**Philipp Spitta**

## **Johann Sebastian Bach His Work:**

**Johann Sebastian Bach** Philipp Spitta, 1899 Shows the growth of an English village from a medieval clearing to the urban congestion of the present day as seen from the same viewpoint approximately every hundred years **Johann Sebastian Bach** Philipp Spitta, 1992-01-01 This monumental study of Johann Sebastian Bach ranks among the great classics of musicology Since its first publication in 1873 80 it has remained the basic work on Bach and the foundation of later research and study The three part treatment describes in chronological sequence practically everything that is known of the composer s life his ancestry his immediate family his associations his employers and the countless occasions on which his musical genius emerged Author Philipp Spitta accompanies this biographical material with quotations from primary sources correspondence family records diaries official documents and more In addition to biographical data Spitta reviews Bach s musical production with analyses of more than 500 pieces covering all the important works More than 450 musical excerpts are included in the main text and a 43 page musical supplement illustrates longer passages Despite the scholarly nature of this work it also has the rare distinction of being a study that can be read with considerable enjoyment and great profit by every serious music lover with or without a substantial background in the history of music or musical theory Johann Sebastian Bach, His Work and Influence on the Music of Germany, 1685-1750 Philipp Spitta, 1885 *Johann Sebastian Bach* Johann Nikolaus Forkel, 1920 Johann Sebastian Bach Philipp Spitta, 1884 *Johann Sebastian Bach, his work and influence on the music of Germany, tr. by C. Bell and J.A. Fuller-Maitland* Julius August Philipp Spitta, 1885 **Johann Sebastian Bach** Philipp Spitta, 2018-07-19 **Johann Sebastian Bach** Johann Nikolaus Forkel, 1920 JOHANN SEBASTIAN BACH, PHILIPP. SPITTA, 2018 J. S. Bach: The 15 (Two-part) Inventions J.S. Bach, 2012-02-27 A masterful collection of 15 Bach Inventions transcribed for classic guitar solo performance Each invention is preceded by an optional prelude the original score is also shown for each invention A companion recording is available online A wonderful addition to the performance library of any guitarist **Johann Sebastian Bach** Clara Bell, Philipp Spitta, 2015-10-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Johann Sebastian Bach Clara

Bell, Philipp Spitta, 2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Johann Sebastian Bach, His Work and Influence on the Music of Germany, 1685-1750, Vol. 1 of 3 Philipp Spitta, 2015-06-25 Excerpt from Johann Sebastian Bach His Work and Influence on the Music of Germany 1685 1750 Vol 1 of 3 Its statements would be entitled to our belief if only from its having first seen the light at a time when Bach's memory was still fresh and in the city where he had lived and laboured for twenty seven years and this is confirmed by the fact that it was compiled by Karl Philipp Emanuel Bach the composer's second son and by Johann Friederich Agricola one of the most distinguished of his pupils It is obvious that they combined for this work because Agricola had enjoyed the benefit of Sebastian Bach's instructions at a time when his son had quitted the paternal roof and so had personal knowledge of some circumstances which Philipp Emanuel Bach had learned only indirectly Agricola also contributed to Jakob Adlung's Musica Mechanica Organ di Berlin 1768 a number of valuable notes regarding his illustrious teacher The simple picture of Bach's life and artistic powers which the Necrology contains with a summary review of his compositions has been transcribed by almost all the later biographers so called Thus in the first place Johann Adam Hiller in his Lebensbeschreibungen berühmter Musikgelehrten und Tonkünstler neuerer Zeit

Part I pages 9 to 29 Leipzig 1784 He was followed by Ernst Ludwig Gerber Historisch Biographisches Lexicon der Tonkünstler Part I col 86 Leipzig 1790 who does not seem to have known whence Hiller had derived his information Still even in Gerber we here and in other places come upon original observations worthy of remark founded on statements supplied by his father who had been Sebastian Bach's pupil A curious production in the way of a biography occurs in Hirsching Historisch literarisches Handbuch der hmtler und denkwürdiger Personen welche im achtzehnten Jahrhundert gestorben sind Vol I page 77 Leipzig 1794 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Johann Sebastian Bach: His Life, Art, and Work Johann Nikolaus Forkel, 2023-10-05 Johann Nikolaus Forkel's Johann Sebastian Bach His Life Art and Work serves as a pioneering biographical inquiry into the life and contributions of one of the foremost composers in Western music history Published in the late 18th century Forkel's work intertwines meticulous biographical details with a critical analysis of Bach's compositions utilizing a narrative style that is both engaging and richly informative This seminal text not only contextualizes Bach within the traditions of his time but also explores the profound emotional and intellectual depth of his music providing readers with insights into the cultural and artistic milieu of the Baroque period Forkel a distinguished musicologist and one of Bach's earliest biographers was deeply influenced by his own background as a musician and a scholar His close association with Bach's music and his commitment to the understanding of musical form and theory prompted him to undertake this extensive study In compiling letters anecdotes and musical insights Forkel forged a legacy that honors Bach's genius while furthering contemporary appreciation of the composer's artistry and innovations This book is an essential read for anyone interested in the intricacies of Bach's life and the evolution of classical music Forkel's work not only enlightens the reader about Bach's profound impact on music but also invites a deeper contemplation of the artistic endeavor itself making it an indispensable resource for both scholars and music enthusiasts alike **Johann Sebastian Bach** John Alexander Fuller-Maitland, Clara Bell, Philipp Spitta, 2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book Johann Sebastian Bach, His Work and Influence on the Music of Germany, 1685-1750 Philipp Spitta, 1951 *Johann Sebastian Bach* PHILIPP. SPITTA, 1899
