figure Macpherson's compelling narrative will nevertheless lead no one to doubt the sincerity of Bill Shankly's ultimate accolade to Stein in 1967 John you are immortal now

Jock Stein David Potter, Tom Campbell, 2012-03-23 I am proud to say that I knew Jock Stein as a football manager as a colleague and as a friend he was the greatest manager in British football men like Jock will live forever in the memory Sir Alex Ferguson During his long reign at Celtic Jock Stein was a legendary figure in the world of football He led a youthful Celtic side to a memorable European Cup triumph in Lisbon in 1967 and was in charge of the home grown Celtic teams which won nine Scottish league championships in a row as well as numerous domestic trophies Tom Campbell and David Potter have produced an affectionate and in depth portrait of Stein but are not afraid to delve below the surface of the legend to examine the manager's mistakes and failings as well as his triumphs and strengths Calling upon such expert witnesses as Bobby Murdoch Ronnie Simpson and Charlie Gallagher and on a host of other important figures in the game this book presents a detailed and fully rounded picture of a man who at the height of his powers at Celtic Park revolutionised the game of football in Scotland

Red or Dead David Peace, 2014-05-27 A New York Times Editors Choice The stuff of great literature The New York Times Red or Dead is a winner The Washington Post The place where the swinging sixties started Liverpool England birthplace of the Beatles wasn't so swinging Amid industrial blight and a bad economy the port town's shipping industry was going bust and there was widespread unemployment with no

assistance from a government tightening its belt Even the Beatles moved to London Into these hard times walked Bill Shankly a former Scottish coal miner who took over the city's perpetually last place soccer team He had a straightforward work ethic and a favorite song a silly pop song done by a local band You'll Never Walk Alone Soon he would have entire stadiums singing along tens of thousands of people all dressed in the team color red as Liverpool began to win And soon too there was something else those thousands of people would chant as one Shank lee Shank lee In Red or Dead the acclaimed writer David Peace tells the stirring story of the real life working class hero who lifted the spirits of an entire city in turbulent times But Red or Dead is more than a fictional biography of a real man and more than a thrilling novel about sports It is an epic novel that transcends those categories until there's nothing left to call it but as many of the world's leading newspapers already have a masterpiece

Cowshed to the Kop Peter Cormack,2012-05-10 In a playing career spanning nearly two decades Peter Cormack became a real fans favourite both at Hibernian FC and with the mighty Liverpool team of the 1970s Snatched from under the noses of local rivals Hearts Peter Cormack soon established himself as a skilful and immensely talented midfielder in an excellent Hibs side and went on to score 75 goals in 182 appearances including in the legendary game against Napoli when Hibs beat the Italian giants 5 0 at Easter Road to overturn a seemingly impossible 4 1 deficit In 1970 he moved to Nottingham Forest partly as a result of receiving a 12 match ban for two consecutive red cards and realizing it was finally time to move on After Forest were relegated Peter Cormack was signed for Liverpool by the legendary Bill Shankly and joined Reds heroes Kevin Keegan Tommy Smith and Emlyn Hughes in a team that would later go on to conquer the footballing world In Cormack s time however Liverpool were warming up for European Cup glory with a League Championship a UEFA Cup double and an FA Cup victory After a serious injury Ray Kennedy took over his role in the team and Cormack s time at Liverpool came to an abrupt end Following a stint at Bristol City and a short time playing alongside George Best back at Hibs Cormack went into football management with mixed fortunes but his lasting achievements in the game both north and south of the border are told with honesty and humour along with some rare insights into some of the greats of the game *Celtic: The Awakening*

Alex Gordon,2013-03-14 Celtic strode majestically into the history books in 1967 as the first British club to conquer Europe and the iconic photograph of captain Billy McNeill holding aloft the glittering European Cup in the Lisbon sunshine is the defining image of that footballing era Yet at the start of the decade Celtic were a team plagued by defeats and in disarray both on and off the field What brought about their remarkable transformation In *Celtic The Awakening* Alex Gordon enters uncharted territory to investigate the story of Celtic in the 1960s an extraordinary decade in the club s roller coaster 125 year history Players of the era good bad and indifferent are interviewed in depth in an attempt to unravel one of football s greatest mysteries Sweeping through the 60s and beyond *Celtic The Awakening* details the previously untold story of how a proud club rose from grief to glory from dismay to delight **There is a Bonny Fitba Team** Ted Brack,2009-05-19 There Is

