John Philip Sousa The March King:

Making the March King Patrick Warfield, 2013-10-16 John Philip Sousa's mature career as the indomitable leader of his own touring band is well known but the years leading up to his emergence as a celebrity have escaped serious attention. In this revealing biography Patrick Warfield explains how the March King came to be by documenting Sousa's early life and career. Covering the period 1854 to 1893, this study focuses on the community and training that created Sousa, exploring the musical life of late nineteenth century Washington D C and Philadelphia as a context for Sousa's development. Warfield examines Sousa's wide ranging experience composing, conducting, and performing in the theater, opera house, concert hall, and salons, as well as his leadership of the United States Marine Band and the later Sousa Band, early twentieth century America's most famous and successful ensemble. Sousa composed not only marches during this period but also parlor minstrel and art songs, parade concert and medley marches, schottisches, waltzes, and polkas, and incidental music, operettas, and descriptive pieces. Warfield's examination of Sousa's output reveals a versatile composer much broader in stylistic range than the bandmaster extraordinaire remembered as the March King. In particular, *Making the March King* demonstrates how Sousa used his theatrical training to create the character of the March King, The exuberant bandmaster who pleased audiences was both a skilled and charismatic conductor and a theatrical character whose past and very identity suggested drama, spectacle, and excitement. Sousa's success was also the result of perseverance and lessons learned from older colleagues on how to court win and keep an audience. Warfield presents the story of Sousa as a self-made business success, a gifted performer and composer who deftly capitalized on his talents to create one of the most entertaining, enduring figures in American music. *John Philip Sousa* Carol Greene, 1992 A simple biography of the famous band leader and composer who was known as the March King. *John Philip Sousa* Mina Lewiton, 1944 Fictionized life of Sousa for children.

The March King and His Band Kenneth Berger, 1957 **The Life and Times of John Philip Sousa** Susan Zannos, 2019-12-05 The most famous of the bandmaster composers was John Philip Sousa, 1854-1932, who in 1880 became leader of the U S Marine band. In 1892 he organized his own band that toured throughout the world. Known as The March King, Sousa was a highly skilled composer of marches. He wrote more than one hundred of them, including the famous *Stars and Stripes Forever*, that became the official United States march in 1987. A strong-willed child, Sousa's first memories of his childhood include the time he was not permitted to eat as many donuts as he wanted, so he ran away in the rain and laid outside for a half an hour. He got so sick he almost died. But the best story Sousa tells is the one where he almost ran away to join the circus band.

John Philip Sousa, 1854-1932 Kathryn McKee Willis, 1993 **The Fifth String** John Philip Sousa, 2022-09-16 In *The Fifth String*, John Philip Sousa intertwines narrative with a rich exploration of music's influence on human emotion and experience.
