**Merchant Vessels of the United States** ,1938 *Rideau Waterway* Robert Legget,2001-12-15 Many years ago I decided to write a book about the Rideau Canal It is therefore with mixed feelings that I see that Robert Legget has beaten me to the tape He is to be congratulated The definitive work on the Rideau has been written and I shall value my copy Eric Arthur Since the publication of the first edition in 1955 Rideau Waterway has informed and delighted readers among them

**Far Off in Sunlit Places** Jim Hewitson,2010 Following his acclaimed chronicle of the Scots in America Jim Hewitson has now turned his attention to the second great area of Scottish migration Australia and New Zealand From the first penal colony in Botany Bay in 1788 to the glamorous story of Duntocher born 1930s speedway ace Ron Johnston Scots have played a role at every level in life and society of these two dynamic nations Rather than setting out as a comprehensive genealogical survey Far Off In Sunlit Places brims with colourful anecdote and remarkable family histories Illustrated by over a hundred fascinating historic black and white illustrations and enriched by Jim Hewitson s ability to trace the fortunes and misfortunes of a wonderful array of individuals be they farm boys or prime ministers the book offers a unique insight into the contribution made by the people of Scottish decent to the history of the Antipodes From coastline to desert from hill farms to the growing cities of both nations the narrative moves with fluid ease Far Off in Sunlit Places is popular history at its best highly readable and carrying its scholarship lightly It is a very fitting testimony to the resilience and ambition of Scots abroad

**East Coast of Scotland** Andy Carnduff,Forth Yacht Clubs Association,2023-05-30 This relatively remote cruising area at the edge of the North Sea has much to offer small and shoal draught boats that will take the ground but skippers of larger deeper keeled yachts will also find a good selection of harbours and anchorages to choose from particularly during settled conditions or in periods of offshore winds Ashore there is a long and rich history of Scottish culture and innovation to discover as well as superlative landscapes to explore Popular as a landfall destination for yachts sailing across the North Sea from the approaches to the Baltic the east coast of Scotland is well worth exploring as part of any circumnavigation of Great Britain This new Imray title benefits from the extensive local knowledge of Andy Carnduff and the members of the Forth Yacht Clubs Association and incorporates Martin Lawrence s earlier work Sailing directions and pilotage details are accompanied by listings of harbours and anchorages including facilities The book is illustrated throughout with Imray cartography and a good selection of

informative photographs including several aerials shots
