John Sherman Cooper The Global Kentuckian:

John Sherman Cooper Robert Schulman,2004-05-01 From the late 1940s through the 1970s John Sherman Cooper a quiet lawyer from Kentucky ascended to become one of America s leading statesmen Cooper s embodiment of the values of his rural upbringing his understanding of people and their problems and his openness and integrity were the qualities that Schulman believes paradoxically won him success in dealing with the most powerful and sophisticated of the world s leaders They are the qualities elicited in this warm memoir Cooper s political career began in his native Pulaski County where he served two terms as county judge during the Depression But its climax came in the United States Senate Upon his retirement in 1972 he was hailed as one of the most influential in the history of that body First elected to the Senate in 1947 Cooper worked for internationalism from the beginning of his career later led the fight against the ABM and with Frank Church sponsored crucial amendments that ushered in the withdrawal from Vietnam Balanced against this senate career are his contributions in diplomacy representative to the UN the establishment of NATO ambassador to India a confidential mission to India and Russia and appointment as the first American ambassador to the German Democratic Republic In these positions he won the respect even the admiration of leaders as diverse as Willy Brandt Anastas Mikoyan and Jawaharlal Nehru

John Sherman Cooper Robert Schulman,2021-12-14 From the late 1940s through the 1970s John Sherman Cooper a quiet lawyer from Kentucky ascended to become one of America s leading statesmen Cooper s embodiment of the values of his rural upbringing his understanding of people and their problems and his openness and integrity were the qualities that Schulman believes paradoxically won him success in dealing with the most powerful and sophisticated of the world s leaders They are the qualities elicited in this warm memoir Cooper s political career began in his native Pulaski County where he served two terms as county judge during the Depression But its climax came in the United States Senate Upon his retirement in 1972 he was hailed as one of the most influential in the history of that body First elected to the Senate in 1947 Cooper worked for internationalism from the beginning of his career later led the fight against the ABM and with Frank Church sponsored crucial amendments that ushered in the withdrawal from Vietnam Balanced against this senate career are his contributions in diplomacy representative to the UN the establishment of NATO ambassador to India a confidential mission to India and Russia and appointment as the first American ambassador to the German Democratic Republic In these positions he won the respect even the admiration of leaders as diverse as Willy Brandt Anastas Mikoyan and Jawaharlal Nehru

A New History of Kentucky James C. Klotter,Craig Thompson Friend,2018-11-26 When originally published A New History of Kentucky provided a comprehensive study of the Commonwealth bringing it to life by revealing the many faces deep traditions and historical milestones of the state With new discoveries and findings the narrative continues to evolve and so does the telling of Kentucky s rich history In this second edition authors James C Klotter and Craig Thompson Friend provide significantly revised content with updated material on gender politics African American history and cultural history This wide

ranging volume includes a full overview of the state and its economic educational environmental racial and religious histories At its essence Kentucky s story is about its people not just the notable and prominent figures but also lesser known and sometimes overlooked personalities The human spirit unfolds through the lives of individuals such as Shawnee peace chief Nonhelema Hokolesqua and suffrage leader Madge Breckinridge early land promoter John Filson author Wendell Berry and Iwo Jima flag raiser Private Franklin Sousley They lived on a landscape defined by its topography as much as its political boundaries from Appalachia in the east to the Jackson Purchase in the west and from the Walker Line that forms the Commonwealth s southern boundary to the Ohio River that shapes its northern boundary Along the journey are traces of Kentucky s past its literary and musical traditions its state level and national political leadership and its basketball and bourbon Yet this volume also faces forthrightly the Commonwealth s blemishes the displacement of Native Americans African American enslavement the legacy of violence and failures to address poverty and poor health A New History of Kentucky ranges throughout all parts of the Commonwealth to explore its special meaning to those who have called it home It is a broadly interpretive all encompassing narrative that tells Kentucky s complex extensive and ever changing story

The US Senate and the Commonwealth Mitch McConnell, Roy E. Brownell II, 2019-06-07 Kentucky has long punched above its weight in the US Senate as some of the nation s most distinguished senators have hailed from the Commonwealth Despite its relatively small population for much of American history Kentucky has produced a record two Senate majority leaders a record three Senate majority whips and one of the country s greatest lawmakers Henry Clay These Kentuckians played an important role in the evolution of leadership institutions in the Senate Official positions such as Senate majority leader and majority whip are nowhere to be found in the Constitution or early American history yet today these offices have essentially eclipsed the constitutionally created legislative leadership positions of vice president and president pro tempore While Kentucky senators have played a vital role in leading the Senate and in its institutional history no book has told the story in its entirety The US Senate and the Commonwealth is the first book of its kind to provide a detailed yet accessible discussion of the US Senate s leadership throughout its 225 year history Senator Mitch McConnell and Roy E Brownell II weave together the history of the Senate with lively portraits of prominent Kentucky senators as well as firsthand reflections about legislative leadership by a Senate majority leader The authors illuminate and humanize this discussion by exploring the colorful and vivid lives of fifteen Kentucky lawmakers including Henry Clay Alben Barkley and John Sherman Cooper This compelling and fascinating study is an essential resource

