He also fondly remembers dances and garden parties or times as he calls them. It's like a Dream to Me can be considered a time capsule of 20th century Newfoundland life. *La Famiglia Bianco* Apollo Dante, 2011-01-06

This is the story of Joey Bianco, a bastard child brought into this world February 1943 by Sarifino Fucelli, an eighteen-year-old unmarried Sicilian girl, Rose, and Joe Fucelli. Her parents are proud Sicilians suffering the stigma, embarrassment, and humiliation their daughter visited on their family. Sarifino had the misfortune of bearing Joseph, Joey Boy. Carluchi, son Joey Boy, is a married man with children; he is also the brutal underboss of his father-in-law's powerful Mafia Family. Sarifino is suffering severe abdominal pain after giving birth. Rose found her the following morning in a pool of blood, dead. The neighborhood gossip accused Joey Boy of being the father; he vehemently denied it. Absent love, compassion, or concern for the well-being of his offspring, he decided to remove the evidence. He sent his son to an orphanage in Washington, DC, thinking that will stop the gossip and calm his wife down. This story chronicles the anthology of Joey Bianco. Due to his indomitable spirit and tenacity, he managed to overcome a Catholic orphanage and a snake pit the State calls an orphanage. Surviving brutal, inhumane, totalitarian treatment received in countless foster homes, told every day of his life, he is not wanted, worthless, stupid, and will never amount to anything. He ran away at an early age, embracing the street, his only options survive or die. He chose his destiny with a single-minded purpose, relentlessly pursuing that destiny, allowing nothing to stand in his way, making no apologies for the path he chose. *Apollo Dante* *Where the Nations Meet* Stephen A. Rhodes, 1998-05-26

Stephen Rhodes proposes a biblical ministry, tested pastoral theology of multiethnic ministry. He shows how the church is called to serve and include all ethnicities, examines how the church can bring healing to a conflicted world, and suggests how such a ministry can be successfully conducted in churches. **Masters of New York** Robert Schultz, 2010-10

Masters of New York is a story of one man conquering evil on behalf of all of mankind. Joey Patroni has just returned to New York City after serving in Iraq. He has taken a job as driver for one of America's most powerful men, David Rockefeller. As Joey travels through New York City along with brothers David and Laurance to meet the delegates of the ancient and highly secretive Red and Green Societies, they dare to cross paths with a gentleman from the oldest family of New York City's eastern establishment, Mr. Alex William Bayard Van Cortlandt Van Rensselaer, the holder of the mysterious Book of Ages. The Red and Green Societies share co-ownership in the highest-priced real estate in the world, Midtown Manhattan's Rockefeller Center. The two groups vie for support from the historic landowner, the regent of Columbia University, Alex Van Rensselaer. The Van Rensselaers have been masters of this land since the discovery of the New World and from their inherited land and patroonship of Rensselaerswyck. They may be the ultimate power in the state of New York. The third generation and upstart family of the Rockefellers have seen their fortune and power rise since the time of the American Civil War. David Rockefeller finds that his power is far from being absolute as it is being pulled on from the past as well as the present. As the three

parties break from a simple land deal into a push for all out war it has become apparent to Joey that the world in which we live must change The time has come to pass the burning torch of wealth and power on to new players but pass the torch on to whom
