## **Keeping The Promise:**

Keeping Promise Rock Amy Lane, 2010-01-17 Keeping Promise Rock Book One Carrick Francis has spent most of his life jumping into trouble with both feet The only thing saving him from prison or worse is his absolute devotion to Deacon Winters Deacon was Crick's sanity and salvation during a miserable abusive childhood and Crick would do anything to stay with him forever So when Deacon's father dies Crick puts his college plans on hold to help Deacon as Deacon has helped him Deacon's greatest wish is to see Crick escape his memories and the town they grew up in so Crick can enjoy a shining future But after two years of growing feelings and temptation the painfully shy Deacon finally succumbs to Crick's determined advances and admits he sees himself as part of Crick's life It nearly destroys Deacon when he discovers Crick has been waiting for him to push him away just like Crick's family did in the past When Crick's knack for volatile decisions lands him far away from home Deacon is left shell shocked and alone struggling to reforge his heart in a world where love with Crick is a promise but by no means a certainty

**Made in Crises** Qaiser Abbas, Arif Anis, 2020-11-29 In Chinese the character for the word crisis is made up of two symbols danger and opportunity A crisis is an ultimate test a leader can endure as while it swiftly reveals a leader's capabilities and strengths it can also expose the underlying weak spots The unpredictable dramatic and highly charged events surrounding a crisis can profoundly affect the people in an organisation and threaten its very existence A crisis is a condition of instability in social economic political or international affairs leading to a decisive change Most of us are ordinary people until a crisis finds us It is an interesting study of how various crises inspired great leadership icons and how these symbols of prominence stirred a distinct set of events Crises bring with them opportunities for the leaders to stretch embrace and evolve new behaviors solutions and attitudes Like every seriously committed business leaders of today if you too are overwhelmed what the world experienced in 2020 in the form of Coronavirus pandemic and searching for a new growth trail for your company and have not yet traced out a trajectory towards it this book is our gift to you This mother of crises caused a series of unthinkable events millions got infected in the first world hundreds of thousands died in the most advanced clinical setting thousands of billions were lost in the bloodbath in the stock market capitalism embraced socialism and nuclear armed global economies shuddered like a

Deshpande, 2013-01-01      **Doing the Best We Can** Fred Feldman, 2012-12-06 Several years ago I came across a marvelous little paper in which Hector Neri Castaneda shows that standard versions of act utilitarianism are formally incoherent I was intrigued by his argument It had long seemed to me that I had a firm grasp on act utilitarianism Indeed it had often seemed to me that it was the clearest and most attractive of normative theories Yet here was a simple and relatively uncontroversial argument that showed with only some trivial assumptions that the doctrine is virtually unintelligible The gist of Castaneda's argument is this suppose we understand act utilitarianism to be the view that an act is obligatory if and only if its utility exceeds that of each alternative Suppose it is obligatory for a certain person to perform an act with two parts we can call it A B Then obviously enough it is also obligatory for this person to perform the parts A and B If act utilitarianism were true we apparently could infer that the utility of A B is higher than that of A and higher than that of B because A B is obligatory and the other acts are alternatives to A B      **A Discourse of natural and moral Impotency. **Gentle Shepherding** Joseph Earl Bush, 2012-11 Named One of the Top Ten Books for Parish Clergy for the year 2006 by the Academy of Parish Clergy Gentle Shepherding offers a rare balance in an introduction to pastoral ethics one that identifies deeply with the pastoral vocation and brings it into conversation with a developed body of ethical theory The goal of the book is to equip seminarians and pastors with conceptual resources for clarifying moral responsibility in the practice of ministry This responsibility includes three levels the minister as a moral agent in offering care the minister as a moral enabler in encouraging virtue in others and the minister as a moral leader in facilitating congregational life and witness in society Helping ministers and seminarians to think anew about their responsibilities and the moral quandaries in pastoral

practice Gentle Shepherding integrates theory with practice providing case material for further reflection and discussion and at least one case study or exercise associated with each chapter      *Form of Service for Worship in the Christ-law* William Manley Kellogg, 1913      One Hundred and Ninety Sermons On the Hundred and Nineteenth Psalm Thomas Manton, 1681
