**Encyclopedia of Lesbian and Gay Histories and Cultures** George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

**A Wall of Our Own** Paul M. Farber,2020-02-17 The Berlin Wall is arguably the most prominent symbol of the Cold War era Its construction in 1961 and its dismantling in 1989 are broadly understood as pivotal moments in the history of the last century In A Wall of Our Own Paul M Farber traces the Berlin Wall as a site of pilgrimage for American artists writers and activists

During the Cold War and in the shadow of the Wall figures such as Leonard Freed Angela Davis Shinkichi Tajiri and Audre Lorde weighed the possibilities and limits of American democracy All were sparked by their first encounters with the Wall incorporated their reflections in books and artworks directed toward the geopolitics of division in the United States and considered divided Germany as a site of intersection between art and activism over the respective courses of their careers Departing from the well known stories of Americans seeking post World War II Paris for their own self imposed exile or traveling the open road of the domestic interstate highway system Farber reveals the divided city of Berlin as another destination for Americans seeking a critical distance By analyzing the experiences and cultural creations of American Berliner artists and activists Farber offers a new way to view not only the Wall itself but also how the Cold War still structures our thinking about freedom repression and artistic resistance on a global scale **Kid Artists** David
