## **John The Baptist:**

**John the Baptist** Catherine M. Murphy, 2003 Examines how and why the authors of the first three Gospels shaped the story of John the Baptist around the story of Jesus Careful comparison of these foundational texts yields not only the perspectives of the Synoptic authors but also a provisional sketch of the historical figure of the Baptist which is then placed within the religious political and economic context of first century C E Judea Special attention is given to the interface between John and the Qumran community that scholars have proposed ever since the Dead Sea Scrolls were discovered

John the Baptist Carl R. Kazmierski, 1996 John the Baptist is one of the most fascinating and misunderstood characters in the Bible A prophet of two worlds he calls out to the Israel of his own generation and to Christian believers of today to heed the most radical demands of conversion and newness of life Kazmierski reflects on the rich and colorful portrait of John found in the New Testament and invites readers to respond to John s message and to hear the voice crying in the wilderness

*John the Baptist* F. B. Meyer, 2020-08-05 Reproduction of the original John the Baptist by F B Meyer John The Baptist in the Gospel Tradition Walter Wink, 2000-10-27 Examines the treatment of John the Baptist within the synoptic gospels and Acts as well as how the early church envisioned his role in God s redemptive mission John the Baptist, Forerunner of Jesus Johnnie Human, 1978 Relates the career of John the Baptist whose preaching predicted the coming of the Messiah

**John the Baptist, Forerunner** Jerome Kodell, 2017 A fiery preacher and humble servant to the coming kingdom of God John the Baptist prepared the way for Jesus Three gospel passages capture his message and its meaning and invite us to make way for Jesus in our hearts and in our world Publisher description *Saint John the Baptist and the Desert Tradition* Jean Steinmann, 1958 *Life of st. John the baptist, by an Ossory priest* John (st, the baptist.), 1891 *John the Baptist in Life and Death* Gary Yamasaki, 1998-11-01 In a narrative about Jesus a character like John the Baptist would not be expected to play a role much beyond that of providing a baptism for Jesus Yet the Matthaean narrator finds several other uses for John in the development of the narrative not only while he is still alive but also after he is dead In examining John s role Yamasaki deploys an audience oriented critical methodology an approach that chronicles the narrator s efforts to influence first time readers experience of the narrative as they proceed sequentially through the text He traces John s characterization as forerunner from a glowing introduction in ch 3 albeit with a slight flaw in his ideological point of view on Jesus through a progressive exacerbation of this flaw to a rehabilitation of John in ch 11 As a result of this rehabilitation the narrator is able to continue to use John in his role as forerunner in the second half of the narrative even after John s death has removed him from the story line **John the Baptist and Jesus** W. Barnes Tatum, 1994 This volume contains a summary of the deliberations and votes of the Seminar together with a concise sketch of the historical figure of John the Baptist John the Baptist in History and Theology Joel Marcus, 2018-11-16 An analysis that challenges the conventional Christian hierarchy of John the Baptist and Jesus of Nazareth While the Christian tradition has subordinated John the Baptist to Jesus of Nazareth

John himself would likely have disagreed with that ranking In this eye opening new book John the Baptist in History and Theology Joel Marcus makes a powerful case that John saw himself not Jesus as the proclaimer and initiator of the kingdom of God and his own ministry as the center of God s saving action in history Although the Fourth Gospel has the Baptist saying He must increase but I must decrease Marcus contends that this and other biblical and extrabiblical evidence reveal a continuing competition between the two men that early Christians sought to muffle Like Jesus John was an apocalyptic prophet who looked forward to the imminent end of the world and the establishment of God s rule on earth Originally a member of the Dead Sea Sect an apocalyptic community within Judaism John broke with the group over his growing conviction that he himself was Elijah the end time prophet who would inaugurate God s kingdom on earth Through his ministry of baptism he ushered all who came to him Jews and non Jews alike into this dawning new age Jesus began his career as a follower of the Baptist but like other successor figures in religious history he parted ways from his predecessor as he became convinced of his own centrality in God s purposes Meanwhile John s mass following and apocalyptic message became political threats to Herod Antipas who had John executed to abort any revolutionary movement Based on close critical historical readings of early texts including the accounts of John in the Gospels and in Josephus s Antiquities as well as parallels from later religious movements John the Baptist in History and Theology situates the Baptist within Second Temple Judaism and compares him to other apocalyptic thinkers from ancient and modern times It concludes with thoughtful reflections on how its revisionist interpretations might be incorporated into the Christian faith **Vox Clamantis. Louise Nabours,2021-07-02 John the Baptist was a manuscript prepared for a seminary class at Liberty University When submitted the professor recommended it to be published The project initially included two PowerPoint presentations one for children and one for adults Extensive research was conducted on the cultural background and customs for the time period The story takes place near the Jordan River valley during Jesus adult years There is some controversy over the location of John s

residence and over his burial site The places used as tourist attractions although used by John they may not be his actual residences or burial site It was a pleasure doing the research and preparing the manuscript The books referenced in researching John were obtained from Liberty University Library 2      **John the Baptizer and Prophet** Robert L.

Webb,1991-08-01 Using recent methodological advances in historical Jesus research this book examines the figure of John by focusing on the two characteristic roles which he publicly performed baptizer and prophet The significance of these roles is studied within the context of late Second Temple Judaism in order to understand John within his social and historical context Part I examines the traditions concerning John in Josephus s Antiquities as well as in canonical and extra canonical Gospels Part II studies John s role as baptizer by analysing the functions of ablutions in the Old Testament and Second Temple Jewish literature especially the Qumran literature Part III analyses John s public role of prophet John is seen as the leader of a prophetic movement whose sociopolitical orientation may be compared with similar movements of the period      *John the baptist, an essay on 'The conduct and character of st.
