

We simply provide **whatever it takes** for you, and the populations you serve, to get the most value for every dollar spent on pharmacy benefits.

We've successfully mastered a model that holds your business priorities front and center:

- Clarity in contracts. No hidden fees. Of any kind. For anything.
- Formularies driven by cost-effectiveness and efficacy, not rebates.
- Flexible technology that adapts to your pharmacy program, not the other way around.
- Robust and easily customized reporting for performance data that's important to you.
- It's your data—you own it. So you can access all of it. At any time.
- Responsive and effective client service. Even after the contract is signed.

Whose objectives and business needs do PBM's base their business models around?
