John Eyewitness:

The Gospel of John Associate Professor of Religious Studies Hugo Méndez, Hugo Méndez, 2025 The Gospel of John reimagines the origins of the Gospel of John one of the central scriptures of the Christian tradition It argues that the book is a falsely authored work pseudepigraphon written in the persona of an invented disciple of Jesus It lays out John's distinctive ideology and offers an exciting new symbolic reading of its narrative And in its later chapters it argues that other works among them 1 John 2 John 3 John the Apocryphon of John and Revelation are also falsely authored works written to co-opt the identity of this invented disciple *The Gospel of John* F. F. Bruce, 1994-10-18 This popular verse by verse exposition of John based on Bruce's own translation of the Gospel reflects Bruce's customary ability to make the benefits of his scholarship accessible to the general reader Footnotes and bibliography are included pointing the reader to resources for further study

John Gary M. Burge, 2009-08-22 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context The Gospel of John tells us the story that is the foundation of the distinctive teaching of Christianity It provides all the elements necessary to see the full picture of the person and work of Jesus a human Christ to redeem us a divine Christ to reveal God's nature and a powerful Spirit-filled Christ to help us lead holy lives This commentary unveils in today's terminology the deeply satisfying portrait of Christ painted in the Gospel of John To bring the ancient messages of the Bible into today's context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award-winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written *John: A Devotional Commentary* Chris Tiegreen, 2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians The Gospel of John is clearly meant to be more than just another version of the same story summarized in the other gospels John presents Jesus not only as the Son of God but as God incarnate a much higher and more developed Christology than we see elsewhere in the New Testament And it describes our relationship with Jesus in deeper terms than the other Gospels do John seems to have been written in and for a community of believers with a strong sense of mission and a lot of opposition Its overarching purpose is for those who do not yet believe to embrace Jesus and for those who do believe to believe more profoundly and persistently Written by beloved devotional writer and biblical scholar Chris Tiegreen each

book of The See Series does more than encourage us simply to know and then do rather it casts a vision for us to see then be then live Like Jesus who incorporated visual language into all his teaching this series aims at refocusing our inner eye If we can see what biblical writers saw and live according to that vision we can be transformed A valuable resource for any Christian each commentary includes an introduction to the biblical book to aid your study an introduction for each subsection of the book explaining its place and purpose in the text the historical context or background of that section and how it fits into the big picture vision of biblical truth a series of devotionals on the text that further explain purpose and meaning offer suggestions for practical application and inspire and challenge you to re envision to learn to see in new ways a discussion guide in the back to help you further reflect on the Scripture passages and or talk about them with others to deepen your faith and expand your spiritual vision even more John A Devotional Commentary gives you rich insight into the truths contained in this gospel helping transform your mind heart and imagination *The Historical Reliability of John's Gospel* Craig L. Blomberg, 2011-10-20 Because the twentieth century search for the historical Jesus so heavily favored the Synoptic Gospels we are long overdue for a reassessment of the evidence presented in the Gospel of Johnl Craig L Blomberg offers a foundational introduction and commentary focusing with intelligence and care on the historicity of John s Gospel *The Gospel of John* Paul L. Metzger, 2010-11-01 In the Resonate series the stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament In this volume we journey through the Gospel of John with Paul Louis Metzger who wrestles with the question of what happens when God who is love comes to town and takes up residence among us **John, Volume 4** Dorothy A. Lee, 2025-06-10 Volumes in New Word Biblical Themes New Testament series offer short accessible studies of the key themes of each book of the New Testament Each volume offers an introduction to the book a brief exposition of the text with its basic background and a survey of its contents an overview of its themes and a deeper look at 3 5 key themes for understanding the book and for preaching and teaching Breaking New Ground in John Ruben Zimmermann , 2025-02-28 **The Gospel According to John** , 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance **John** Johnson Thomaskutty, 2025-07-31 The Gospel of John is one of the significant writings that appeals to Asian spirituality and ideals in a variety of ways John s unique features as a literary masterpiece encompass the feelings and aspirations of the Asian consciousness The Gospel s genre dynamism features of setting ideological constructs character traits plot structure and point of view reflect and reveal its assimilative power to resonate with the situational aspects of Asian communities John is

better understood rhetorically within the religious and cultural contexts of Asia In this commentary Dr Johnson Thomaskutty explores the possibilities of a pastoral and contextual reading of the Gospel of John The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible Live Brilliantly Lenya Heitzig,2018-01-01 This all new Fresh Life Bible study takes readers through the book of 1 John inspiring them to respond to God s call to be light bearers in a dark world Each 20 minute study of 1 John in Live Brilliantly reminds readers that when their lives reflect God s light no darkness can overtake them When a Christian follows God s Word light shines on their decisions relationships and actions Their words as they live out the gospel bring light to even the darkest places This rich yet accessible Bible study ignites readers with a new passion for God shutting out the darkness that threatens their spirits and the world because God s Word is light everlasting *The Letters of John* Gary M. Burge,2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context John weaves together themes of light and darkness falsehood and truth and what it means to be children of God in community He explores the theme of love as central to God s nature and thus as the defining characteristic of those who follow him The Letters of John teach us about handling conflict discerning orthodox belief and measuring Christian conduct Gary Burge shares perspectives on John s letters that reveal their enduring relevance for our twenty first century lives To bring the ancient messages of the Bible into today s context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **A Commentary on the Gospel of John** Samuel Mills,2020-03-03 In 2008 Samuel was asked to teach an adult Bible study on the Gospel of John He wanted it to be rich in Bible background and as close as possible to what the Apostle John intended When the study concluded he then placed it on his website TrustingInJesus.com He has continued to work on this commentary it has been a work in progress for more than eleven years and is now read by thousands of visitors daily A Commentary on the Gospel of John has been used by pastors teachers missionaries Bible schools students and everyday people from perhaps every country It is clear and easy to understand and taken directly from the scriptures with no concern for denominational teachings It does not ramble but goes

