**Illustrated Magazine** ,1910 *In Circles* Basil Dillon-Malone,2024-01-17 In *Circles* is the follow up publication to the author s widely acclaimed parody novel *The Last Smoker on Earth and the End of Literature* Friesen Press Vancouver 2021

The poems were composed in 40 countries around the world The collection is occasionally profound sometimes mischievous but essentially humorous The author makes a thematic distinction between poems that are obviously whimsical Nosepicker Mortal the misery of despondency Loner and a bar room mirror a recitation tribute to his father growing up in the West of Ireland Primrose Hill and the few such as Paroxysm of Fear that are deeply intense personal and penetrating He felt it necessary to include these calamitous images in the vital reality and vulnerability of our times in a sobriety of our concomitant need for diversion In Circles is as much a series of standalone vignettes as it is a book of poems It makes free use of wordplay euphemism and sound while experimenting with the illustrative eyecatching effects of using icons to coax a vivid curiosity in an enlivening of the genre