Stephen Sullivan,2013-10-08 Sean Fallon is one of British football s great untold stories For the first time the Celtic legend speaks candidly about his time as right hand man to Jock Stein and how together they ruled Scottish football and conquered Europe with the Lisbon Lions We learn how the Irishman shaped Celtic s glory era of the 1960s and 70s by signing not only the majority of the Lions but also players such as Kenny Dalglish Danny McGrain Lou Macari George Connelly Davie Hay Pat Bonner and Paul McStay Fallon also reflects on his stellar playing career including the 7 1 League Cup final win over Rangers in 1957 the lean years of the early 1960s and the uneasy final stages of his and Stein s tenure at Celtic His own oft underestimated role is illuminated by revealing interviews with the likes of Sir Alex Ferguson Kenny Dalglish current Celtic boss Neil Lennon chief executive Peter Lawwell Stein s son George Sean s family and former colleagues **Craig Brown -**

The Game of My Life Craig Brown,2013-02-28 Craig Brown was the first Scotland manager to take his side to the European Championship and World Cup Finals in succession He began his career as a professional footballer and was a member of Dundee s championship winning side in 1962 the only time the club has ever won the title However a knee injury brought a promising career to a premature end and it was to be as a manager that Craig s talents really shone through In this autobiography he talks about the thrills and spills of this relentlessly demanding job and takes us behind the scenes into the dressing room with its tensions decisions and celebrations **Celtic** Gerard McDade,2013-02-21 Celtic The Supersonic 70s

Line: My Autobiography Packie Bonner,2015-10-01 Irish national hero a Celtic great and their most capped player Patrick

Packie Bonner is a goalkeeping legend. He was Jock Stein's last signing for the club when he left his native Donegal for the city of Glasgow in 1978 where Packie evolved from being a shy homesick teenager into a confident world class talent and first choice goalkeeper. Billy McNeill handed him a debut on St Patrick's Day in 1979 and Packie went on to provide the last line of defence a record 641 times for the club. A seasoned Irish internationalist Packie was a vital component in the most celebrated Irish national squad ever playing in a golden era under the tutelage of the inimitable Jack Charlton. In *The Last Line* Packie shares stories from his incredible career including his greatest moment in front of a global audience during the Italia 90 World Cup tournament when he became the penalty shoot out hero of the nation by saving a spot kick that took the Irish to the quarter finals stage in their very first World Cup adventure. It was an iconic moment that would change his life forever not least because whilst in Italy he along with his teammates had an audience with another goalkeeper Pope John Paul II. Throughout his 80 cap international career he competed against the very best in the world. Men such as Ruud Gullit, Marco Van Basten, Gheorghe Hagi, Roberto Baggio and Gary Lineker came to know the name Packie Bonner. Equally in his glittering Celtic career that included the winning of four Scottish League titles, three Scottish Cups and one Scottish League Cup, Packie Bonner played alongside some great Celtic names like Tommy Burns, Paul McStay and Murdo Macleod. Along the way Packie had to endure a career threatening back injury as well as the devastation of a routine save going wrong and costing a goal on the world stage against Holland in 1994 ultimately leading to elimination from the World Cup in America. More than just the telling of trophies, titles and triumphs, this is the story of a Celtic legend and a true great of Irish International football.

The Lisbon Lions Billy McNeill, Jim Craig, Tommy Gemmell, 2007-05-03. On May 25 1967 Celtic Football Club made history by becoming the first British team to win the European Cup. Eleven players all born within a 30 mile radius of Celtic Park beat the Italian aristocrats of Inter Milan and took their place forever in the annals of fame. This is the story four decades after that memorable triumph in the Portuguese capital of each of the eight surviving Lisbon Lions their own official take on exactly what happened before, during and after that never to be forgotten encounter that shook the football world. Remarkably the Lions have never sat down in the intervening 40 years and put their exclusive thoughts together in one book. This is that unique book. Billy McNeill, Jim Craig, Tommy Gemmell, John Clark, Willie Wallace, Stevie Chalmers, Bertie Auld and Bobby Lennox give their forthright views on the march towards Lisbon and a place in football history. Who was the Lisbon Lion who thought the European Cup Final was the easiest game of the season? Who now admits he made life difficult for Jock Stein? Who was the player who was conned by the Celtic manager? Which Lion had a running battle with his team mates throughout the European Cup Final? And who thought Celtic had won the trophy before the kick off? All is revealed. The Lions also give fascinating and thought provoking insights to manager supreme Jock Stein, goalkeeper extraordinary Ronnie Simpson, midfield master Bobby Murdoch and the incomparable Jimmy Johnstone. Candid, frank and funny. *The Lisbon Lions: The Real Inside Story* reveals the secrets of Lisbon 1967 unlocked by the men who knew the inside.
