## **John Owen On The Christian Life:**

**Owen on the Christian Life** Matthew Barrett, Michael A. G. Haykin, 2015-09-30 John Owen is widely hailed as one of the greatest theologians of all time. His many works, especially those encouraging Christians in their struggle against sin, continue to speak powerfully to readers today, offering much needed spiritual guidance for following Christ and resisting temptation day in and day out. Starting with an overview of Owen's life, ministry, and historical context, Michael Haykin and Matthew Barrett introduce readers to the pillars of Owen's spiritual life. From exploring his understanding of believers' fellowship with the triune God to highlighting his teaching on justification, this study invites us to learn about the Christian life from the greatest of the English Puritans. Part of the Theologians on the Christian Life series. *John Owen on the Christian Life* Sinclair B. Ferguson, 1987 John Owen on the Christian Life expounds Owen's teaching on the fundamental themes. It also stands on its own as a study in pastoral theology. **An Introduction to John Owen** Crawford Gribben, 2020-06-11 Over 3 centuries since his passing, Puritan John Owen continues to impact readers through his writings. With over 8 million words published in 80 titles, his topics were as diverse as they were many, ranging from theological works to sociopolitical topics such as the proper nurture and education of children. An Introduction to John Owen by Crawford Gribben is a theological survey of these works, inviting readers to experience anew the grace of God as they go through the Christian life. For Owen, spiritual life was about increasing in grace and goodness in fellowship with each member of the Trinity. This exploration captures the vision of the Christian life that Owen wished for his readers to have and distills it into an accessible companion volume. **The Trinitarian Devotion of John Owen** Sinclair B. Ferguson, 2014 The writing and teaching of John Owen, a 17th-century pastor and theologian, continues to serve the church. Daily communion with God characterized his life and equipped him for both ministry and persecution. In *The Trinitarian Devotion of John Owen*, Dr. Sinclair Ferguson offers careful reflection and insight for Christians today as he highlights Owen's faith in the triune God of Scripture. We are reminded that regardless of our circumstances, we can know God, enjoy Him, and encourage others. *The Life of John Owen, D.D.* John OWEN (D.D.), 1832 *The Ashgate Research Companion to John Owen's Theology* Mr. Mark Jones, Mr. Kelly M. Kipic, 2015-07-28 As a revival in Owen studies and reprints has taken place, this much-needed Companion by an international group of leading scholars helpfully explores key questions related to Owen's method, theology, and pastoral practice. Examining his thought through such topics as his epic work on the Holy Spirit, his developed view of faith and reason, and his contribution to the place of toleration, this book offers an authoritative exploration of Britain's greatest theologians. **The Works of John Owen: Life of Dr. Owen** John Owen, 1860 *Being in Christ* Hans Burger, 2009-01-01 Being in Christ is a central theme in the message of the gospel. It is central for understanding the relation of Christian believers and the church with Jesus Christ, their Lord. It determines the identity of a Christian. It is helpful for understanding the presence of Christ and his salvation in the present. It can be developed as an element of a theological ontology. Finally, it is a theme with a great

integrating power In this book the theme being in Christ is analyzed in different perspectives The attention is focused on the reality of being in Christ its ontological implications First two representatives of the Reformed tradition are investigated the English Puritan John Owen and the Dutch Neo Calvinist Herman Bavinck Second a reconstruction of the Pauline and Johannine perspectives on being in Christ is provided Third the theme is examined in the work of the English ethicist Oliver O Donovan and the German Swiss theologian Ingolf U Dalferth In the final chapter the author gives his own systematic theological proposal of a concept of being in Christ

