

John Dos Passos

Townsend Ludington

John Dos Passos:

John Dos Passos, a Reference Guide John Rohrkemper, 1980 **The Fiction of John Dos Passos** John David Brantley, 1961 The Early Dos Passos Reader John Dos Passos, 2013-04-19 This volume contains the following works of John Dos Passos *Three Soldiers* *One Man's Initiation* 1917 *Rosinante to the Road Again* *A Pushcart at the Curb* It also contains a nineteenth century polemic by his father John Randolph Dos Passos about why the United States should recognize Cuba John Dos Passos was born in Chicago on January 14 1896 His father was John Randolph Dos Passos many people get confused when making Internet searches for the son who is the more famous author by far The elder Dos Passos was married when the younger John Dos Passos was born out of wedlock Although the father married his son John's mother after the death of his wife in 1910 when the younger John Dos Passos was 14 he refused to acknowledge John as his son until he turned 16 In spite of these familial difficulties the younger John Dos Passos hereinafter referred to as simply John Dos Passos benefitted from an expensive first class education all presumably paid for by his father He enrolled at what now is called Choate Rosemary Hall preparatory school in Connecticut and then traveled with a private tutor on a six month tour to study art architecture and literature After he graduated from Harvard in 1916 he went to Spain where he volunteered as an ambulance driver during World War I before the United States entered the war In 1918 he enlisted in the U S Army Medical Corps During this time he completed a draft of his first novel *One Man's Initiation* 1917 which began his career as a highly successful writer After he started writing as a career he became friends with Ernest Hemingway and several other writers of the lost generation He soon began to see the United States as two nations one rich and one poor He spent several months in Russia studying socialism in 1928 In the 1930s he served on The American Committee for the Defense of Leon Trotsky the so called Dewey Commission which had been set up following the first of the Moscow Show Trials in 1936 He returned to Spain during the Spanish Civil War but his views on the Communists and Communism had already begun to change Dos Passos broke with Hemingway and others over attitudes towards the war and willingness to lend their names to deceptive Stalinist propaganda He and Hemingway became bitter enemies John Dos Passos would later write I have come to think especially since my trip to Spain that civil liberties must be protected at every stage He continued his career as a writer with the publication of numerous other books over thirty seven of which were published The last was published in 1970 the year of his death in Baltimore John Dos Passos is probably best known today for his U S A trilogy Unfortunately since these three books were published in the 1930s they do not appear to be available in the public domain in the United States Hence they are not included in this anthology A motivated reader can probably find a version of these books on the Internet In 1947 he was elected to membership in the prestigious American Academy of Arts and Letters John Dos Passos died on September 28 1970 in Baltimore Maryland which is why he is included in the Baltimore Authors series published by AfterMath A final note on his father is in order John Randolph Dos Passos was an authority on trusts and supported many of the most powerful

conglomerates and cartels in his writings Not surprisingly given the obviously tense and complex relationship between father and son the younger John Dos Passos wrote in opposition to many of his father's published positions in many of his books For purposes of comparison the arguments of the older Dos Passos about the liberation of Cuba from Spain are included in this volume It appears that his only connection to Baltimore is through his son **John Dos Passos** Townsend Ludington,1980 This authorized biography of John Dos Passos is both important and highly engaging important because it provides a portrait in action of one of the ablest American writers of this century searching critiques of all his works and straightforward analyses of the complex political and social backgrounds out of which they grew and engaging because of this shy modest friendly endearing and indefatigable man whose sterling character springs out of every page Carlos Baker on back of jacket

John Dos Passos Robert Gorham Davis,1962 **John Dos Passos** Max Eastman,1954 John Dos Passos John Dos Passos,1988 John Dos Passos and His World John Dos Passos,2003 **John Dos Passos: Novels 1920-1925 (LOA #142)** John Dos Passos,2003-09-15 Before he began the U S A trilogy Dos Passos prefigured his groundbreaking epic through three novels that provide a fascinating glimpse into his achievement as an avant garde prose stylist while they incisively chronicle early 20th century Europe and America *John Dos Passos* John Dos Passos,David Sanders,Claremont Graduate School. Oral History Program,1962 Includes questions and comments about Dos Passos novels his experiences political views and critics and his estimate of certain literary and political personalities *John Dos Passos. - New York (1961). 208 S. 8°* John H. Wrenn,1961 A fresh look at Dos Passos in the context of his life and his times and a reconsideration of his literary works with particular attention given to the trilogy U S A which is presented as a book of its author's memories