A New History of Kentucky Lowell H. Harrison, James C. Klotter, 1997-03-27 The first comprehensive history of the state since the publication of Thomas D Clark s landmark History of Kentucky over sixty years ago A New History of Kentucky brings the Commonwealth to life from Pikeville to the Purchase from Covington to Corbin this account reveals Kentucky s many faces and deep traditions Lowell Harrison professor emeritus of history at Western Kentucky University is the author of many books including George Rogers Clark and the War in the

West The Civil War in Kentucky Kentucky's Road to Statehood Lincoln of Kentucky and Kentucky's Governors *Alben Barkley* James K. Libbey, 2016-04-15 Born to poor tenant farmers in a log cabin in Graves County Kentucky Alben Barkley 1877 1956 rose to achieve a political stature in the US equalled by few of his contemporaries James K Libbey provides a full length biography of this larger than life personality as Barkley transitioned from local politician to congressman then senator senate majority leader vice president and senator once again

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

[Vietnam and the American Political Tradition](#) Randall B. Woods, 2003-02-24 This volume is intended to demonstrate how opposition to the war in Vietnam the military industrial complex and the national security state crystallized in a variety of different and often divergent political traditions Indeed for many of the figures discussed dissent was a decidedly conservative act in that they felt that the war threatened traditional values mores and institutions even though their definitions of what was sacred differed profoundly To an extent many of the dissenters treated in this volume were at one time Cold War liberals During the course of the Vietnam War they came to see the foreign policy which they were supporting with its willingness to invoke the democratic ideal and at the same time tolerate dictatorships in the cause of anticommunism as morally and politically corrupt Most dissenters increasingly came to perceive cold war liberalism as a radical departure that threatened the fundamental ideals of the republic

A Nation Forged in War Thomas A. Bruscino, 2013-05-12 World War II shaped the United States in profound ways and this new book the first in the Legacies of War series explores one of the most significant changes it fostered a dramatic increase in ethnic and religious tolerance A Nation Forged in War is the first full length study of how large scale mobilization during the Second World War helped to dissolve long standing differences among white soldiers of widely divergent backgrounds Never before or since have so many Americans served in the armed forces at one time more than 15 million donned uniforms in the period

from 1941 to 1945 Thomas Bruscino explores how these soldiers shared experiences enduring basic training living far from home engaging in combat transformed their views of other ethnic groups and religious traditions He further examines how specific military policies and practices worked to counteract old prejudices and he makes a persuasive case that throwing together men of different regions ethnicities religions and classes not only fostered a greater sense of tolerance but also forged a new American identity When soldiers returned home after the war with these new attitudes they helped reorder what it meant to be white in America Using the presidential campaigns of Al Smith in 1928 and John F Kennedy in 1960 as bookend events Bruscino notes a key change in religious bias Smith s defeat came at the end of a campaign rife with anti Catholic sentiment Kennedy s victory some three decades later proved that such religious bigotry was no longer an insurmountable obstacle Despite such advances Bruscino notes that the growing broad mindedness produced by the war had limits it did not extend to African Americans whose own struggle for equality would dramatically mark the postwar decades Extensively documented A Nation Forged in War is one of the few books on the social and cultural impact of the World War II years Scholars and students of military ethnic social and religious history will be fascinated by this groundbreaking new volume

Three Barons James Lateer, 2017-11-16 The Three Barons proves that it is possible with enough research to reconstruct the organizational chart of the JFK plot This book provides the first useful in depth analysis of the 120 phone calls by LBJ in the week following the assassination regarding such items as the Civil Rights Act demands made by the military and similar political power plays The Three Barons presents the first use of statistical factor analysis to identify the plotters using a database of 30 books and 1500 names and examines the military officers allegedly close to the plot such as NATO Commander Gen Lyman Lemnitzer General Lauris Norstad and JFK s advisor Gen Maxwell Taylor For the first time the National Security Council its structure and its members are scrutinized for their obvious role in the JFK plot More specifically The Three Barons explains the role of Treasury Secretary C Douglas Dillon and his father investment banker Clarence Dillon who likely had fascist sympathies This book identifies for the first time why there were three actual barons involved in the plot and why at least three members of the Warren Commission had powerful Nazi connections beginning in WWII and continuing through November 22 1963

