**John Calvin's Favorite Son** Robert L. Carothers, 1980-01-01      **The Fatherhood of God in John Calvin's Thought** Karin Spiecker Stetina, 2016-03-01 Against the backdrop of feminist critique Karin Spiecker Stetina gives us a thorough study of John Calvin's ideas on the fatherhood of God After looking briefly at Calvin's own experience of fatherhood the author looks in depth at his epistemology and then his imagery for God as Father against the background of the biblical and historical doctrine This intriguing study allows us through the lens of the reformer's theology to look again at what we mean by God as Father and believers as sons and daughters of the living God      **John Calvin's Bible Commentaries On Jeremiah 30- 47** John Calvin, The Commentaries On Jeremiah like those on The Minor Prophets were delivered as Lectures In The Theological School At Geneva taken down by some of the Pupils and afterwards read to Calvin and corrected We find in them the production of the same vigorous and expansive mind The Divine Oracles are faithfully explained the meaning is clearly stated and such brief deductions are made as the subjects legitimately warrant Though the Lectures were extemporaneously delivered there is yet so much order preserved and such brevity clearness and suitableness of diction are found in them that in these respects they nearly equal the most finished compositions of Calvin as proof that he possessed a mind of no common order The Ministry Of Jeremiah extended over a large space of time from the thirteenth year of Josiah's reign till after the final overthrow of the nation but for how long after that period it is not known fA1 Between the thirteenth year of Josiah and the destruction of the city and Temple there were about forty years This was a remarkable period and Jeremiah nearly alone labored among the people Their sins had been for the most part the same for a long time for nearly two centuries as it appears from the testimonies of his predecessors Amos Hosea Isaiah Joel Micah Nahum and Zephaniah for these seven had in this order preceded him Zephaniah And Habakkuk were probably for a time his contemporaries the first at the commencement and the other near the end of his ministry      **Restoration through Redemption: John Calvin Revisited** Henk van den Belt, 2013-01-08 Restoration through Redemption offers examples of three ways in which John Calvin's theology can be revisited by analysis assessment and reception This volume contains analyses of Calvin's position on the trinity and on politics as well as assessments of his theology for evolutionary biology and comparative ecclesiology It also discusses the reception of his heritage for instance in North America and South Africa The central theme in this volume is Calvin's approach to the renewal of creation that hinges on Christ the Redeemer One of the golden threads is Calvin's emphasis upon the meditatio on the future life the turning of the believer towards the eschatological perspective Contributors include J Todd Billings Johan Buitendag Jaeseung Cha Ernst M Conradie Roger Haight I John Hesselink Rinse Reeling Brouwer Philippe Theron Henk van den Belt Gijsbert van den Brink Cornelis van der Kooi J H Amie van Wyk J M Koos Vorster Nico Vorster Robert Vosloo and Paul Wells      **John Calvin** Jean Calvin, 2001 This volume translates selected works of John Calvin 1509 1564 the great reformer of Geneva with special emphasis on his piety      *John Calvin's Commentaries*

*On St. Paul's Epistle To The Hebrews* John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation No doubt the Epistle next in importance to that to the Romans is this to the Hebrews The truths explained in it might indeed have been deduced from other portions of Scripture but it is a vast advantage and a great satisfaction to find them expressly set forth and distinctly stated by an inspired Apostle In condescension to our ignorance it has pleased God not only to give us what might have been deemed sufficient for our information but also to add line upon line so that there might be every help given to those who have a desire to know the truth and every reasonable excuse taken away from such as resolve to oppose it and to follow the guidance of self will and the delusions of their own proud minds and depraved hearts It might then seem strange to us that defect insufficiency and obscurity have been ascribed to the Scriptures did we not know that these have been made by such as wish Revelation to be otherwise than it is they having imbibed errors and adopted superstitions to which it yields no countenance but which it condemns in terms so plain that they must be represented as defective or obscure in order to be evaded

John Calvin William J. Bouwsma,1989-03-17 Historians have credited or blamed Calvinism for many developments in the modern world including capitalism modern science secularization democracy individualism and unitarianism These same historians however have largely ignored John Calvin the man When people consider him at all they tend to view him as little more than the joyless tyrant of Geneva who created an abstract theology as forbidding as himself This volume written by the eminent historian William J Bouwsma who has devoted his career to exploring the larger patterns of early modern European history seeks to redress these common misconceptions of Calvin by placing him back in the proper historical context of his time Eloquently depicting Calvin s life as a French exile a humanist in the tradition of Erasmus and a man unusually sensitive to the complexities and contradictions of later Renaissance culture Bouwsma reveals a surprisingly human plausible ecumenical and often sympathetic Calvin John Calvin offers a brilliant reassessment not only of Calvin but also of the Reformation and its relationship to the movements of the Renaissance
