Keep Looking Ace Remas,2018-03-05 Hector Feck found gold for the first time at age sixty six It was a transforming experience As he pinched the single gold nugget from the black sand collected on the ridges of his pan he was astounded he felt no satisfaction in this discovery even after twenty years of occasional gold panning dredging and metal detector searches Instead he was disappointed Not because the nugget was too small It was not When washed and cleaned the nugget would fetch at least 1 500 money he sorely needed He realized as he inspected the nugget carefully all he had accomplished was to increase his desire for more gold which meant more searching for it and even when he found more he would not be satisfied He realized he would never be satisfied Nothing in this world would satisfy Except he remembered as if inspired by a vision the looking for gold He was satisfied with the activity So why continue to look for gold he asked himself If it was for the money then gold hunting was just another job *Keep Looking Up!* Leland Maples,2015-11-10 When I walked into the Big Spring Federal Prison Camp over thirty years ago I had no idea that God was going to change everything about my life I had no burden for inmates I was only going to teach a Bible class in prison because I could not get out of it For six years I drove 120 miles round trip every Friday night for that class The last two years of the six we drove back over on Saturday afternoon after visitation to work with the families It was during this time that the prison system began to expand at a rapid pace When we started into the prison in Big Spring it was the only prison west of Fort Worth in the entire state now we have about forty Men with vision like Don Gibson and Emmett Solomon were busy putting people and programs in place to meet the spiritual need of the largest prison system in the free world Linda and I were the greenest of all the volunteers Thank God the good ones took us under their wings and taught us **Keep Looking Up** Tammah Watts,2023-03-07 A BIRDING JOURNEY AT HOME AND BEYOND It began with a flutter of yellow feathers flitting through the trees casting beams of sunshine and promise that burst through her kitchen window This was her sign to look up As a licensed therapist Tammah Watts knew that she needed to seek and accept hope love and support to overcome her chronic pain and cultivate resilience But she could not predict that the little yellow bird would put her on the path to healing by fostering a powerful connection with birds and the experience of birding Tammah shares her emotional journey of finding comfort and inspiration from her feathered friends while providing practical tips and tools to help you Explore the practice of birdwatching from the comfort of your own home and community Increase your self awareness mindfulness and concentration Find acceptance and alignment with the spirit and beauty of birds Right outside your door flies just what you ve been looking for to help ease symptoms of stress pain depression and anxiety All you have to do is look up take notice and open your heart and mind No matter where you are what you look like or what you re going through you can create sacred space and connection with birds and begin to heal Be Encouraged, Be Inspired, and Be Motivated to Keep Looking Up B. Americana Music Lee Zimmerman,2019-01-23 With roots in Appalachia the Mississippi Delta New Orleans the Piedmont Memphis and the prairies of Texas and the American West the musical genre called Americana can prove difficult to define Nevertheless this burgeoning trend in American popular music continues to expand and develop winning new audiences and engendering fresh innovative artists at an exponential rate As Lee Zimmerman illustrates in *Americana Music* Voices Visionaries and Pioneers of an Honest Sound Americana covers a gamut of sounds and styles In its strictest sense it is a blanket term for bluegrass country mountain music rockabilly and the blues By a broader definition it can encompass roots rock country rock singer songwriters R B and their various combinations Bob Dylan Hank Williams Carl Perkins and Tom Petty can all lay valid claims as purveyors of Americana but so can Elvis Costello Solomon Burke and Jason Isbell Americana is new and old classic and contemporary trendy and traditional Mining the firsthand insights of those whose stories help shape the sound people such as Ralph Stanley John McEuen Nitty Gritty Dirt Band Chris Hillman Byrds Flying Burrito Brothers Paul Cotton and Rusty Young Poco Shawn Colvin Kinky Friedman David Bromberg the Avett Brothers Amanda Shires Ruthie Foster and many more Americana Music provides a history of how Americana originated how it reached a broader audience in the 60s and 70s with the merging of rock and country and how it evolved its overwhelmingly populist appeal as it entered the new millennium

The Crash of Little Eva Barry Ralph,2006-09-30 A riveting read the stuff of nightmares perhaps but testimony to the resilience of the human spirit and I couldn t put it down Red Harrison Weekend Australian Tales of human endurance and survival don t come much better than the one Barry Ralph tells Michael Jacobson Gold Coast Bulletin This tragic story is a moving account of the powers of human endurance It recounts in authentic detail the fateful circumstances of Little Eva s last mission from a remote U S air base in Far North Queensland and follows the dedicated searchers and skilled trackers who risked their lives trying to save the lost crewmen On December 2 1942 Little Eva an American B 24 Liberator went down in the Australian outback after a

failed bombing mission over New Guinea When the bombs failed to dislodge pilot Capt Norman Crosson decided to make a run for their secondary target after the bombardier made adjustments to the bomb bay On the way to their secondary target the plane ran into a severe storm and crashed forcing the men to parachute into the unknown Four men died in the crash while six crewmen landed safely The fate of the remaining six airmen and the attempts at finding them in the outback by Queensland Police led by Constable Bob Hagarty are faithfully researched and recounted in this story of survival **“Ten Days Mission,” January, 1875.
