John Profumo And Christine Keeler:

John Profumo and Christine Keeler, 1963 Alfred Thompson Denning Baron Denning, 1999 The Profumo Affair remains the biggest scandal in British politics The Minister of War was found to be having an affair with a call girl who had associations with a Russian Naval Officer at the height of the Cold War Lord Dennings report into the scandal deals with questions of cover up lies told to Parliament bribery and stories sold to the newspapers and describes with fascinated revulsion the extraordinary sexual behaviour of the great and the good of the day Uncovered Editions are historic official papers which have not previously been available in a popular form This is a facsimile reprint of a report from the archives of the Stationery Office also known as the Denning Report [The Profumo Affair](#) Vanessa Holburn, 2024-05-30 In the hot and steamy July of 1961 a hedonistic weekend at Lord Astor s Buckinghamshire estate Cliveden set in motion a chain of events like no other It was where John Profumo Secretary of State for War first decided he must bed the 19 year old Christine Keeler a model and showgirl But that weekend Keeler headed home to London with diplomat and known Russian spy Yevgeny Ivanov instead Undeterred Profumo quickly started dating Keeler and begun to mix in her circle which included society osteopath Stephen Ward and fellow model Mandy Rice Davies But alongside flirting with the decadent upper classes Ward and Keeler also enjoyed the seedier side of city life becoming entangled with violent petty criminals The heady mix of sex and espionage soon exploded With Profumo exposed as a fraud the government was left scrabbling to protect its reputation Had its war minister been duped by the Soviets into careless pillow talk instigated by a Communist sympathiser Both Ward and Keeler would become victims of the subsequent witch hunt Ward would die by suicide and Keeler was branded a whore and liar The Profumo Affair was the scandal that rocked the 60s But how and why did a brief romance between a married MP and a young showgirl go on to shatter so many lives and bring down the government of Harold Supermac Macmillan Using the official Denning Report recently released archival material and the accounts of those involved Vanessa Holburn pieces together this surprisingly relatable story and asks what really happened behind the headlines **Scandal** Christine Keeler, 1989-01-01

hangs in the National Portrait Gallery in London Everyone loved the superbly well connected Stephen Ward But when Christine Keeler slept with two of his friends British War Minister John Profumo and Soviet superspy Eugene Ivanov President Kennedy s White House went haywire suspicion and scandal cast a shroud over Dr Ward s world In the middle of a nuclear poker game Stephen Ward soon had MI5 and MI6 snapping at his heels along with the KGB the CIA and the FBI at his shoulder The spooks all feared what he might know or do The British Establishment keen to see him gone brushed him off The infamous persecution torturous trial and death of Stephen Ward still shocks Now best selling author Douglas Thompson has traced confidants of Stephen Ward speaking for the first time in more than half a century along with newly discovered government documents he has gathered their eyewitness accounts of Downing Street intrigue sex orgies and dangerous liaisons Posterity is ferociously capricious but there are still those alive who know the secrets and the true story of Stephen Ward which is brilliantly told here in Scapegoat **The Krays: A Violent Business** Colin Fry,2011-05-05 Twins Ron and Reg Kray were without doubt the most powerful violent and deadly gangsters that London has ever known They ran protection rackets clubs and casinos as well as fraudulent long firms They blackmailed intimidated and killed for many years with impunity thanks to their powerful cronies in the Establishment Working with all five main Mafia families in New York they were expanding their business worldwide when they were imprisoned for murder in 1968 Featuring revealing new material The Krays A Violent Business is the story of their lives and of the secrets and scandals the British government still doesn t want you to know about The Queen Catherine Ryan,2018-01-16 Her Royal Highness Queen Elizabeth II has reigned for 64 years longer than any British monarch in history During that time the Queen has endured the ups and downs that long life will bring She was a beacon of hope during and after the Second World War in difficult times when the world faced a precarious future and she has served as a role model for generations of men and women who continue to be in awe of her commitment to service sacrifice and the Commonwealth of nations over which she rules The abdication of her uncle Edward VIII in 1936 turned her family s world upside down When her father was crowned King George VI Elizabeth was thrust into the eye of the storm as a future queen A shy and reserved child she grew into a wise and insightful monarch who has dealt ably with nine British Prime Ministers during her long reign from Winston Churchill to Theresa May It was of course not always straightforward and the Queen has found herself in hot water several times most notably during the marriage of Prince Charles and Diana Princess of Wales When Diana was tragically killed in a car crash the standing of the Royal Family was probably at its lowest ebb It is unlikely that we will ever see a monarch reign so long or so effectively again holding together a disparate group of nations each with its own aspirations customs and traditions Catherine Ryan has written an intriguing biography of one of the most famous women of modern times who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon **THE JFK FILES** Peter Kross,2019-02-12 In October 2017 2 800 files about the 1963 murder were made public for the first time bringing to the fore

revelations that an alleged Cuban intelligence officer met Lee Harvey Oswald in Mexico City and praised his shooting ability and that the Soviet spy agency KGB believed then Vice President Lyndon Johnson may have conspired to assassinate Kennedy On April 26 2018 the U S Government released 19 000 newly declassified government documents on the Kennedy assassination It is said that investigators learned little except that the government's ideas about what needs to be secret and what doesn't are cryptic and unpredictable Some stuff in the documents that had been open for years is now classified again and some stuff that had been classified and is now open is so innocuous that nobody can figure out what the point was In some cases the documents had re redacted material that had already been declassified in previous versions Often that seemed to reflect Trump administration sensitivities to the feelings of foreign governments A 1975 CIA report on the surveillance of shooter Lee Harvey Oswald during his visit to the Soviet embassy in Mexico City just a few weeks before Kennedy's death was released years ago identifying a particular photo as coming from a Mexican police surveillance camera In the same document re released April 26 the words Mexican police had been covered over Why are these documents even more redacted than previously known versions of the same document What astonishing information was released by the documents if any Why aren't all of the documents released in their entirety without any information redacted Are the intelligence agencies afraid they will look incompetent and unable to protect the President Or do they further confirm that Vice President Lyndon Johnson was involved in the assassination as earlier documents suggested

The Blunt Affair Jonathan Bolton, 2020-12-15 The case of the Cambridge spies has long captured the public's attention but perhaps never more so than in the wake of Anthony Blunt's exposure as the fourth man in November 1979 With the Cold War intensifying patriotism running high during the Falklands War and the AIDS crisis leading to widespread homophobia these notorious traitors were more relevant than ever This book explores how they were depicted in literature television and film throughout the 1980s Examining works by an array of distinguished writers including Dennis Potter Alan Bennett Tom Stoppard and

John le Carr it sheds new light on the affair asking why such privileged young men chose to betray their country whether loyalty to one's friends is more important than patriotism and whether we can really trust the intelligence services
