Money Can't Buy Us Love Gavin Buckland,2019-08-08 In 1960 the wealthy owner of the Merseyside based Littlewoods corporation John Moores took control of Everton Football Club setting in motion a chain of events that still affect the game in this country today Everton had enjoyed success before Moores s takeover but things would never be the same again from the moment he walked through Goodison s doors Although big clubs had spent money before none had done so with such naked short term ambition and a ruthlessness to succeed that sent shockwaves through the previously stagnant world of English football The new owner s ruthless streak was personified by his first major move sacking the popular Johnny Carey in the back of a London taxi in April 1961 Everton would finish that 1960 61 season in fifth place their highest position since World War Two but the Irishman s affable nature cost him his job In his place Moores wanted a man in his own image to lead the club forward and he soon found him Harry Catterick Catterick was little over 40 years old and had been an Everton player himself only ten years before But as a boss he exuded an aura that demanded respect and obedience from his players It was a characteristic that won him few fans but plenty of trophies and across the decade Everton reasserted themselves as one of English football s powerhouses winning two league titles and an FA Cup Catterick s ability to nurture young products of the

club's youth set up such as Colin Harvey and Joe Royle was trumped only by his mastery of the transfer market allowing him to sign the great Howard Kendall from Preston North End and World Cup winner Alan Ball from under his rivals noses Harvey Kendall and Ball would soon form the club's greatest midfield trio and their brilliance would underpin the 1969 70 title win a victory for free flowing football in an era of cynicism That trophy would be Everton's last major honour for 14 years In Money Can't Buy Us Love Everton's official statistician Gavin Buckland tells the tale of how Moores and manager Harry Catterick took the so called Mersey Millionaires to the summit of English football in the context of the major cultural changes of the time The book provides a forensic character study of both Catterick and Moores and also delves into the archives to provide a definitive account of the incidents that rocked the club in a fruitful but turbulent decade including allegations of doping in the 1962 63 campaign the 1964 match fixing scandal which signalled the end of Tony Kay's career and the shock sale of Alan Ball Money Can't Buy Us Love offers fascinating insight into how strong personalities can take a team to the very top but can also cause in its ultimate downfall *In Search of Duncan Ferguson* Alan Pattullo, 2014-09-11

He was one of the hardest most controversial footballers of his generation the 20million man who became the first professional player to go to jail for an offence committed on the field of play He was the fans hero who disappeared Duncan Ferguson was an old fashioned Scottish centre forward who went from a boarding house in Dundee to the marble staircase of Rangers in a record breaking transfer His 4m move from Dundee United to Ibrox made him British football's most expensive native player But he would also become one of the most notorious footballers in the land Sent to prison after head butting an opponent during a Scottish Premier Division match between Rangers and Raith Rovers Ferguson made history all over again He served half of a three month sentence in Glasgow's infamous Barlinnie Prison A twelve match ban from the Scottish Football Association was later overturned following a long appeal process Bruised by the experience he turned his back on Scotland's national team and the media Ferguson reaped the riches of the Sky era He was a folk hero at Everton where he spent ten years either side of an injury hit spell at Newcastle United Although the game made him a millionaire he rejected its new culture of celebrity and remained a fiery figure racking up a Premiership record of eight red cards And then after scoring in the final minute of the last game of his career he turned his back on football completely or so it seemed **David Weir: Extra Time - My Autobiography** David Weir, 2011-09-15 David Weir's career is a tale of triumph on the pitch but also of victory over the assumption all top level footballers are finished in their mid 30s Weir who turned 41 in May 2011 is the oldest outfield player to represent Rangers since 1945 passing the mark set by their famous full back Jock Tiger Shaw In this revealing autobiography Weir gives an insight into the high of playing in the 1998 World Cup finals for his country to the low of the chaotic 2 2 draw in the Faroes four years later which led to his decision to stop playing for Scotland For the first time he gives his side of the story How he felt Berti Vogts Scotland's boss used him as a scapegoat Many felt Weir's international career would end on that sour note and that his club career was approaching its conclusion too He was 32 and David Moyes

his manager at Everton made no secret he was on the lookout for new younger defenders Like thousands of footballers before him Weir could just have accepted his time was up He had a young family and a father who was suffering from Alzheimer s to help care for and self doubt gnawed at him Could he cut it any more Instead he moved to Rangers in January 2007 making his debut for his childhood favourites at a mere 36 years and 236 days and has helped them to eight trophies since and a European final in 2008 Weir s is a story of battling against the odds to keep playing at the top level and proving he could despite the doubts of others and indeed himself John Giles: A Football Man - My Autobiography John Giles,2010-11-11 The dream was football John Giles had a gift At the age of three he could kick a ball the way it was supposed to be kicked And he knew that every hour that passed without kicking a ball was an hour wasted It was the same dream that most of the kids had at that time In A Football Man Giles tells the story of a dream pursued and realised beyond his wildest imaginings from his humble beginnings in Ormond Square in 1940s Dublin counting down the minutes to his next game of football to that unforgettable moment when the original football man his dad Dickie announced that his young son at just fourteen was on his way to Manchester United What I didn t realise was that my dream would come true Full of anecdote insight and wry humour Giles recounts his rise through the ranks at Manchester United before and after the Munich Disaster the great players he knew the good and the bad times under Matt Busby his sensational debut for Ireland which he served as player and manager his starring role in the brilliant controversial Leeds United of the 60s and 70s and his challenge to the portrayal of himself and Brian Clough in The Damned United He also describes his enduring friendship with the kid from across Dublin s Tolka Park Eamon Dunphy and his career on RT 2 s football panel where Giles intelligent and insightful analysis have made him an even more well loved and respected national figure **Fine Margins** Richard Buxton,2020-08-31 Fine Margins is the definitive story of how two mainstays of English football took their feuding on to the game s biggest stages The Manchester City and Liverpool rivalry is synonymous with the Premier League but its roots go back much further For over half a century these two clubs from opposite ends of the M62 have been perennial thorns in each other s side Bill Shankly laid the groundwork in the late 1960s before a series of clashes a decade later further stoked the fires culminating in an attack on City s team bus in 1981 after they beat Liverpool 3 1 at Anfield The feud was reignited in the mid 1990s when Liverpool relegated City on the final day of the 1995 96 Premier League season When they returned to the top flight Manchester s blue half became the scourge of Merseyside s Redmen snatching players and points away from them Countless managers players and directors have continued what started in the Bill Shankly era with the rivalry ramped up a notch through the reigns of Pep Guardiola and J rgen Klopp Doctor to the World Champions Neil Phillips,2015-05-22 This book tells the story of a career spent in Sport and Medicine with the author eventually included in England s World Cup winning squad of 1966 Enjoy the incredible story Wayne Rooney: Boots of Gold John Sweeney,2012-04-30 This book is not your usual whitewash Irreverent hilarious and surprising Wayne Rooney Boots of Gold is a tart and all biography of England s