John Dos Passos Maria Zina Gonçalves de Abreu,Bernardo de Vasconcelos,2010 The contributions in this book draw attention to the close though sometimes ambiguous relationship between biography aesthetics ideology social critique and gender in Dos Passos's writings Most of the essays are important additions to the ongoing scholarly critique on the author's works considered in terms of innovative literary techniques and the myriad of literary representations as well as of core thematic issues that have helped define Dos Passos both as a towering figure of American Modernism and outspoken political and social critic Further to scrutinizing Dos Passos's biographic aspects and literary innovations the book also offers invaluable insights into the historiographical ideological and social dimensions of the American and to some extent European society of the time dominated by unprecedented social and political instability that shattered the American Dream of liberty and egalitarianism and by international warfare The present collection of essays is a worthy contribution to the growing body of critical studies on John Dos Passos's writings which indisputably endorse the status of his literary name

Works of John Dos Passos, The (17 Vols.) Dos Passos, J.,1991 The Fourteenth Chronicle John Dos Passos,Townsend Ludington,1974 John Dos Passos ,2005 *Dos Passos and the Ideology of the Feminine* Janet Galligani Casey,1998-09-28 A study of the the role of the feminine in Dos Passos's fiction The 42nd Parallel John Dos Passos,2000

With his U S A trilogy comprising THE 42nd PARALLEL 1919 and THE BIG MONEY John Dos Passos is said by many to have written the great American novel While Fitzgerald and Hemingway were cultivating what Edmund Wilson once called their own little corners John Dos Passos was taking on the world Counted as one of the best novels of the twentieth century by the Modern Library and by some of the finest writers working today U S A is a grand kaleidoscopic portrait of a nation buzzing with history and life on every page The trilogy opens with THE 42nd PARALLEL where we find a young country at the dawn of the twentieth century Slowly in stories artfully spliced together the lives and fortunes of five characters unfold Mac Janey Eleanor Ward and Charley are caught on the storm track of this parallel and blown New Yorkward As their lives cross and double back again the likes of Eugene Debs Thomas Edison and Andrew Carnegie make cameo appearances **John Dos Passos** J. H. Wrenn,1971 **The Portugal Story** John Dos Passos,2011-03-02 This selective history of Portugal reflects the author s fascination with his own Portuguese Madeiran heritage The work tracks the nation s rise and fall as a world power drawing from the author s travels and archival research Dos Passos writes historian J H Plumb brings to his material a novelist s acute eye for human character and a narrative skill that any historian might envy and he has produced one of the most readable books on the subject that I know *John Dos Passos's "The Big Money": Critical Perceptions of the United States during the 1920s* Julia Schubert,2006-06-27 Seminar paper from the year 2005 in the subject American Studies Literature grade 1.7 Martin Luther University Institut f r Anglistik und Amerikanistik course Modernism and Its Others U S American Literature and Culture in the 1920s language English abstract When the French philosopher critic and writer Jean Paul Sartre concluded an essay on the American novelist John Dos Passos in 1938 with the words I regard Dos Passos as the greatest writer of our time it was quite clear that the author of the trilogy U S A had joined the class of the most important and influential writers in American literature The three novels of the trilogy are critical documents and portraits of the history and life of the American nation during the first three decades of the 20 th century U S A is a social and political work that is shaped by the stylistic experimentation of the author who treats art in the service of history 1 and therefore leaves him in a literary outstanding position This term paper aims to explain and justify this position of Dos Passos by examining and analyzing The Big Money which was the final novel of U S A First of all this work will give an overview and assessment of the trilogy as a whole to facilitate an analytical insight into its meaning and purpose Secondly the four different styles of narration will be discussed The third part of the paper will deal with The Big Money What is the historical context of the novel Who are the main characters Finally the themes of the novel will be shortly summarized in the fourth part of this paper

John Dos Passos Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change.