**Holy Spirit and Reformed Spirituality** Joel R. Beeke, Derek Thomas, 2013-10-11 How does God bring His Word into our lives The answer is by the Holy Spirit By the Spirit the Word was revealed and written By the Spirit the Word became flesh and dwelt among us By the Spirit the Word roots itself in the hearts of sinners and produces fruit Calvin recognized long ago that the Holy Spirit is the bond of union between believers and Christ Jonathan Edwards said that the Spirit is the sum of all Christ bought for His people with His precious blood How precious then is the Spirit and how important to know Him and His ways In this book a team of pastor theologians uncover the rich biblical teachings about the work of the Holy Spirit How was the Spirit involved in the human life of Jesus Christ What is a spiritual person How does the Spirit open the mind of sinners to trust in Christ What does it mean to serve God in the power of the Spirit How does the Spirit's sovereign work relate to our responsibility in evangelism These questions and more are addressed in this book

**A New Creation in Christ** T. Michael Christ, 2024-08-08 What is the most important book on sanctification For John Murray it was Walter Marshall's The Gospel Mystery of Sanctification William Cowper praised Marshall I think Marshall one of the best and most spiritual expositors of Scripture The Marrow men also commended Marshall Even Andrew Murray believed Gospel Mystery to be the one book admitted by all to be the standard on sanctification Marshall's enduring value is well established yet scarcely any resources explain Marshall's theology T Michael Christ's A New Creation in Christ fills this void by exploring Marshall's theology in the context of the antinomian and neonomian controversies of Marshall's day At a time when interlocutors were pushing one another to further extremes Marshall achieves balance because he grounds sanctification in the believer's union with Christ and deploys two limiting concepts that discourage using one error to refute the other He insists both that some measure of assurance of

salvation must precede actual works of holiness refuting neonomianims and that holiness is a necessary part of salvation countering antinomianism A New Creation in Christ explores how these limiting concepts translate into practical help for those who as Marshall says pursue holiness under the guilt and power of indwelling sin *Themelios, Volume 49, Issue 2* Brian Tabb,2024-09-19 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor Brian Tabb Bethlehem College and Seminary Contributing Editor D A Carson Trinity Evangelical Divinity School Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary Heroes of Faith Gene Fedele,2003-03 2 000 Years of Christianity Be inspired through these godly men and women who changed their world for Christ Stories of supernatural courage callous disbelief and the life changing Gospel Contending for Our All John Piper,2006-01-20 Athanasius John Owen J Gresham Machen Each of these men stood for the truth of God s Word in the face of opposition all out of a deep love for Christ and a desire for people to know God in his fullness Popularity was not a concern and they took no joy in controversy for argument s sake However these men were willing to suffer for the sake of guarding the sanctity of the gospel Many threats years of exile deaths of loved ones opposition from friends and authorities sickness and pain none of these setbacks could keep these three from maintaining their efforts for the furthering of Christ s Kingdom or quench their zeal for Christ himself In his fourth book of The Swans Are Not Silent series Contending for Our All John Piper has given us biographies of Athanasius John Owen and J Gresham Machen bishop pastor and seminary founder In the life of each one personal holiness was emphasized publicly and privately despite suffering They were true soldiers for the sake of the cross and each man offers life lessons for Christians today Athanasius The deity of Christ and all its worth consumed Athanasius He devoted his life to defending it The great adversary was the Arian heresy Athanasius would be banished by the emperor five times He was contending for his all the essential life giving truth of Christ and his gospel John

Owen Communion with Christ was the focus of John Owen's vast intellect and expansive heart. He battled Christ-belittling errors of the mind and heart with passion and skill. Going deeper in the understanding of Christ was for him the key to going deeper in fellowship with him. J. Gresham Machen representing Christ in all his fullness with all of Scripture drove J. Gresham Machen. He saw in the liberal Christianity of the early twentieth century another religion. His exposure of its subtleties and his emphasis on the facts of history are astonishingly relevant for our time in the early twenty-first century. The Swans Are Not Silent. When Augustine handed over the leadership of his church in A.D. 426, his successor was so overwhelmed by a sense of inadequacy that he declared, "The swan is silent, fearing the spiritual giant's voice would be lost to time." But for 1,600 years, Augustine has not been silent, and neither have those who faithfully trumpeted the cause of Christ after him. Their lives have inspired every generation of believers and should compel us to a greater passion for God. Part of the "The Swans Are Not Silent" series.

