John Guare William Demastes, 2017-02-28 A comprehensive study of an award winning playwright known for unconventional blending of genres John Guare one of the most innovative and influential contemporary American playwrights of the last sixty years is best known for such works as *House of Blue Leaves* winner of an Obie Award the New York Drama Critics Circle Award for Best American Play and four Tony Awards and *Six Degrees of Separation* recipient of the New York Drama Critics Circle Award for Best American Play and the Olivier Best Play Award and a finalist for the Pulitzer Prize in Drama In *Understanding John Guare* William W Demastes provides a concise biography and analyzes the playwright's career from his earliest works produced off off Broadway in the 1960s to his most recent Broadway play *A Free Man of Color* a finalist for the 2011 Pulitzer Prize in Drama Often compared to his contemporaries Sam Shepard and David Mamet who have distinctive voices tied to their mastery of realistic idiomatic American English Guare has a style that is perhaps more varied Demastes speculates the result of his formal training in theater After earning a bachelor's degree from Georgetown University Guare earned an M F A from the Yale School of Drama He then polished his theater craft in New York City during the exciting and turbulent 1960s breaking from realist conventions and creating an unlikely blend of comedy burlesque stand up comedy and absurdly incongruous plotlines The result has been a theater of surprise that is rich in stage action and experimentally

invigorating Demastes examines Guare's tools and techniques such as mixing serious with comic creating characters who break into song and dance inserting stand up comedy routines and drawing from the most absurd incongruities of everyday life In doing so Guare has created plays about the best and worst of humanity about lost souls and about delusional ideals

Something I'll Tell You Tuesday John Guare, 1967 THE STORIES SOMETHING I LL TELL YOU TUESDAY About to enter the hospital for treatment of what may be a more grave condition than the others suspect Agnes reassures her husband Andrew and asks that they walk to the hospital together But their *The House of Blue Leaves* John Guare, 1971 Artie Shaugnessy is a songwriter with visions of glory Toiling by day as a zoo keeper he suffers in seedy lounges by night plying his wares at piano bars in Queens New York where he lives with his wife Bananas Who is Much to the chagrin of Artie's downstairs mistress Bunny Flingus who'll sleep with him anytime but refuses to cook until they are married On the day the Pope is making his first visit to the city Artie's son Ronny goes AWOL from Fort Dix stowing a home made bomb intended to blow up the Pope in Yankee Stadium Also arriving are Artie's old school chum now a successful Hollywood producer Billy Einhorn with starlet girlfriend in tow who holds the key to Artie's dreams of getting out of Queens and away from the life he so despises But like many dreams this promise of glory evaporates amid the chaos of ordinary lives John Guare Jane K. Curry, 2002-07-30 Best known for his plays *Six Degrees of Separation* and *The House of Blue Leaves* John Guare is a major figure in the contemporary American theater Other notable works by Guare include *Bosoms and Neglect* *Landscape of the Body* and the *Lydie Breeze* series His career began with off off Broadway experimentation in the sixties and continues through the present In that time Guare has created many imaginative eccentric plays that reflect the chaos violence and loneliness of life in our time He frequently combines outrageous farce with painfully serious subject matter This sourcebook is both a convenient reference and a resource for further investigation of Guare's works The volume chronicles his achievements with a chronology and biographical essay It also includes summaries of his published and unpublished plays overviews of the critical reception of each work production credits a primary bibliography of dramatic and nondramatic writings and extensive annotated bibliographies of reviews and other secondary material A Free Man of Color John Guare, 2014 Before law and order took hold New Orleans was boisterous before class racial and political lines were drawn it was a parade of beautiful women and good looking men flowing wine and pleasure for the taking At the center of this Dionysian world is Jacques Cornet who commands the men seduces the women preens like a peacock and cuts a wide swath through the city and the province But it is 1801 and the map of New Orleans is about to be redrawn The Louisiana Purchase will bring American rule to New Orleans challenging the chaotic colorful world of Jacques Cornet and all that he represents

John Guare's Theatre Robert J. Andreach, 2009-01-14 From the 1960s to the present day John Guare's plays have ranged from one act to cyclic realistic to surrealistic naturalistic to experimental and tragic to comic dramas This study's approach to the cornucopia the playwright himself provided when in an interview he gave a fundamental aesthetic principle

of his craft Like a person and Guare's plays develop the personal as well as the artistic self a play must be grounded in reality only then can it soar The ground is traditional theatre with characters no matter how larger than life they can be and plot no matter how illogical it can be The soaring is in interrupting the action with monological narratives and musical interludes bringing characters back from the dead and having the action take hairpin turns into a mixture of genres and styles modes and tones In verbal and visual images the flight invokes works by authors as varied as Aeschylus and Whitman Dante and Feydeau Verdi and Romberg Soaring from ground to new ground the theatre creates the transmission of the American heritage in Lake Hollywood an idealism corrupted by a fraudulent American Dream in *Lydie Breeze* and the recovery of the past in *A Few Stout Individuals* As Guare said about his plays they interconnect *Four Baboons Adoring the Sun and Other Plays* John Guare, 2016-11-30 The setting is Sicily the island where the gods once spent their holidays The principals are a newlywed couple in their forties who hope to meld the children of their previous marriages into a brave new postnuclear family But in John Guare's vastly original and eerily beautiful new play any family may be reconstructed as a tragic pantheon enacting passion as ancient as the strata of an archaeological dig and as catastrophic as an earthquake **Lydie Breeze** John Guare, 1982 Cast size medium **The House of Blue Leaves and Chaucer in Rome** John Guare, 2002-06-01 From an American playwright who is in a class by himself two acclaimed plays linked by a character who comes of age in the sixties The New York Times In John Guare's classic play *The House of Blue Leaves* winner of the New York Drama Critics Circle Award for best play the Pope is visiting New York and eighteen year old Ronnie goes AWOL from the army to come home to New York and blow up the Pope as he passes his house In his new play *Chaucer in Rome* it is the year 2000 and Ron and his wife come to Rome to search for their son With his inimitable wit and understanding Guare has written two scathingly funny satires on the warping hunger for fame and the betrayal involved in creating art Praise for *The House of Blue Leaves* Splendid a joyful affirmation of life and of John Guare's artistry The New York Times A woozy fragile hilarious heartbreaker the writing is lush with sad ironic wisdom about fame love and deluded values USA Today Praise for *Chaucer in Rome* Guare makes us become voyeurs even as we scorn voyeurism thus offering a titillating troubling commentary on life USA Today Guare's most disciplined merciless yet lovable work since *Six Degrees of Separation* and maybe his best yet New York Newsday **Three Exposures** John Guare, 1982 Landscape of the body Moving back and forth in time the action of the play is a mosaic of short scenes monologues and original songs all blending together into a revealing and affecting study of the American Dream gone awry The play moves on many levels In one sense it is a murder mystery a boy is found dead and his mother is suspected of his killing But as the investigation of the crime proceeds other themes emerge and combine with it **Rich and Famous** John Guare, 1977-10 THE STORY One of the world's oldest living promising young playwrights Bing Ringling is finally about to be produced with play number 844 But unfortunately his lady producer having had a series of successes now yearns for a flop so she can *Four Baboons Adoring the Sun* John Guare, 1995 The extraordinary
