#### **Face To Face With God Moses Eluma And Job:**

Face to Face with God Trevor Dennis, 1999 This commentary goes to the Old Testament to find stories that are plain speaking and robust bringing all the human emotions before God as though talking to God as a friend The author invites modern Christians to learn from these examples It looks at God's meeting with Moses his encounter with the wife of Manoah and his appearance before Job in the whirlwind <u>Job 38-42</u> David J. A. Clines, 2011-11-21 Complete the Old Testament series of the Word Biblical Commentary with Dr David Clines monumental study of Job Volume 18B is devoted entirely to the response of the Lord from the tempest to Job together with the replies of Job Job 38 42 presenting the Lord s own explanation of his manifold purposes in creation and bringing to an unexpected conclusion Job's dramatic quest for justice Difficult portions of the Hebrew text are thoroughly handled but the commentary is written for the non technical reader and scholar alike Clines uncovers the driving force of the argument and the drama of the book The Explanation sections at the end of each chapter brilliantly summarize the views of the speakers and offer thoughtful reflections on their theological value The volume concludes with a unique 250 page bibliography of virtually everything that has been written about the Book of Job including its influence on art music and literature Features include Complete new translation and verse by verse commentary on the Book of Job in constant dialogue with other commentators Extensive scholarly notes on the Hebrew text of the book and its many obscure terms Unparalleled bibliography gives sweeping coverage of all aspects of the Book of Job from scholarly books to art literature and music Spiritual Accompaniment and Counselling Peter Madsen Gubi, 2015-02-21 This collection considers how spiritual accompaniment and counselling can inform each other to improve therapeutic relationships and the spiritual dimension of care across professions *The Gospel Beyond the Gospels* Trevor Dennis, 2017-02-16 Within a few decades of the death of Jesus of Nazareth there emerged within the infant church five literary and theological geniuses Paul and the writers of the Gospels No works of literature have been subjected to such close persistent scrutiny by so many over the centuries Yet the Gospels continue not only to fascinate challenge and inspire but to reveal new treasures and throw up fresh problems Much depends on the questions we ask of them and the level of curiosity and honesty we bring to this task For while the Gospels represent four magnificent attempts to come to terms with Jesus and the God he revealed we cannot be surprised when they fail We should however be astonished that they take us so far into Truth then point even further on In this glorious book Trevor Dennis urges us to follow some of those pointers to investigate where they lead in the search for the bright gospel beyond the Gospels We will find ourselves in territory that is sometimes disturbing and sometimes heartening But never less than truly exhilarating The British National Bibliography Arthur James Wells, 2000 Kirjath sepher ,2000 Moses Elizabeth Rundle, 2005-01 This addition to the exciting study guides from the Cover to Cover range continues to provide a unique resource for group and individual study sessions lasting between one to two hours The seven stimulating sessions in Moses include opening ice breakers Bible references discussion

God provides instructions in the Ten Commandments sacrifices the building of the tabernacle and many other topics In these conversations God is giving Moses direction Moses had forty years in the wilderness speaking with God Apart from the directives what might these friendly conversations be Perhaps they were of a nature similar to those questions and discussions we might have with a friend about our faith In the years I ve had reading the Bible and in communion with others many friends have asked me questions and I ve asked God many questions as well such as If God were so loving why does he allow so much suffering in the world or Why do bad things happen to good people Rather than search scripture to seek answers many dismiss the faith Indeed we are told that scripture holds the answers to many of our questions but there is no index in the Bible where we can look up our questions Rather it is in the study and knowledge of God gained from daily reading and meditation that we can truly find answers This book is intended to serve several purposes The first is to illustrate that truly the Bible is the source for answers to our questions and to show how it can be used Secondly many Christians have little knowledge of the Old Testament so taking the questions from the viewpoint of Moses exposes us to the life at that time but also illustrates the many rich traditions and meanings referenced in the New Testament Third Moses is a pillar of the faith and worthy of study on his own because he was a unique and blessed person "Face to Face". Glimpses Into the Inner Life of Moses the Man of God ... Fifth Edition Jessie Penn-Lewis, 1931 Face to Face J. Penn-Lewis, 1903 Face to Face Face to Face Jen Baker, 2019-10-04 A unique look at Moses spiritual journey from hiding his face to Jessie Penn-Lewis, speaking face to face with God Moses hid his face from God yet later in the scriptures he spoke with God face to face What did it take for him to trust God enough to change positions and what can we learn from that journey Jen Baker skilfully explores these questions in Face to Face This masterful study of Moses life is interwoven with Jen's personal testimony which helps guide the reader on a journey towards a deeper intimacy with God However as Moses example shows this journey often means walking through challenges and trials Jen encourages us to see that these trials can actually be an opportunity to press in not to retreat resulting in the revelation that we are created for holiness not hiddenness Intimacy is the journey that takes us from one place to the other Whether you feel distant from God or want to deepen your relationship with him Face to Face will help encourage you to experience God in a new and powerful way The Moses Experience Megan I., 2021-09-09 On the pages of this book you will see a picture of love hope and ultimately surrender e dedication form one who can give it without failure defeat or threat of external forces God instills this in every individual who humbles themselves to embody it embrace it and yes embark upon it One of the greatest of all love and when seen in action what a display For whom and for what a person or family group of people Nation Yes Which is seen today for the whole wide world Who would hear their cry Who would deliver them Who would bring them out from a life that seems there was no end I invite you to come to get in the ride with me from the pages of this book sit back by a passenger as the dialogue begins see the time when a light at the end of a tunnel for Moses was not in sight than it appeared burning bright as a star in the night that could not be hidden the
