Selected Poetry Alfred Tennyson Baron Tennyson, 1995 Norman Page's selection represents Tennyson's work in many poetic forms over more than sixty years The poems have been chosen to exemplify Tennyson's dual role as public and private poet as spokesman for the anxieties of his age and as an introspective sometimes neurotic individual The substantial introduction explanatory notes and bibliographical information make this collection an essential study tool for students

John Clare John Clare, 1965 John Clare Simon Kövesi, 2017-08-02 This book investigates what it is that makes John Clare's poetic vision so unique and asks how we use Clare for contemporary ends It explores much of the criticism that has appeared in response to his life and work and asks hard questions about the modes and motivations of critics and editors Clare is increasingly regarded as having been an environmentalist long before the word appeared this book investigates whether this green rush to place him as a radical proto ecologist does any disservice to his complex positions in relation to social class work agriculture poverty and women This book attempts to unlock Clare's own theorisations and practices of what we might now call an ecological consciousness and works out how his ecocentric mode might relate to that of other Romantic poets Finally this book asks how we might treat Clare as our contemporary while still being attentive to the peculiarities of his unique historical circumstances John Clare in Context Geoffrey Summerfield, Hugh Haughton, Adam Phillips, 1994-05-12 Critics including Seamus Heaney provide a welcome reappraisal in the wake of Clare's bicentenary

Swingle, Greg Crossan, The official Journal of the John Clare Society published annually to reflect the interest in and approaches to the life and work of the poet John Clare **John Clare's Romanticism** Adam White, 2017-07-19 This book offers a major reassessment of John Clare's poetry and his position in the Romantic canon Alert to Clare's knowledge of the work of his Romantic contemporaries and near contemporaries it puts forward the first extended series of comparisons of Clare's poetry with texts we now think of

as defining the period in particular poems by Robert Burns William Wordsworth Lord Byron and John Keats It makes fully evident Clare s original contribution to the aesthetic culture of the age by analysing how he explores a wide range of concerns and preoccupations which are central to and especially privileged in Romantic period poetics including fancy the sublime childhood ruins joy poesy and a love lyric marked by a peculiar self consciousness about sincere expression At the heart of this book is the claim that the hitherto under scrutinised subjective stances transcendent modes and abstract qualities of Clare s lyric poetry situate him firmly within and as fundamentally part of Romanticism at the same time as his writing constitutes a distinctive contribution to one of the most fascinating eras of English literature **John Clare Society Journal, 6 (1987)** Margaret A. Powell,Bob Heyes,Simon Rae,Johanne Clare,J.L. Carr,Charles Causley,Eric Robinson,1987-07-13 The official Journal of the John Clare Society published annually to reflect the interest in and approaches to the life and work of the poet John Clare Inscription and Modernity John Kenneth MacKay,2006-09-19 Inscription and Modernity charts the vicissitudes of inscriptive poetry produced in the midst of the great and catastrophic political social and intellectual upheavals of the late 18th to mid 20th centuries Drawing on the ideas of Geoffrey Hartman Perry Anderson Fredric Jameson and Jacques Ranci re among others John MacKay shows how a wide range of Romantic and post Romantic poets including Wordsworth Clare Shelley H lderlin Lamartine Baudelaire Blok Khlebnikov Mandelstam and Rolf Dieter Brinkmann employ the generic resources of inscription both to justify their writing and to attract a readership during a complex historical phase when the rationale for poetry and the identity of audiences were matters of intense yet productive doubt *John Clare Society Journal 31 (2012)* Greg Crossan,Cassandra Falke,Kelsey Thornton,Andrew Hodgson ,Bob Heyes,John Lucas,Ben Hickman,2012-07-13 The official Journal of the John Clare Society published annually to reflect the interest in and approaches to the life and work of the poet John Clare *The John Clare Society Journal* ,1994 **The Broadview Anthology of Literature of the Revolutionary Period 1770-1832** D.L. Macdonald,Anne McWhir,2010-03-04 The selections from 132 authors in this anthology represent gender social class and racial and national origin as inclusively as possible providing both greater context for canonical works and a sense of the era s richness and diversity In terms of genre poetry non fiction prose philosophy educational writing and prose fiction are included Geographically America Canada Australia India and Africa are represented along with Britain emphasizing Romantic literature as a world literature Biographical headnotes explanatory footnotes and an extensive bibliography clarify and illuminate the texts for readers
