

John Knox And The Reformation

Thomas M'Crie

John Knox And The Reformation:

John Knox Henry Cowan,1905 **John Knox and the Reformation** Andrew Lang,2014-04-11 Andrew Lang 1844 1912 was a prolific Scots man of letters a poet novelist literary critic and contributor to anthropology He now is best known as the collector of folk and fairy tales He was educated at the Edinburgh Academy St Andrews University and at Balliol College Oxford As a journalist poet critic and historian he soon made a reputation as one of the ablest and most versatile writers of the day Lang was one of the founders of the study of Psychical Research and his other writings on anthropology include *The Book of Dreams and Ghosts* 1897 *Magic and Religion* 1901 and *The Secret of the Totem* 1905 He was a Homeric scholar of conservative views Other works include *Homer and the Epic* 1893 a prose translation of *The Homeric Hymns* 1899 with literary and mythological essays in which he draws parallels between Greek myths and other mythologies and *Homer and his Age* 1906 He also wrote *Ballades in Blue China* 1880 and *Rhymes la Mode* 1884 *Knox: On Rebellion* John Knox,1994-01-20 John Knox s *First Blast of the Trumpet against the Monstrous Regiment of Women* one of the most notorious political tracts of the sixteenth century has been more often referred to than read Its true significance as one of a series of pamphlets which Knox wrote in 1558 on the theme of rebellion is therefore easily overlooked This new edition of his writings includes not only *The First Blast* but the three other tracts of 1558 *The Letter to the Regent of Scotland* *The Appellation to the Scottish Nobility* and *The Letter to the Commonalty of Scotland* in which Knox confronted the problem of resistance to tyranny Related material mostly drawn from Knox s own *History of the Reformation in Scotland* illuminates the development of his views before 1558 and illustrates their application in the specific circumstances of the Scottish Reformation and the rule of Mary Queen of Scots This edition thus brings together for the first time all of Knox s most important writings on rebellion **The History of the Reformation of Religion in Scotland** John Knox,1841 **The Life of John Knox** Thomas M'Crie,1818 **John Knox** Kenneth D. Farrow,2004 John Knox has seldom been taken seriously as a literary figure in fact it is often assumed that he was hostile to art of any kind This study analyses John Knox s style of writing and suggests that Knox was one of the most highly rhetorical of all the sixteenth century prose writers although his prose was never decorative Early chapters set Knox in his proper context by focusing on Scottish prose from John Ireland s *Meroure of Wyssdome* through to *The Complaynt of Scotland* before examining Knox s admonitory public epistles his personal correspondence and his more exclusively theological tracts The final two chapters are devoted to his magnum opus *The Historie of the Reformatioun of Religioun in Scotland* the first truly great work of Scots prose and show that Knox s talents represent the culmination of homiletic and historiographical traditions the maturation of incipient religious forces in the sixteenth century and as far as prose is concerned the earliest establishment in Scotland of a fully rounded literary personality John Knox and the Reformation Andrew Lang,2021-02-05 In this brief *Life of Knox* I have tried as much as I may to get behind Tradition which has sodeeply affected even modern histories of the Scottish Reformation and even recent

Biographies of the Reformer The tradition is based to a great extent on Knox's own History which I am therefore obliged to criticise as carefully as I can In his valuable John Knox a Biography Professor Hume Brown says that in the History we have convincing proof alike of the writer's good faith and of his perception of the conditions of historic truth My reasons for dissenting from this favourable view will be found in the following pages If I am right if Knox both as a politician and an historian resembled Charles I in sailing as near the wind as he could the circumstance as another of his biographers remarks only makes him more human and interesting Opinion about Knox and the religious Revolution in which he took so great a part has passed through several variations in the last century In the Edinburgh Review of 1816 No liii pp 163 180 is an article with which the present biographer can agree Several passages from Knox's works are cited and the reader is expected to be shocked at their principles They are certainly shocking but they are not as a rule set before the public by biographers of the Reformer Mr Carlyle introduced a style of thinking about Knox which may be called platonically Puritan Sweet enthusiasts glide swiftly over all in the Reformer that is specially distasteful to us I find myself more in harmony with the outspoken Hallam Dr Joseph Robertson David Hume and the Edinburgh reviewer of 1816 than with several more recent students of Knox

