The Word Made Flesh A. B. Simpson, 1995-08-01 Extracted from A B Simpson s Christ in the Bible Commentary this exposition on the book of John traces the unfolding of the person and glory of Jesus as the Messiah and the Son of God The emphasis on knowing and believing in Jesus shines throughout this classic study a superb sample of Simpson s biblical insight

The Word Became Flesh Graham Jackman, 2016-12-16 The title of this book taken from John 1 14 is normally taken to refer to the notion of incarnation which understands the word as a pre-existent Son of God and becoming flesh as the transformation of this word from a heavenly divine existence to the life of a human being Against this conventional interpretation the author argues that John s use of the term word really does refer to an act of speaking God s expression of His will and that becoming flesh describes the realisation or embodiment of His intentions from creation onward in a form perceptible to human senses not only in the flesh of Jesus but also in historical reality in the world of men This has implications for other aspects of John s Gospel including its historicity its literary form and its relationship to the Old Testament and leads to very different conclusions about the central issue in John s Gospel the person of Jesus and his relationship to God the Father and to those who believe in him

The Homilies On John St. Augustine of Hippo,2012 This is the extended and annotated edition including an extensive

biographical annotation about the author and his life ST AUGUSTINE was an indefatigable preacher He considered regular preaching an indispensable part of the duty of a bishop To his homilies we owe most of his exegetical labors The homilies were delivered extempore taken down by scribes and slightly revised by Augustin They retain their colloquial form devotional tone frequent repetitions and want of literary finish He would rather be deficient in rhetoric than not be understood by the people He was cheered by the eager attention and acclamations of his hearers but never fully satisfied with his performance My preaching he says almost always displeases me I eagerly long for something better of which I often have an inward enjoyment in my thoughts before I can put them into audible words Then when I find that my power of expression is not equal to my inner apprehension I am grieved at the inability of my tongue to answer to my heart De Catech Rudibus ch II 3 in this Series Vol III 284 His chief merit as an interpreter is his profound theological insight which makes his exegetical works permanently useful This volume contains The Homilies or Tractates on the GOSPEL OF JOHN In Joannis Evangelium Tractatus CXXIV Augustin delivered them to his flock at Hippo about A D 416 or later **Workbook for Lectors, Gospel Readers, and Proclaimers of the Word ® 2016 USA ,**
