## John Hus:

**The Letters of John Hus** Jan Hus, 1904      **John Hus** Matthew Spinka, 2017-03-14 In this biography the author extends our understanding of the personality and work of the man he has characterized as essentially a reformer whose ideal was the pure church Since 1915 the date of the last similar study of Hus a great deal of new information has become available especially in the Czech language Professor Spinka has based his study on these new materials and on critical works about Hus He has also abstracted Hus writings in Latin and in Czech thereby clarifying what Hus taught Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **The Life & Times of Master Jan Hus** Francis Lützow (hrabě), 1921      *Pope John the Twenty-third, and Master John Hus of Bohemia* Eustace John Kitts, 1910      *Letters of John Huss Written During His Exile and Imprisonment* Jan Hus, Emile de Bonnechose, 1846      **John Hus** William Dallmann, 2019-12-13 John Hus was an early reformer of church teaching who predated Luther This book is very brief and intended for younger readers but it does give an insight into the life of this little known man covering the main points of his life and work      **Letters of John Huss Written During His Exile and Imprisonment** John Huss, 1846 The correspondence of the Czech theologian John Hus shed light into the religious and political upheavals of his time as Bohemian church reformers and traditionalists vied for influence Hus sought to change the church's principles opposing a number of Catholic opinions on topics such as the Eucharist and ecclesiology A gifted and eloquent philosopher his explanations roused the spirits of both nobles and the larger population alike Those in favor of Hus's ideas were termed Hussites this group believed in their reforms which they considered to better reflect Christian values for the Bohemians Yet the Catholic Church rejected the ideas setting the stage for lengthy protracted and violent conflict between Rome and the Bohemian authorities The letters herein reveal Hus's thinking in detail We learn how he arrived at his conclusions for theology through his explanatory writing to church officials both locally in Bohemia and abroad Hus encouraged his followers asking them to preach under the influence of God's divine will rather than that of the existing church hierarchy Some letters address villages or towns who were either curious toward supportive or opposed to the reforms Hus espoused Notes appended to each letter clarify references that the history and complexities of the time be understood      **John Hus -- Martyr for the Faith** C. Daniel Crews, 2014-11-01 On the eve of the 600th anniversary year of the martyrdom of John Hus Moravian Archives Winston Salem has published John Hus Martyr for the Faith a brief biography on his life beliefs and tragic death The softbound booklet 44 pages with map illustrations time line and copious notes is a reprint of chapters three and four of Faith Love Hope Daniel Crews's 2008 history of the early Moravian Church The Rev Dr

Crews is well steeped in the life and legacy of John Hus He began his scholarly career with a Ph D on the theology of John Hus did further study in Prague learning Czech Hus s native language and now has retired as Archivist of the Moravian Church Southern Province with publication of this little booklet Aside from thoroughly knowing his subject Daniel Crews writes in a style that takes even the most complex issues of medieval time and brings them down to earth for today s casual reader to understand And so this booklet is a perfect introduction to one whose death 600 years ago in 1415 shaped and inspired religious thought down the ages to today with his clarion call of service to Christ over human institutions **John**
