in his quest and together the Weider brothers accomplished things much bigger than Joe's boyhood dreams. The little muscle magazine Joe started working at his family's dining room table grew into a publishing empire. From a backyard barbell business, Joe and Ben built equipment and food supplement companies each as big as Weider Publishing. And they transformed bodybuilding into a hugely successful sport organized under one of the largest and best-run athletic federations in the world. The Weider brothers are heroes to bodybuilders and fans all over the world. They're heroes because they're revolutionaries. The Weiders changed the way people think about exercise, health, and what makes a body beautiful. They changed the world. *Brothers of Iron* tells their fascinating story. — *Omniflex* Edward L. Wallace B.Ed. MSc., 2023-02-09

*Omniflex* is a unique training system that incorporates five kinds of muscle contractions, five classes of muscle fibers combined with time under load, tonnage, intensity, and periodization. Current Eastern European training methods, restoration techniques, and variations are codified into a revolutionary unified system of strength training. — *The Island* Marlene Zarecki Goodell, 2014-07-21

Led back home to Neville Island, Pennsylvania, to help care for her terminally ill father during the last days of his life, Marlene Goodell is transported back into her memories living on the island during the 1960s as she and her friends skipped and danced their way through both the rough and smooth waters of their times. As personal loss prompts her to move from her present into days gone by, Goodell nostalgically shares a glimpse into post-World War II America as she reflects on her fascinating family history and an upbringing where she learned to embrace the simple and predictable island lifestyle amid a world embroiled in turmoil. Through her reflections, it soon becomes clear that her family's dreams for their life in America set the stage for every future decision. Eventually, this led them to set down roots on the Pennsylvania island and create a life where Goodell thrived, learned to respect the power of the water, and became an entrepreneur at age sixteen. *The Island* retells a nostalgic story as a girl grows up on Neville Island, Pennsylvania, and builds a firm foundation with strong convictions, a determination to persevere, and an unwavering love for family. — *Bodybuilding* Luis Severiche, 2013-07-05
