John Life Eternal A Devotional Commentary:

John, Life Eternal Roy Leonard Laurin, 1972 **Exploring the Letters of John & Jude** George R. Knight, 2009 The letters of John and Jude are a wake up call False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings John and Jude wrote to their congregations not only to warn the faithful against the impostors but to emphasize true spirituality in the face of error and apostasy Its no surprise then that these four letters are of the utmost relevance to Christians today Johns first and second letters deal with issues central to a genuine Christian faith and life while the third provides a snapshot of the dynamics of at least one congregation in the A D 90s Jude confronts many of the same issues in his letter including the immorality that results from a denial of Christ This user friendly devotional commentary divides the entire text of these four letters into bite sized passages using a new translation by the author Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty first century believers Small study groups and individuals alike will benefit from this format and better understand Gods timely and very personal message **Devotional commentary on the Gospel narrative** Isaac Williams, 1870 **The Deity and Miracles of Christ** Rev. Joseph Sill, 2018-07-26 This book is intended to show Jesus s deity through the signs and dialogue in the book of John John has recorded eight signs or miracles in his Gospel He begins with the marriage at Cana and progresses through his Gospel to the resurrection the greatest of all the signs These miracles in the book of John and all the Bible for that matter are not arbitrary but were chosen by the Holy Spirit to show that Jesus is who he says he is John himself tells us his purpose in writing his Gospel in John 20 21 But these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name This book is intended for you to look at the miracle and sayings of Jesus in John and show how they point to Jesus being the promised Messiah the Son of God deity incarnate John showed who Jesus was when he said I am the bread of life and proceeded to feed the five thousand with the loaves and fish John records that he said I am the light of the world and then Jesus proceeded to heal a man born blind from birth He told Mary at the death of Lazarus I am the resurrection and the life and proceeded to raise the dead Finally he told his disciples I lay my life down and I will take it up again Then he went to the cross died and was buried to rise again on the third day And just in case there is any doubt as to his resurrection he appears to Thomas in the upper room and to the disciples by the sea of Tiberius It is my prayer that this book may prove who Jesus is to the minds of all who read it That they may come to believe that Jesus is who he said he is the Messiah the Son of God who died for our sins and is raised to make it just as if we never sinned Romans 4 25

John and His Writings Doremus Almy Hayes, 1917 **NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda, 2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross

Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don't want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God **Devotional**

Comments: being a series of Scriptural Expositions, with a Prayer annexed to each subject; designed as an aid in private, or, for family worship Mrs. Maria STEVENS,1824 *A Plain Commentary on the Four Holy Gospels* John William Burgon,1859 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Life's Golden Lamp for Daily Devotional Use** Robert M. Offord,Robert Marshall Offord,1890 *New Testament Commentary Survey* D. A. Carson,2013-11-15 Highly respected New Testament scholar D A Carson provides students and pastors with expert guidance on choosing a commentary for any book of the New Testament The seventh edition has been updated to assess the most recently published commentaries Carson examines sets one volume commentaries and New Testament introductions and theologies offering evaluative comments on the available offerings for each New Testament book This is an essential guide to building a reference library **The New Testament Devotional Commentary, Volume 1** Bo Giertz,Bror Erickson,2021-11-16 Bo Giertz was a serious biblical scholar who avoided the ivory tower He studied classics in undergrad before taking up theology in preparation for the ministry In 1930 he spent time on an archeological dig

in Palestine and travelled the country with his exegetical professor Anton Fridrichsen who insisted on Biblical Realism which avoided fundamentalism and yet refused to succumb to higher criticism In these commentaries Bo Giertz takes what he learned from a lifetime of such study and application in in sermons and visits with people to open Scripture to anyone who wants to grow in their faith He never avoids the hard questions concerning the texts and yet tackles them in such a way as to restore confidence in God s word Here he is concerned with what the text meant to those who first wrote it and heard it so he can deliver the same goods to us today *Johannine Bibliography 1966-1985* ,1988 **Biblical Counsel** ,1993 **The Standard** ,1909 *The Publishers Weekly* ,1884 **ENCOURAGEMENT FROM THE PSALMS** Dr. B,2023-10-06 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord *A Devotional Commentary on the Bible* William J.