The Apocalypse... Dr. Jana Jones McDowell, In this book we will take the unique approach and read the Book of Revelation as it was meant to be read That is we will read Revelation exactly as Apostle John wrote it with his Hebraisms and his Jewish writing style Taking into account John s Jewish mindset we will embark on a very different approach to interpreting his Divinely given visions the visions which later came to be compiled into what is now known as the Book of Revelation First we must look at the Book of Revelation in context and realize that it is a letter written in the first century by a Jewish Christ follower who lived in a Roman dominated society where Roman Greek gods were idolized and worshiped With this in mind we need to understand John s mindset being that he thought in Hebrew but wrote in the language of the land which was Greek We also must realize that John s letter was meant for a predominately Jewish audience who may or may not have believed that Jesus was the Jewish Messiah who lived under Roman rule and therefore dominated spiritual and cultural values values that went against those of the Jewish people who worshipped the God of Israel Therefore John s letter to the people of the churches in Asia Minor was very anti Roman Characteristic of ancient Jewish literature was a very unique writing style Thoroughly Jewish John wrote with this 7 characteristic style and the Jewish people were accustomed to reading it What are the implications of interpreting John s letter exactly as he wrote it with its characteristic Jewish style Actually several very different ideas emerge as to both the structure and the timeline of the Book of Revelation creating interpretations that are quite unlike interpretations we may have been exposed to when studying the Bible through traditional methods For instance we will see that the timeline of the Book of Revelation is multidimensional and reiterative

which is very different than the typical linear and sequential interpretation we are accustomed to reading and as modern theologians teach We also see that using John s style that the Book of Revelation has a very different structure than is presented in the New Testament as contained in the Bibles of today What if the timeline of the Book of Revelation is not linear and sequential as it has traditionally been read from beginning to end What if the structural divisions of Revelation we are so accustomed to are artificial and not as John originally intended them to be

Narrative and Drama in the Book of Revelation Lourdes García Ureña,2019-08-29 Shows with solid reasons that the Book of Revelation has a literary form similar to the short story

Pray - Food for the Journey ELIZABETH MCQUOID,2020-07-16 Prayer is hard We d rather be doing something else Anything really But God commands us to pray And to do so continually We see examples of people praying for a wide range of things in the Bible Jesus taught his disciples to pray and that model prayer can become the basis of our prayers too We need to pray deeper more fervent prayers Or as the Puritans used to say we need to pray until we pray We should see prayer as a privilege not a duty and certainly not a burden This devotional offers timeless wisdom and encouragement from Michael Baughen Alistair Begg Raymond Brown David Coffey Jonathan Lamb Paul Mallard Bruce Milne Calisto Odede and Rico Tice They focus on sections of Nehemiah Habakkuk the Psalms Daniel Like John Ephesians Philippians Thessalonians and James You will be enthused as you receive fresh insights each day and allow your prayer life to be transformed

The Presbytery Crisis Prayer Ministry Rev. Dr. Peter Bawamakadi,2024-09-01 Sin is a most confounding enemy and one that hinders man from living a fulfilling life To help mankind cope with the problem of sin and ill health however God has given humanity many tools including endowing them with His image likeness and intelligence to develop medicines capable of overcoming spiritual and physical diseases God also gave mankind the Presbytery Crisis Prayer Ministry PCPM granting it to the church in fulfillment of Christ s threefold

ministry to preach to teach and to heal According to the revelation of the epistle of James the local church is to function as God's hospital with the presbytery and church elders operating as His divine physicians Quest for the Historical Apostles
W. Brian Shelton, 2018-04-17 The stories and contributions of the apostles provide an important entrance into church history This comprehensive historical and literary introduction uncovers their lives and legacies underscoring the apostles impact on the growth of the early church The author collects and distills the histories legends symbols and iconography of the original twelve and locates figures such as Paul Peter and John in the broader context of the history of the apostles He also explores the continuing story of the gospel mission and the twelve disciples beyond the New Testament The Feasts of John Dan Fleming, 2022-07-15 In John's gospel he describes the Feasts of the Lord in a subtle yet profound way His gospel account reveals that Jesus taught the meanings of the Old Testament feasts as they were being celebrated By this we can see that John's gospel is written in chronological order John also wove the theme of the Jewish wedding into his gospel to reveal that it is part of the meaning of the feasts When we learn more about these revelations from John's gospel the rest of the New Testament is easier to understand because the Feasts of the Lord affect us both personally and prophetically Jesus literally fulfilled the first four feasts Passover Unleavened Bread Firstfruits and Pentecost over two thousand years ago We can be assured that He will fulfill the remaining three feasts of Trumpets Atonement and Tabernacles when He returns
