Goodway, 2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world **I Saw Water** Ithell Colquhoun, 2015-01-09 Ithell Colquhoun 1906 1988 is remembered today as a surrealist artist writer and occultist Although her paintings hang in a number of public collections and her gothic novel *Goose of Hermogenes* 1961 remains in print critical responses to her work have been severely constrained by the limited availability of her art and writings The publication of her second novel *I Saw Water* presented here for the first time together with a selection of her other writings and images many also previously unpublished marks a significant step in expanding our knowledge of Colquhoun's work Composed almost entirely of material assembled from the author's dreams *I Saw Water* challenges such fundamental distinctions as those between sleeping and waking the two separated genders and life and death It is set in a convent on the Island of the Dead but its spiritual context derives from sources as varied as Roman Catholicism the teachings of the Theosophical Society Goddess spirituality Druidism the mystical Qabalah and Neoplatonism The editors have provided both an introduction and explanatory notes The introductory essay places the novel in the context of Colquhoun's other works and the cultural and spiritual environment in which she lived The extensive notes will help the reader with any concepts that may be unfamiliar **Thomas Henry Lyon** Michael Yelton, 2023-12-15 The first ever description of the life and work of Thomas Henry Lyon 1869 1953 an important but neglected twentieth century architect *Powys Checklist & Readers' Guide* Alan Howe, 1996 *"I Am Myself Alone"* Janina Nordius, 1997 Library of Congress Catalog Library of Congress, 1970 A cumulative list of works represented by Library of Congress printed cards **Twentieth Century Fiction**