Dear Alben James K. Libbey, 2014-07-11 Alben Barkley s final words before he was struck down by a heart attack summed up his long eventful life I have served my country and my people for half a century as a Democrat I went to the House of Representatives in 1913 and served fourteen years I was a junior Congressman then I became a senior Congressman then I went to the Senate and became a junior Senator and then I became a senior Senator and then a Majority Leader in the Senate and then Vice President of the United States and now I am back again as a junior Senator And I am willing to be a junior I m glad to sit in the back row for I would rather be a servant in the house of the Lord than sit in the seats of the mighty Dear Alben Mr Barkley of Kentucky traces Kentucky civil servant Alben Barkley s life from humble beginnings in rural Kentucky to the seats of power in the nation s capital Barkley is revealed as a

Wilsonian liberal before he became an apostle of the New Deal His support of these Democratic programs was the result not so much of party loyalty as of a social conscience that had been honed during the impoverished years of his youth James K Libbey brings into clear focus the role of a forceful Kentuckian in national politics in two eras of rapid change and reform

Biographical Directory of the United States Congress, 1774-2005 United States. Congress,2005 Lists every member of the U S House and Senate since 1789 with brief biographical entries on each member *The Kentucky Encyclopedia* John E. Kleber,2014-10-17 The Kentucky Encyclopedia s 2 000 plus entries are the work of more than five hundred writers Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today s headlines recording Kentuckians achievements in art architecture business education politics religion science and sports Biographical sketches portray all of Kentucky s governors and U S senators as well as note congressmen and state and local politicians Kentucky s impact on the national scene is registered in the lives of such figures as Carry Nation Henry Clay Louis Brandeis and Alben Barkley The commonwealth s high range from writers Harriette Arnow and Jesse Stuart reformers Laura Clay and Mary Breckinridge and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn Merle Travis and the Everly Brothers Entries describe each county and county seat and each community with a population above 2 500 Broad overview articles examine such topics as agriculture segregation transportation literature and folklife Frequently misunderstood aspects of Kentucky s history and culture are clarified and popular misconceptions corrected The facts on such subjects as mint juleps Fort Knox Boone s coonskin cap the Kentucky hot brown and Morgan s Raiders will settle many an argument For both the researcher and the more casual reader this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource *People of the Upper Cumberland* Michael E. Birdwell,William Calvin Dickinson,2024-01-12 Unified by geography and themes of tradition and progress the essays in this anthology present a complex view of the Upper Cumberland area of Tennessee and Kentucky a remote and in some ways mysterious region and its people The distinguished contributors cover everything from early folk medicine practices Opless Walker to the changing roles of women in the Upper Cumberland Ann Toplovich to rarely discussed African American lifeways in the area Wali R Kharif The result is an astonishingly fresh contribution to studies of the Upper Cumberland area Randall D Williams s essay on the relatively unknown history of American Indians in the region opens the collection followed by Michael Allen s history of boating and river professions on the Cumberland River Al Cross and David Cross illuminate the Republican politics of the Kentucky section of the Upper Cumberland while Mark Dudney provides a first of its kind look at the early careers of distinguished Tennesseans Cordell Hull and John Gore Equally fresh is Mary A Evins s examination of the career of Congressman Joe L Evins and coeditor Michael E Birdwell and John B Nisbet III contribute an in depth piece on John Catron the Upper Cumberland s first Supreme Court justice Troy D Smith s essay on Champ Ferguson sheds new light on the Confederate guerilla Birdwell s second contribution an exploration of the history of

moonshine provides insight into a venerable Cumberland tradition Pairing well with Walker's essay Janey Dudney and coeditor W Calvin Dickinson discuss the superstitions faced by early Upper Cumberland medical professionals Closing out the grouping of medical articles is Dickinson's second chapter which tells the story of Dr May Cravath Wharton and her contribution to the region's health care Laura Clemons explores the relationship between composer Charles Faulkner Bryan and his gifted African American pupil J Robert Bradley during the Jim Crow era Birdwell's third chapter and the collection's final essay examines race relations in the Upper Cumberland Offering a broad look at one of the most understudied regions of the Volunteer State this significant addition to Tennessee history will prove insightful for students and academics with interdisciplinary and cross historical interests Michael E Birdwell is a professor of history at Tennessee Technological University and the author of several books including *Celluloid Soldiers* Warner Bros's Campaign against Nazism and *Rural Life and Culture of the Upper Cumberland* W Calvin Dickinson is a professor emeritus of history at Tennessee Technological University He is the author and editor of several books including *Sister States* *Enemy States* *The Civil War in Kentucky* and *Tennessee and Tennessee State of the Nation* now in its second edition