**Communion with God** Kelly M. Kopic, 2024-09-03 The recent resurgence of interest in the Puritan John Owen has resulted in increasing requests for Kelly Kopic's *Communion with God*, which was one of the books that helped foster renewed attention on this classic theologian. This book is now back in print with a new preface by the author. According to Kopic, a variety of people today are rediscovering Owen, including academic theologians, ministers from different denominational backgrounds, and laypeople interested in classic forms of spirituality. With this diverse audience in mind, Kopic focuses on the concept of communion with God in Owen's thought, covering key areas such as anthropology, Christology, trinitarian studies, and the Lord's Supper. Kopic shows that Owen remains a rich dialogue partner for those engaged both in contemporary theology and pastoral practice.

**God's Irishmen** Crawford Gribben, 2007-08-16 Conflicts between Protestants and Catholics intensified as the Cromwellian invasion of 1649 inflamed the blood-soaked antagonism between the English and Irish. In the ensuing decade, half of Ireland's landmass was confiscated while thousands of natives were shipped overseas, all in a bid to provide safety for English Protestants and bring revenge upon the Irish for their rebellion in 1641. Centuries later, these old wounds linger in Irish political and cultural discussion. In his new book, Crawford Gribben reconsiders the traditional reading of the failed Cromwellian invasion as he reflects on the invaders' fractured mental world. As a tiny minority facing constant military threat, Cromwellian Protestants in Ireland clashed over theological issues such as conversion, baptism, church government, miraculous signs, and the role of women. Protestant groups regularly invoked the language of the Antichrist but used the term more often against each other than against the Catholics who surrounded them. Intra-Protestant feuds splintered the Cromwellian party. Competing quests for religious dominance created instability at the heart of the administration, causing its eventual defeat. Gribben reconstructs these theological debates within their social and political contexts and provides a fascinating account of the religious infighting, instability, and division that tore the movement apart. Providing a close and informed analysis of the relatively few texts that survive from the period, Gribben addresses the question that has dominated discussion of this period: whether the Protestants' small numbers, sectarian divisions, and

seemingly beleaguered situation produced an idiosyncratic theology and a failed political campaign      *Debating Perseverance* Jay T. Collier, 2018 The Church of England during the late sixteenth and early seventeenth centuries is usually described as forming either a Calvinist consensus or an Anglican middle way steeped in an ancient catholicity *Debating Perseverance* sheds light on the influence of both the early church and the Reformed churches on the church by surveying debates on perseverance of the saints in which readings of Augustine were involved It begins with a reassessment of the Lambeth Articles 1595 and the heated Cambridge debates in which they were forged demonstrating that perseverance played a critical role It then investigates the failed attempt of the British delegation to the Synod of Dort to achieve solidarity with the international Reformed community on perseverance in a way that was also respectful of minority opinions The study returns to English soil to evaluate the supposedly Arminian Richard Montagu and the turmoil he caused by challenging the Reformed consensus and the Synod of Dort It finishes by surveying a Puritan debate that occurred following England's civil war when the pro Dort party had triumphed Jay T Collier's study uncovers competing readings of Augustine on perseverance within the Reformed tradition one favoring the perseverance of the saints and the other denying it Rather than emphasizing one source of England's religious identity to the neglect of another this study recognizes England's struggles with perseverance as emblematic of its troubled pursuit of a Reformed and ancient catholicity      Communion with the Triune God (Foreword by Kevin J. Vanhoozer) John Owen, 2007-09-27 Does it make a difference that the God Christians claim to worship has revealed himself as triune the Father Son and Holy Spirit Does this fundamental truth of biblical authority have an effect on a believer's personal fellowship with God Puritan theologian John Owen recognized the great need for every believer to understand the triune God *Communion with the Triune God* revisits the truth presented by John Owen and challenges all believers to truly recognize and appreciate the ministry that God the Father God the Son and God the Holy Spirit have in their lives This work of John Owen encourages Christians to enjoy true communion with each person of the triune God
