**Family in Victorian England** Karl Ittmann,2016-07-27 What a pleasure to see this pathbreaking research in print Karl Ittmann s analysis of Bradford pushes forward our knowledge of the quiet revolution in social habits which took place in the late nineteenth century In particular his ability to link the decline of marital fertility with the reorganisation of work and gender roles is exemplary This book should be of interest to all specialists in Victorian social history David Levine The Ontario Institute for Studies in Education Toronto Work Gender and Family in Victorian England examines the impact of the Industrial Revolution upon the family and questions the extent to which ordinary working men and women shared the

Victorian values and prosperity of their middle class countrymen The book focuses on the industrial town of Bradford West Yorkshire in the second half of the nineteenth century and traces how men and women and their families adapted to the new life brought by the rise of the mill and the city *The Kenning Collection*, 1972 *A Study in Stone* Michael Campling, Dan Corrigan wants to disappear Burnt out by the pressures of corporate life he escapes to the countryside but a chance discovery draws him into a compelling mystery An ancient legend a coded message on a stone slab a secret concealed in a country manor house these clues propel Dan into an intriguing enigma He uncovers a hidden history but reputations are on the line and there are those who want the mystery to remain unsolved Uncovering the truth might give Dan the confidence to rebuild his life but if he fails there s no going back Can you solve this very British mystery Find out when you join Dan as he chases down the clues in *A Study in Stone* **The Shipwrecked Mariner** Anonymous, 2024-01-31 Reprint of the original first published in 1875 *Women, Collecting, and Cultures Beyond Europe* Arlene Leis, 2022-11-04 This book examines collecting around the world and how women have participated in and formed collections globally The edited volume builds on recent research and offers a wider lens through which to examine and challenge women s collecting histories Spanning from the seventeenth century to the twenty first although not organized chronologically the research herein extends beyond European geographies and across time periods it brings to light new research on how artificialia and naturalia were collected transported exchanged and or displayed beyond Europe *Women Collecting and Cultures Beyond Europe* considers collections as points of contact that forged transcultural connections and knowledge exchange Some authors focus mainly on collectors and what was collected while others consider taxonomies travel patterns of consumption migration markets and the after life of things In its broad and interdisciplinary approach this book amplifies women s voices and aims to position their collecting practices toward new transcultural directions including women s relation to distinct cultures customs and beliefs as well as exposing the challenges women faced when carving a place for themselves within global networks This study will be of interest to scholars working in collections and collecting conservation museum studies art history women s studies material and visual cultures Indigenous studies textile histories global studies history of science social and cultural histories **The Routledge Companion to Marine and Maritime Worlds 1400-1800** Claire Jowitt, Craig Lambert, Steve Mentz, 2020-05-21 This book has been nominated for The Mountbatten Award for Best Book in the Maritime Media Awards 2021 *The Routledge Companion to Marine and Maritime Worlds 1400 1800* explores early modern maritime history culture and the current state of the research and approaches taken by experts in the field Ranging from cartography to poetry and decorative design to naval warfare the book shows how once traditional and often Euro chauvinistic depictions of oceanic mastery during the early modern period have been replaced by newer global ideas This comprehensive volume challenges underlying assumptions by balancing its assessment of the consequences and accomplishments of European navigators in the era of Columbus da Gama and Magellan with an awareness of the sophistication and maritime expertise in Asia the Arab

world and the Americas By imparting riveting new stories and global perceptions of maritime history and culture the contributors provide readers with fresh insights concerning early modern entanglements between humans and the vast unpredictable ocean With maritime studies growing and the ocean s health in decline this volume is essential reading for academics and students interested in the historicization of the ocean and the ways early modern cultures both conceptualized and utilized seas

**Scholarly Electronic Publishing Bibliography** Charles W Bailey Jr,2009-07-10 The Scholarly Electronic Publishing Bibliography presents selected English language articles books and other printed and electronic sources that are useful in understanding scholarly electronic publishing efforts on the Internet Most sources have been published between 1990 and 2008 however a limited number of key sources published prior to 1990 are also included Peter Jacso said in ONLINE vol 27 no 3 2003 pp 73 76 SEP is compiled with utter professionalism It reminds me of the work of the best artisans who know not only every item that leaves their workshops but each component used to create them providing the ideal quality control The selection of items is impeccable I have yet to find journal articles irrelevant to the scope of the bibliography SEP could be used as a benchmark in evaluating abstracting indexing databases that proudly claim to have coverage of electronic publishing but do not come close to SEP