The American South and the Vietnam War Joseph A. Fry, 2015-06-19 To fully comprehend the Vietnam War it is essential to understand the central role that southerners played in the nation's commitment to the war in the conflict's duration and in the fighting itself President Lyndon B Johnson of Texas and Secretary o

The United States Senate, a Historical Bibliography Richard A. Baker, United States Congress. Senate. Historical Office, 1977

Hard Times and New Deal in Kentucky George T. Blakey, 2021-10-21 The Great Depression and the New Deal touched the lives of almost every Kentuckian during the 1930s Fifty years later the Commonwealth is still affected by the legacies of that era and the policies of the Roosevelt administration George T Blakey has written the first full study of this turbulent decade in Kentucky and he offers a fresh perspective on the New Deal programs by viewing them from the local and state level rather than from Washington Thousands of Kentuckians worked for New Deal programs such as the Civilian Conservation Corps and the Works Projects Administration thousands more kept their homes through loans from the Home Owners Loan Corporation Tobacco growers adopted new production techniques and rural farms received their first electricity because of the Agricultural Adjustment and Rural Electrification administrations The New Deal stretched from the Harlan County coal mines to a TVA dam near Paducah and it encompassed subjects as small as Social Security pension checks and as large as revived Bourbon distilleries The impact of these phenomena on Kentucky was both beneficial and disruptive temporary and enduring Blakey analyzes the economic effects of this unprecedented and massive government spending to end the depression He also discusses the political arena in which Governors Laffoon Chandler and Johnson had to wrestle with new federal rules And he highlights social changes the New Deal brought to the Commonwealth accelerated urbanization enlightened land use a lessening of state power and individualism and a greater awareness of Kentucky history *Hard Times and New Deal* weaves together private memories of

older Kentuckians and public statements of contemporary politicians it includes legislative debates and newspaper accounts government statistics and personal reminiscences The result is a balanced and fresh look at the patchwork of emergency and reform activities which many people loved many others hated but no one could ignore **The Encyclopedia of the Cold War**

Spencer C. Tucker, 2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO's The Encyclopedia of the Cold War A Political Social and Military History offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union The Encyclopedia of the Cold War provides authoritative information on all military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time

Statesmen and Mischief Makers: Scott Crass, 2015-09-26 History has produced many individuals who have impacted the times Some are well known others barely recognized My book follows two paths One examines officeholders who served between 1960 and 1988 famous or obscure whose actions gave way to an even more famous person's career Others are Governors credited with shaping the modern developments of their home states A number of my subjects are as scrupulous as can be Others got sidelined by scandals one can't even make up As for the rest Well let's just say they have a great story that few know but deserve to be told My book shares more than 150 stories of politicians elections and the environment of the period Each of my 150 subjects is accompanied by a tidbit anomaly that will enlighten all Many are unsung outside their home states Hopefully my book will change that Divide and Dissent John Ed Pearce, 2021-12-14 Few men have been more important to the life of Kentucky than three of those who governed it between 1930 and 1963 Albert B Chandler Earle C Clements and Bert T Combs While reams of newspaper copy have been written about them the historical record offers little to mark their roles in the drama of Kentucky and the nation In this authoritative and sometimes intimate view of Bluegrass State politics and government at ground level John Ed Pearce one of Kentucky's favorite writers helps fill this gap In half a century as a close observer of Kentucky politics as reporter editorial writer and columnist for the Louisville Courier Journal Pearce has seen the full spectacle He watched Happy Chandler vault into national prominence with his flamboyant campaign style He was shaken by Earle Clements for asking an awkward question He joined in the laughter when a striptease artist was commissioned a Kentucky Colonel during the Combs administration And he watched as the successive governors

struggled to move the state forward each in his own way Yet this is more than a newsman s account of events Pearce probes for the roots of the troubles that have slowed Kentucky s progress He traces the divisions that have plagued the state for almost two centuries divisions springing from the nature of Kentucky s beginnings He studies the lack of leadership that has hampered the always dominant Democratic party and the bitter factionalism that has kept the party from developing a cohesive philosophy When the candidate of one faction has taken office he shows the losing faction has usually made political hay by bolting to the opposition party or torpedoing the governor s efforts in the legislature instead of uniting behind a progressive party program The outcome of such long term factionalism is a state that must now run fast to catch up

Embark on a transformative journey with Explore the World with is captivating work, Discover the Magic in **John Sherman Cooper The Global Kentuckian** .