The Life of John Knox Containing Illustrations of the History of the Reformation in Scotland ... Thomas MacCrie, 1854

John Knox and the Reformation Lang Andrew, 2016-06-22 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

John Knox and the Scottish Reformation George Barnett Smith, 1905

John Knox Richard G. Kyle, Dale W. Johnson, 2009-06-16

While the Reformed tradition originated with Huldrych Zwingli and was more fully developed with John Calvin it was John Knox who made significant contributions to this movement as it unfolded in Scotland John Knox An Introduction to His Life and Works traces the life and thought of John Knox in a succinct and readable way While a number of biographies tell the story of the famous Scottish reformer professors Kyle and Johnson take the reader in a different direction offering an interpretation of his writings They take a chronological approach to his works leading the reader through his early years his exile and his return to Scotland allowing them to speak for themselves an approach that also tells the story of Knox's life and ideas

The Life of John Knox, the Scottish Reformer Thomas M'Crie, 1839

Life of John Knox Thomas M'Crie, 1850

John Knox for Armchair Theologians Suzanne McDonald, 2013-01-01 This volume in the popular Armchair series presents a short and reader friendly introduction to the tumultuous life and theology of the fiery reformer John Knox As leader of the Scottish Reformation Knox notably came into conflict with the Roman Catholic Church particularly

Queen Mary He was also an outspoken advocate for education and care for the poor and is widely regarded as the founder of the Church of Scotland Each chapter includes a description of Knox s activities as well as a discussion of key texts that introduce Knox s theological convictions Expertly written by Suzanne McDonald and featuring witty illustrations from Ron Hill this book offers an intriguing introduction to the life and work of this major theological figure *John Knox and the Reformation (Classic Reprint)* Andrew Lang,2015-07-14 Excerpt from John Knox and the Reformation In this brief Life of Knox I have tried as much as I may to get behind Tradition which has so deeply affected even modern histories of the Scottish Reformation and even recent Biographies of the Reformer The tradition is based to a great extent on Knox s own History which I am therefore obliged to criticise as carefully as I can In his valuable John Knox a Biography Professor Hume Brown says that in the History we have convincing proof alike of the writer s good faith and of his perception of the conditions of historic truth My reasons for dissenting from this favourable view will be found in the following pages If I am right if Knox both as a politician and an historian resembled Charles I in sailing as near the wind as he could the circumstance as another of his biographers remarks only makes him more human and interesting Opinion about Knox and the religious Revolution in which he took so great a part has passed through several variations in the last century In the Edinburgh Review of 1816 No liii pp 163 180 is an article with which the present biographer can agree Several passages from Knox s works are cited and the reader is expected to be shocked at their principles They are certainly shocking but they are not as a rule set before the public by biographers of the Reformer Mr Carlyle introduced a style of thinking about Knox which may be called platonically Puritan About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The First Blast of the Trumpet against the monstrous regiment of Women** John Knox,2022-09-16 In The First Blast of the Trumpet against the monstrous regiment of Women John Knox delivers a provocative polemic that challenges the legitimacy of female rule during the tumultuous Reformation period Through a fiery literary style marked by rhetorical fervor and biblical allusion Knox articulates a theological critique steeped in the patriarchal norms of the 16th century The work echoes the political anxieties of Knox s time particularly against the backdrop of Queen Mary of Scotland and Queen Elizabeth I arguing that women s governance is an aberration contrary to divine order thus setting a precedent for subsequent debates about gender and power John Knox a central figure of the Scottish Reformation was driven by a fierce dedication to his Protestant ideals and a profound resistance to any form of tyranny especially in its feminine guise His own experiences with powerful women in leadership coupled with

the prevailing socio religious upheavals significantly influenced his vehement stance articulated in this text Knox s fierce advocacy for a male dominated ecclesiastical structure reflects not only personal conviction but also the entrenched societal values of his era This work is recommended for scholars and readers interested in early modern gender studies religious discourse and political theory Knox s provocative argumentation offers a window into the gender dynamics of the Reformation prompting critical reflection on the intersections of faith power and society that continue to resonate today
