## Joe Kidd:

The Clint Eastwood Westerns James L. Neibaur, 2015-03-12 While the western was a staple of cinema for many decades the form began to fade as its greatest star John Wayne made fewer films of distinction toward the end of his career In the mid 1960s the genre was redefined by a handful of directors including Don Siegel and Italian filmmaker Sergio Leone who offered something edgier bloodier and more violent Working with both directors was an actor who had made a name for himself on the small screen in the hit western *Rawhide* While Clint Eastwood would also star in and direct a number of successes with contemporary settings his work in westerns represents the most significant part of his film career In *The Clint Eastwood Westerns* James L Neibaur takes a film by film look at each of the superstar s signature works from *A Fistful of Dollars* in 1964 to his modern day classic *Unforgiven* which earned him two Academy Awards including best director The author discusses in detail the production impact influences and successes both critical and commercial of each film In addition Neibaur examines the continued success and influence of these works how they redefined challenged and progressed the western genre The book also features chapters that look at Eastwood s other films in the context of his overall career From the spaghetti westerns he made with Leone including *The Good the Bad and the Ugly* to his revisionist look at the Old West in *Unforgiven* *The Clint Eastwood Westerns* shines a spotlight on some of the most thrilling films of the genre For devotees of Eastwood the actor or director or simply fans of the western this book is an entertaining look at one of Hollywood s most enduring stars

Aim for the Heart Howard Hughes, 2009-07-30 Clint Eastwood is one of the world s most popular action stars who has matured into a fine American producer director Entertaining illuminating and packed with information up to and including *The Changeling* this is the first book to cover his full life in the movies from his beginnings in 1950s B movies and in TV s *Rawhide* to *Gran Torino* showing how as both actor and filmmaker Eastwood aims for the heart of the drama whatever the story Howard Hughes follows Eastwood s craft through over 50 movies He looks at his launch into superstardom in Sergio Leone s 1960s spaghetti westerns *Back in America* he built on his success as western hero with such films as *High Plains Drifter* and *The Outlaw Josey Wales* winning an Oscar for *Unforgiven* in 1992 He blasted his way through the seventies and eighties as Inspector Harry Francis Callahan the last hope for law enforcement in San Francisco He also monkeyed around in two phenomenally popular films with Clyde the orang utan which brought tough guy Eastwood to a whole new audience and made him the biggest box office star of his generation *Aim for the Heart* also looks at Eastwood s more unusual roles including *The Beguiled* *The Bridges of Madison County* and *Million Dollar Baby* Since 1970 he has enjoyed parallel success as director producer of his own Malpaso Productions with *Bird* *Mystic River* and *Letters from Iwo Jima* demonstrating formidable directing credentials *Aim for the Heart* covers all Eastwood s movies of many genres in detail and Eastwood s story is illustrated with film stills glimpses behind the scenes and rare poster advertising material *Aim for the Heart* also includes the most comprehensive credits filmography has ever compiled on Eastwood s work as star and

Lenihan, 1980 Showdown is a study of America's oldest most representative film genre the Western movie from the perspective of social allegory It assesses scores of major and minor films to show how Westerns function as vehicles for contemporary social and political critiques of American life

**The Films of the Seventies** Marc Sigoloff, 2000-09-01 This is a comprehensive filmography of American British and Canadian feature films released during the decade of the 1970s Nearly 1 000 films are listed alphabetically each with cast including the characters they played and credits release date a five star rating system production company length the Motion Picture Association of America rating of G PG R or X various award winners are indicated with symbols and a brief summary of major plot details and characters and an evaluation of its virtues or flaws The box office rentals of each film achieving 4 million or more are also indicated

**Politics, Desire, and the Hollywood Novel** Chip Rhodes, 2008-09 The story of what happens when a serious writer goes to Hollywood has become a cliché the writer is paid well but underappreciated treated like a factory worker and forced to write bad formulaic movies Most fail become cynical drink to excess and at some point write a bitter novel that attacks the film industry in the name of high art Like many too familiar stories this one neither holds up to the facts nor helps us understand Hollywood novels Instead Chip Rhodes argues these novels tell us a great deal about the ways that Hollywood has shaped both the American political landscape and American definitions of romance and desire Rhodes considers how novels about the film industry changed between the studio era of the 1930s and 1940s and the era of deregulated film making that has existed since the 1960s He asserts that Americans are now driven by cultural rather than class differences and that our mainstream notion of love has gone from repressed desire to abnormal desire to finally strictly business

**Politics, Desire, and the Hollywood Novel** pays close attention to six authors Nathanael West Raymond Chandler Budd Schulberg Joan Didion Bruce Wagner and Elmore Leonard who have toiled in the film industry and written to tell about it More specifically Rhodes considers both screenplays and novels with an eye toward the different formulations of sexuality art and ultimately political action that exist

in these two kinds of storytelling      **Westerns in a Changing America, 1955-2000** R. Philip Loy, 2014-07-15 For many the Westerns of 1930 to 1955 were a defining part of American culture Those Westerns were one of the vehicles by which viewers learned the values and norms of a wide range of social relationships and behavior By 1955 however Westerns began to include more controversial themes cowardly citizens emotionally deranged characters graphic violence marital infidelity racial prejudice and rape among other issues This work examines the manner in which Westerns reflected the substantial social economic and political changes that shaped American culture in the latter half of the twentieth century Part One of this work considers shifting themes as the genre reacted to changes unfolding in the broader social landscape of American culture Part Two examines the manner in which images of cowboys outlaws lawmen American Indians and women changed in Westerns as the viewers were offered new understanding of the frontier experience      Clint Eastwood François Guérif, 1986
