Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views

theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Organic Outreach for Churches Kevin G. Harney, 2011-10-25 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches Organic Outreach for Churches provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church's life

Humphrey,2006 Foreword by Eugene H Peterson Countering the generic spirituality so popular today Edith Humphrey presents an authentic Christian spirituality that draws on Scripture and the profound riches of the Christian tradition Orthodox Catholic and Protestant Humphrey shows how Christian spirituality is rooted in the Trinity in the ecstasy going out of oneself and intimacy profound closeness with another marking the relations between Father Son and Holy Spirit The book embodies a banquet of excerpts from the greatest spiritual writers in history such luminaries as St Augustine St John Chrysostom Julian of Norwich St Teresa of vila the Wesley brothers Thomas Merton and Alexander Schmemmann Humphrey s elegant prose laced with stories and images from her own life beautifully uncovers the ways in which God s trinitarian life informs all human communion Each chapter ends with questions for further reflection and discussion *Jesus the Truth Vs. Satan the Liar* Honolulu Cops for Christ,2020-12-11 In the Gospels Jesus called Satan the Father of Lies From the beginning of Mankind until the present Satan has been lying to mankind in order to destroy us and keep us from eternal life with God Our first ancestors fell victim to a lie of Lucifer and because of their fall all humanity fell under the influence of the devil Jesus came to earth to break Satan s power over us Jesus referred to Himself as the Light of the World and as the Truth He wants to deliver humanity out of the spiritual darkness and deception in which Satan has mankind trapped A spiritual battle rages between Jesus and Satan for the souls of men The weapons of Satan are his numerous lies The weapon of Jesus is the truth of His Word He said that the truths He taught were a solid and unshakable foundation in a world of shifting and sinking sand In *Jesus the Truth vs Satan the Liar* this cop for Christ exposes many of the dark lies of Satan that are spread within America s higher education system They are exposed by the light of biblical truth giving students the knowledge they need to reject the lies and all who spread them 84 84 **The Question** Jim Way,2009-05-01 Two thousand years ago Jesus challenged the religious system of his day It had become infiltrated with traditions and man made practices that had nothing to do with the word of God or the Lord s intervention for his people Many of the people with whom Jesus came in contact had doubts and were oppressed by this religious system Jesus challenged the people of his day by asking 233 questions more than any other leader in recorded history The uniqueness of this book is threefold First in two thousand years no other book has been written that summarizes these extraordinary questions Second the questions that Jesus asked pressed the very heart and root of the issues that were universally significant during that period Third these questions the answers to these questions and Jesus s authentic resolutions

transcend time and space to the current condition of our culture today They cover every aspect of our lives whether we deal with the purpose of life our relationships to one another or how God wants to impact our conventional society The Question builds a bridge between what Jesus said two thousand years ago and his empirical message to what we desperately need to hear today Jesus has a unique way of communicating inspiring us to reach down deep into our very being His questions are piercing and challenging and cause introspection that could only be inspired by the Almighty It is a unique and unusual process of communication created by the world's greatest leader Looking for God Alexys V.
