Circumstances determine the poet inheritance determines who the poet shall be It somehow seems to be a marvellous thing that a thrifty plain Quaker stock should come to such a flowering as was seen in John Greenleaf Whittier That iridescent colors should play over the Quaker drab That from the insignificant chrysalis should emerge the brilliant butterfly From Keltic origin one might expect any surprises Boyle OR eilly who had also something of the prophetic spirit who also threw himself generously into conflict with powers that did their best to crush him and make a martyr of him is explained by the fact that he was Keltic But one scarcely expects a singer from the ranks of sober Friends That is an anomaly and to explain the phenomenon one must look into Whittier sanecstry Four steps bring us back to the days of the Puritans *The Works of John Greenleaf Whittier* John Greenleaf Whittier,Elizabeth Hussey Whittier,2015-11-20 This work has been selected by
