issues He identifies himself with feminism socialism humanism and the environmental movement and he explores his recurring theme of personal artistic and socio political freedom His books he says are about the difficulty of attaining personal freedom especially in terms of discovering what one is Any reader who has been intrigued challenged and entertained by his work in the past is sure to find these conversations spanning the writer s career to be stimulating and revealing Dianne L Vipond is a professor of English at California State University Long Beach A co editor of the book *Literacy Language and Power* she has published articles in *English Journal* *Short Story* *Twentieth Century Literature* and the *Los Angeles Times* Poems of John Fowles John Fowles,1999 Wormholes John Fowles,1998 *Wormholes* presents for the first time a representative gathering of Fowles s fugitive and intensely personal nonfiction writings essays literary criticism commentaries autobiographical statements memoirs and musings The Fiction of John Fowles William J.
