Keats, Hunt and the Aesthetics of Pleasure Ayumi Mizukoshi,2016-02-17 This book tackles the age old interpretative problem of pleasure in Keat s poetry by placing him in the context of the liberal leisured and luxurious culture of Hunt s circle Challenging the standard narrative which attribute Keat s astonishing poetic development to his separation from Hunt the author cogently argues that Keats profoundly imbued with Hunt s bourgeois ethic and aesthetic remained a poet of sensuous pleasure through to the end of his short career [A Routledge Literary Sourcebook on the Poems of John Keats](#)

John R. Strachan,2003 John Keats was one of the central figures of English Romanticism and is still one of England s most popular poets This sourcebook brings together texts and documents that provide a gateway towards an understanding of the man his life and his work **Poetics of Self and Form in Keats and Shelley** Mark Sandy,2017-03-02 Beginning with a reassessment of contemporary romantic studies this book provides a modern critical comparison of Keats and Shelley The study offers detailed close readings of a variety of literary genres including the romance lyric elegy and literary fragment adopted by Keats and Shelley to explore their poetic treatment of self and form The poetic careers of Keats and Shelley embrace a tragic affirmation of those darker elements latent in the earlier writings to meditate on their own posthumous reception and reputation Fresh readings of Keats and Shelley show how they conceive of the self as fictional and anticipate Nietzsche s modern theories of subjectivity Nietzsche s conception of the subject as a site of conflicting fictions usefully measures this emergent sense of poetic self and form in Keats and Shelley This Nietzschean perspective enriches our appreciation of the considerable artistic achievement of these two significant second generation romantic poets **A Study Guide for John Keats's "To Autumn"** Gale, Cengage Learning,2016 A Study Guide for John Keats s To Autumn excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust
