John Bunyan Maker Of Myths:

John Bunyan Jack Lindsay, 1969 *John Bunyan, Maker of Myths* Jack Lindsay, 1937 **John Bunyan, Maker of Myths** Jack Lindsay, 1969 This book is a biography of Bunyan But there would be no excuse for re telling the story of Bunyan s life unless one were considering it from a new angle with a new focus The new focus is here provided by the attempt to relate Bunyan s work in particular and the protestant movement in general to the social forces from which they sprang At the same time I have tried to analyze the myth making faculty in Bunyan and to show how his allegories take their place in the world of symbolism and myth Foreword *John Bunyan* Jack Lindsay, 1969 **John Bunyan** E. Beatrice Batson, 2025-03-03 First published in 1984 John Bunyan Allegory and Imagination is informed not only by an enthusiasm for Bunyan but by an understanding of the literary and theological currents of the time Criticism of John Bunyan has generally presented him as an artist in spite of himself an unreflective writer who chanced on a vein of untutored genius It is hard to believe that a work like the Pilgrim s Progress which has gripped readers through the centuries came to being entirely by chance In this book Professor Batson draws on the Augustinian tradition prevalent in the Middle Ages that literature reveals truth by similitudes and enhances spiritual understanding Without suggesting that Bunyan had a scholarly acquaintance with scholastic theory she shows how his writing embodies the approaches implicit in this attitude By lucid and penetrating analysis of each of the major works in turn she demonstrates Bunyan s skill in structuring his narrative his skill in dialogue his ability to demonstrate various levels of meaning his handling of the dream phenomenon and his emphasis on metaphor and memory She also shows how the allegory of the major works operates at a level of continuous metaphor This is a must read for scholars and researchers of English literature John Bunyan Tamsin Spargo, 2015 John Bunyan 1628-88 lived and wrote through some of the most turbulent years of political social and religious change in British history from civil war through Commonwealth and Protectorate to the Restoration Imprisoned for unlicensed preaching as a Nonconformist Bunyan turned to writing to sustain his pastoral mission and composed some of the best known and most critically acclaimed seventeenth century texts from his intensely moving spiritual autobiography Grace bounding to the Chief of Sinners to the world famous allegory The Pilgrim s Progress Bunyan s style fused vivid depiction of the everyday world of ordinary men and women with powerful narratives to dramatise his religious convictions This accessible study of his life times and writing introduces all his key works within the contexts of their original moment and later international impact and argues that Bunyan is a writer whose work continues to reward readers of all ages beliefs and nationalities **The Oxford Handbook of John Bunyan** Michael Davies, W. R. Owens, 2018-07-04 The Oxford Handbook of John Bunyan is the most extensive volume of original essays ever published on the seventeenth century Nonconformist preacher and writer John Bunyan Its thirty eight chapters examine Bunyan s life and works their religious and historical contexts and the critical reception of his writings in particular his allegorical narrative The Pilgrim s Progress Interdisciplinary and comprehensive it provides unparalleled scope and

expertise ranging from literary theory to religious history and from theology to post colonial criticism The Handbook is structured in four sections The first Contexts deals with the historical Bunyan in relation to various aspects of his life background and work as a Nonconformist from basic facts of biography to the nature of his church at Bedford his theology and the religious and political cultures of seventeenth century Dissent Part 2 considers Bunyan s literary output from his earliest printed tracts to his posthumously published works Offering discrete chapters on Bunyan s major works Grace Abounding to the Chief of Sinners 1666 The Pilgrim s Progress Parts I and II 1678 1684 The Life and Death of Mr Badman 1680 and The Holy War 1682 this section nevertheless covers Bunyan s oeuvre in its entirety controversial and pastoral narrative and poetic Section 3 Directions in Criticism engages with Bunyan in literary critical terms focusing on his employment of form and language and on theoretical approaches to his writings from psychoanalytic to post secular criticism Section 4 Journeys tackles some of the ways in which Bunyan s works and especially The Pilgrim s Progress have travelled throughout the world since the late seventeenth century assessing Bunyan s place within key literary periods and their distinctive developments from the eighteenth century novel to the writing of empire

