The Works of Sir John Soane Sir John Soane's Museum, 1924 Sir John Soane, 1753-1837 John Summerson, 1952 **A Miscellany of Objects from Sir John Soane's Museum** Peter Thornton, Helen Dorey, Sir John Soane's Museum, 1992 For this book the curators have brought together 120 objects from Sir John Soane's Museum. A commentary accompanies each picture relating the story behind the object's acquisition or arrangement **The Works of Sir John Soane, F.R.S., F.S.A., R.A.** Sir John Soane, 1923 **Sir John Soane's Influence on Architecture from 1791** Mr Oliver Bradbury, 2015-03-28 Through examinations of internationally renowned architects Bradbury demonstrates that Sir John Soane's influence has been truly international in the pre-modern era reaching throughout the British Isles and beyond to North America and even colonial Australia. Through his inclusion of select detailed case studies Bradbury contends that Soane's is a continuing not negated legacy in architecture **John Soane** Gillian Darley, 1999-01-01 John Soane 1753-1837 was one of the most influential and original of all English architects. In this lavishly illustrated biography Darley places Soane's life and buildings side by side and her insights into this complex man and his turbulent life add a great deal to the understanding of his extraordinary work. 235 illustrations, 75 in color **Crude Hints Towards an History of My House in Lincoln's Inn Fields** John Soane, 2015 In 1812 the architect Sir John Soane 1753-1837 wrote a strange and perplexing manuscript *Crude Hints towards an History of my House in Lincoln's Inn Fields* in which in the guise of an Antiquary he imagines his home as a future ruin inspected by visitors speculating on its origins and function. Never published in his lifetime the manuscript has been meticulously transcribed and provided with an explanatory Introduction and footnotes by Helen Dorey, Deputy Director and Inspector of Sir John Soane's Museum. Originally published as part of an exhibition catalogue sixteen years ago this new edition has been extensively revised and updated. The text is accompanied by nineteen illustrations, seventeen of them in full colour **Catalogue of the Library in Sir John Soane's Museum** Sir John Soane's Museum. Library, 1878 **A General Description of Sir John Soane's Museum with Brief Notices of Some of the More Interesting Works of Art Therein** Sir John Soane's Museum, 1840 **Sir John Soane's Museum** Dr. E. A. Wallis Budge, 2018-03-12 Originally published in 1908 this is an account of the Sarcophagus of Seti I written by E. A. Wallis Budge, M.A., Litt.D., Keeper of the Egyptian and Assyrian Antiquities in the British Museum. Dr. Budge includes in his comprehensive essay a description of the tomb in which the Sarcophagus was discovered by Giovanni Belzoni in 1815 and in addition to describing the various scenes represented on the latter he further elucidates the subject with accounts of the religion of the worshippers of the gods Osiris and R. Sir John Soane's Museum is richly illustrated throughout with all the scenes depicted and is the most succinct account of this unique Sarcophagus General Description of Sir John Soane's Museum Sir John Soane's Museum, 1905 **Sir John Soane** Harry Joseph Birnstingl, 1925 **Sir John Soane's Museum** Susan Feinberg Millenson, 1987 *John Soane's Cabinet of Curiosities* Bruce Boucher, 2024-06-11 An in-depth study that sheds a fascinating new light on Sir John Soane 1753

1837 and his world renowned collection Sir John Soane's architecture has enjoyed a revival of interest over the last seventy years yet Soane as a collector the strategy behind and motivation for Soane's bequest to the nation has remained largely unexplored While Soane referred to the display of objects in his house and museum as studies for my own mind he never explained what he meant by this and the ambiguity surrounding his motivation remains perennially fascinating This book sheds light on a side of Soane's personality unfamiliar to most students of his life and work by examining key strands in his collection and what they reveal about Soane and the psychology of collecting Topics include the display of antiquities his fascination with ruins both literal and figurative his singular response to Gothic architecture and his investment in modern British painting and sculpture These aspects are bookended by an introductory biographical chapter that highlights the ways in which his family and career informed his collecting habits as well as an epilogue that analyses the challenges of turning a private house and collection into a public museum *The Works of Sir John Soane* Arthur T.
