John Clares Autobiographical Writings:

John Clare's Autobiographical Writings John Clare, 1983 John Clare John Goodridge, Simon Kövesi, 2000 **John Clare in Context** Geoffrey Summerfield, Hugh Haughton, Adam Phillips, 1994-05-12 Critics including Seamus Heaney provide a welcome reappraisal in the wake of Clare's bicentenary **John Clare: Poems of the Middle Period, 1822-1837** John Clare, 1996 Completing the influential Oxford edition of Clare's collected poems this volume presents the poems of the Northborough period of Clare's creativity As with other volumes in the edition many of the poems have never before been published and Clare's spelling punctuation grammar and vocabulary have all been carefully preserved This final volume also includes corrections to the texts variants and notes in previously published volumes in the series along with a cumulative glossary and cumulative indices of first lines and titles that will assist readers in their use of the edition as a whole Clare's poetry deals not only with his own countryside but also with its ceremonies and celebrations its customs and games its political economic and religious concerns its proverbs tales and songs indeed with all aspects of its popular culture The poems of the Northborough period are some of Clare's best work demonstrating a particularly concise vision of Clare's experience of Nature **New Essays on John Clare** Simon Kövesi, Scott McEathron, 2015-07-29 Essays by leading scholars offer new insights into a remarkable poet and early advocate of environmental ethics and aesthetics **Autobiographical Writing and British Literature 1783-1834** James Treadwell, 2005-01-20 The word autobiography is a late eighteenth century coinage yet by 1826 it was used as the title for a multi volume anthology of self writing and in 1834 Thomas Carlyle wrote of these Autobiographical times of ours Over the course of those few decades readers and writers came to recognize and name a new genre This book is the first full study of the phenomenon examining both the conditions and the practice of autobiographical writing in Romantic literature Historians of autobiography have often pointed to the turn of the nineteenth century as a pivotal moment In Rousseau and De Quincey's *Confessions* Wordsworth's *Prelude* and other canonical documents it has been argued self writing begins to serve the purpose of expressing the individuality autonomy and interiority of the self A more wide ranging view of the actual state of autobiography at the time exposes this narrative as a misrepresentation Self writing does gain a new kind of prominence around 1800 not however because it articulates Romantic ideologies of selfhood but because it becomes a focus of scrutiny and of contention The decades of the Romantic period identified themselves as Autobiographical times but did so anxiously This book asks what forms did that recognition and that anxiety take within the literary culture of the period What did autobiography mean to Romantic readers and writers How do autobiographical texts of the period reflect express and negotiate these conditions As well as reading a wide variety of those documents with single chapters devoted to works by Coleridge Byron and Lamb Treadwell examines writing on and around autobiography essays reviews and other forms of commentary By preserving a continuous relation between the texts and their contexts this book offers the first proper study of what is actually meant by Romantic autobiography **John Clare**

John Clare R. Sales, 2001-12-12 This book situates John Clare's long prolific but often badly neglected literary life within the wider cultural histories of the Regency and earlier Victorian periods The first half considers the construction of the Regency peasant poet and how Clare performed this role on stages such as the London Magazine It also looks at the way in which it went out of fashion as Regency mentalities were replaced by early Victorian ones The second half recreates asylum culture and places Clare's performances as Regency boxers and Lord Byron within this bleak new world
