**The Kennel Murder Case** S. S. Van Dine,1936      [The Kennel Murder Case](#) S. S. Van Dine,2016-01-18 This early work by S S Van Dine was originally published in 1933 and we are now republishing it with a brand new introduction The Kennel Murder Case is one of Van Dine s novels of crime and mystery S S Van Dine was born Willard Huntington Wright in Charlottesville Virginia in 1888 He attended St Vincent College Pomona College and Harvard University but failed to graduate leaving to cultivate contacts he had made in the literary world At the age of twenty one Wright began his professional writing career as literary editor of the Los Angeles Times In 1926 Wright published his first S S Van Dine novel The Benson Murder Case Wright went on to write eleven more mysteries The first few books about his upper class amateur sleuth Philo Vance were so popular that Wright became wealthy for the first time in his life His later books declined in popularity as the reading public s tastes in mystery fiction changed but during the late twenties and early thirties his work was very successful      *The Kennel Murder Case* Willard Huntington Wright,1933      **The Kennel Murder Case** ,2002

[The Kennel Murder Case](#) Willard Huntington Wright, Willard Huntington,2018-01-17 The Kennel Murder Case is a bit of a misnomer A dog is involved actually 2 but they are the loose ends that need to be tied up The case could be called Death of Chinese Pottery Collector that pissed off his entire family and all he came in contact This is a locked room mystery or in this case bolted from the inside The victim appears to have died from suicide But once the door is broken down and the body is examined Murder is revealed Without giving away any spoilers the reason this is fine example of the Philo Vance stories is the crazy twists turns and characters that fill the mystery Just when you think it couldn t get stranger it does And then you wonder how the heck is this going to be solved This is certainly a good one and funnily Markham s quip near the end enlightens Vance how the whole thing played out In this story besides hearing more about Chinese Pottery history you get to hear about Dog history and showing off the breeds      *The Kennel Murder Case* S S Van Dine,2020-04-24 It was exactly three months after the startling termination of the Scarab murder case that Philo Vance was drawn into the subtlest and the most perplexing of all the criminal problems that came his way during the four years of John F X Markham s incumbency as District Attorney of New York County      **The Kennel Murder Case** S. S. Van Dine,2018-05-02 It was exactly three months after the startling termination of the Scarab murder case that Philo Vance was drawn into the subtlest and the most perplexing of all the criminal problems that came his way during the four years of John F X Markham s incumbency as District Attorney of New York County We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality

product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience      **The Kennel Murder Case** S.S. Van Dine,2013-10-08

When Archer Coe a collector of Chinese ceramics is found dead in his bedroom with the door bolted on the inside everybody from the district attorney to the medical examiner regards it as suicide But detective Philo Vance suspects a sinister and carefully crafted murder Although the circumstances surrounding the death of Archer Coe are so mysterious and contradictory that for a time no solution seems possible the brilliant Philo Vance brings the case to an unexpected but satisfying conclusion in the end The Kennel Murder Case first published in 1933 moves swiftly with one mystery following another until the clever resolution It is considered one of the best of Philo Vance novels in the series for its interesting characterization and gripping action and suspense      **The Kennel Murder Case** S.