John Bunyan and the Language of Conviction Beth Lynch, 2004 Bunyan s works re evaluated and considered in their Restoration and non conformist context This book undertakes a major reassessment of the works of John Bunyan 1628 88 the nonconformist author of The Pilgrim s Progress who was imprisoned for preaching his beliefs Through a reading of each of his narratives and many of his pastoral writings both in textual detail and in relation to the various traditions such as Reformed spirituality and the nonconformist trial within which he lived preached and wrote the author offers a systematic re evaluation of Bunyan s development as an author She presents new perspectives on his most popular works Grace Abounding and The Pilgrim s Progress whilst arguing that the significance of the lesser known Life and Death of Mr Badman and The Holy War has been severely underestimated and she shows how overall the works offer a candid document of nonconformist experience in the Restoration period John Bunyan and English Nonconformity Richard Greaves, 1992-07-01 This volume is a comprehensive collection of articles on Bunyan as well as including several broader views of the Nonconformist tradition The Cambridge Companion to Bunyan Anne Dunan-Page, 2010-06-10 A comprehensive introduction to Bunyan s life and works examining their place in the broader context of seventeenth century history and literature

Prisoner of Conscience Galen Johnson, 2007-01-01 Prisoner of Conscience is an interdisciplinary study of Bunyan s understanding of conscience to what degree it demands fidelity and how this affects Bunyan s relationship both to the modern emphasis on individualism and to historic Christianity This book deals with Bunyan s theological fictional and autobiographical writings often in comparison with his contemporaries such as the Quakers John Milton and Richard Baxter

Catalog of Copyright Entries. New Series Library of Congress. Copyright Office, 1938 *Dissenters, Radicals, Heretics and Blasphemers* John Hostettler, 2012 A stream of dissent protest uprising and rebellion is a central part of UK

history Taking key events from both the past and modern times John Hostettler demonstrates how when legitimate avenues of challenge to the actions of the state or other powerful groups are closed to people then they are bound to assert their rights in other ways

Great Tradition in English Lit Vol 2 Annette T. Rubinstein,1969 This is an illuminating interpretation of the life and work of twenty two major literary figures during three hundred years of English literature It reveals how they were rooted in the political and social movements of their own time with representative selections from their writings

Utopianism, Modernism, and Literature in the Twentieth Century A. Reeve-Tucker,N. Waddell,2013-05-07 Utopianism Modernism and Literature in the Twentieth Century considers the links between utopianism and modernism in two ways as an under theorized nexus of aesthetic and political interactions and as a sphere of confluences that challenges accepted critical models of modernist and twentieth century literary history An international group of scholars considers works by E M Forster Ford Madox Ford Wyndham Lewis Naomi Mitchison Katharine Burdekin Rex Warner Yevgeny Zamyatin Thomas Pynchon Elizabeth Bowen James Baldwin Toni Morrison and Ernst Bloch In doing so this volume s contributors prompt new reflections on key aspects of utopianism in experimental twentieth century literature and non fictional writing deepen literary historical understandings of modernism s socio political implications and bear out the on going relevance of modernism s explorations of utopian thought Utopianism Modernism and Literature in the Twentieth Century will appeal to anyone with an interest in how deeply and how differently modernist writers as well as writers influenced by or resistant to modernist styles engaged with issues of utopianism perfectibility and social betterment

Karl Marx's Social and Political Thought Bob Jessop,Russell Wheatley,1999 **The English Catalogue of Books Published from January, 1835, to January, 1863** ,1864 **British Marxist Criticism** Victor N. Paananen,2021-12-12 British

Marxist Criticism provides selective but extensive annotated bibliographies introductory essays and important pieces of work from each of eight British critics who sought to explain literary production according to the principles of Marxism

Orwell and Marxism Philip Bounds,2009-03-16 Whether as a fighter in the Spanish Civil War an advocate of patriotic Socialism or a left wing opponent of the Soviet Union George Orwell was the ultimate outsider in politics insecure scornful of orthodoxies cussedly independent Best known today as the author of Animal Farm and Nineteen Eighty Four Orwell also wrote seven other full length books and a vast number of essays articles and reviews A pioneering cultural critic he addressed a range of important issues including art literature Englishness mass communication and the spectre of totalitarianism Famously describing his own background as lower upper middle class Orwell had a complex relationship with Marxism and all his work reflects the influence of British communism In this thoughtful and original study Philip Bounds argues that Orwell s writings effectively took the form of a dialogue with the leading British Marxists of his day Bounds shows that Orwell often agreed with the Marxists and built on their insights in his writings while on other occasions he used his disagreements with them as the basis of his own critical position Through close analysis of Orwell s writings as well as his

historical and literary context Bounds has produced an important study of one of the iconic writers of the 20th century Orwell and Marxism offers a thorough introduction to Orwell the intellectual reviving his reputation as a serious cultural thinker and documenting his most important influences as well as a convincing portrait of British Marxism and society in the 1930s and 40s
